Marjorie Taylor
GREENE
SAVE AMERICA, STOP COMMUNISM!
FOR CONGRESS

June 22, 2023

Dear

Please rush me back your enclosed **IMPEACHMENT TEAM PLEDGE** within the next 72 hours to save our country from Joe Biden's WAR on patriotic Americans.

My name is Representative Marjorie Taylor Greene.

And the first thing you should know about me is that I didn't come to Washington D.C. to make friends and go to parties.

I came here to make a difference and save America.

I'm not afraid to say what I believe.

Whether it's calling out the Democrats for their disgusting, anti-American agenda…

Or going to battle against the two-tiered justice system that goes after Trump supporters but lets the Biden Crime Family off the hook…

Or objecting to the weaponization of government against conservatives, pro-life supporters praying at abortion clinics, and parents holding school boards accountable…

I'm not afraid to speak up for you and the 75 million Americans who are ready to tell these socialists that enough is enough.

But I'm going to need your help to do it.

You see, Big Tech and the Media have painted a bright red bullseye on my

Paid for by Greene for Congress.
Not paid for at taxpayer expense.

back ever since I took office.

But now that I've filed Articles of Impeachment against Joe Biden and his Deep State cronies for blatant corruption and abuse of power...

I'm going to have to prepare for every attack in the Democrats' playbook and more.

That's why, in addition to your pledge to join my IMPEACHMENT TEAM, I'm counting on you to rush back a generous donation of $35 or more to "Greene for Congress."

My friend, we are living through times I *never* thought we would ever see...

- A national debt of over $31 trillion and runaway spending of YOUR tax dollars.
- A wide-open Southern border in the hands of Mexican drug cartels.
- A president and his family (the Bidens!) making millions by selling out our country to China and Ukraine.
- A government weaponized and at war against Joe Biden's political enemies – conservatives like YOU and ME.

It will be the death of our country if this continues.

Our Founding Fathers gave us constitutional authority so that you and I could check the power of those who would DESTROY our country.

But that's why impeaching Joe Biden will save America.

My greatest hope is that we bring President Donald J. Trump back to the White House so that we can Make America Great Again…

But until then we're in a crisis of gigantic proportions. And if he's not impeached…Joe Biden will be President until January 20th, 2025.

And when Big Media, Big Tech, and Democrats force feed their LIES and

PROPAGANDA to Americans every single day there's only one thing standing in the way of Joe Biden and the Deep State Democrats' one-party, Marxist rule:

Grassroots conservatives.

That means you, Mr. Rogers.

So can I count on you to stand by me in this fight?

The truth is, if I'm going to have any chance of rallying the Republican Party to impeach Joe Biden then I need your signature and your support.

Simply put, the media and Big Tech are too invested in helping the Bidens and their Deep State cronies to allow me to do all this online.

That's why I'm asking you to send me back your **IMPEACHMENT TEAM PLEDGE** within the next 72 hours.

And, because I know this move has already caused a massive backlash from the Left – one that they're sure to use to fuel a campaign against me – I'm hoping you'll donate to my campaign, as well.

Any gift – from $35 to a few hundred dollars to the maximum of $6,600 allowed by the FEC really is critical in helping me fight back.

Especially after we saw how all the Democrats, Big Tech, and liberal mega-donors tried every dirty tactic to keep me from being reelected last year…

…from using a Civil War era law to keep me off the ballot for being an "insurrectionist"…

…to threatening my life by prank calling a SWAT team to my home multiple times…

…to flooding millions of dollars to fund my Leftist opponent.

That's because they know I speak up for 75 million Americans who know Democrats think of them as "deplorables" and "second-class citizens"…

And that Joe Biden will weaponize the government against them and destroy their livelihoods….

Unless you and I speak up now and say enough is enough, then we will surrender our country to their Marxist, dystopian, and anti-American plans.

But we can push back and we can win – especially if I can show the Republican conference that I have your support to impeach Biden and your support for my campaign.

To do my part, though, I'll need your help. So please donate $35 or more today – and please let me know I have your support by signing and returning your **IMPEACHMENT TEAM PLEDGE** within the next 3 days.

My friend, I began this letter telling you that the only way to save America was to impeach Joe Biden and his Deep State cronies. I want you to know that with your help, we will make that a reality.

Sincerely,

Marjorie Taylor Greene

Marjorie Taylor Greene

P.S. The only way we're going to save America is to impeach Joe Biden and his Deep State cronies. I'm proud to have filed these Articles of Impeachment…but now that I have, I need to know if I have your support. Will you let me know by rushing back your **IMPEACHMENT TEAM PLEDGE** ASAP? And because Democrats are already coming after me so hard, I'd be extremely grateful if you could make a $35 or more gift to my campaign for Congress as well.

Federal election law requires political committees to use best efforts to report the name, mailing address, occupation, and name of employer of individuals whose contributions exceed $200 during an election cycle. An individual may not contribute more than a total of $6,600 (maximum for General Election) per election to the committee. Federal law prohibits contributions to the committee from the general treasury funds of a corporation, labor organizations or national banks (including corporate or other business entity credit cards), from any person contributing another's funds, from a Federal government contractor, or from a foreign national who lacks permanent resident status.
