INDICT OBAMA NOW!

Dear Fellow American,

It's time to **INDICT OBAMA NOW!**

He used the IRS to harass Tea Party members!

He sold guns to Mexican drug gangs!

He conspired with Hillary Clinton to hand over our critical uranium supplies to the Russians.

He illegally wiretapped an opponent's campaign.

And yet Obama isn't only walking around free.

Obama is quietly leading the effort to oust President Trump from office!

Obama doesn't belong on the streets. He belongs in jail!

And I'm determined to bring Obama to justice.

My plan starts when you sign and rush back to me your **INDICT OBAMA NOW! NATIONAL PETITION**.

Your **PETITION**, along with those of one million other patriots, will be delivered to Attorney General William Barr, right there in his office on Pennsylvania Avenue in our nation's capital.

It's part of my proven plan to build both the criminal AND political case for indicting, arresting and convicting Barack Obama.

You probably remember that last time something like this happened.

In 1969, Richard Nixon illegally wiretapped the telephones of the opposing party's presidential campaign.

43 years later, the Obama administration was caught wiretapping conversations by the opposing party's presidential campaign officials.

They then leaked those conversations to the media -- which is a crime!

The Justice Department reacted to Nixon's illegal wiretaps by drafting criminal charges.

They MUST be forced to do the same to Obama!

Why?

Not only is Obama a criminal...

...he's also behind the plans to oust President Trump!

And it will take tremendous political pressure to stop him.

Your **INDICT OBAMA NOW! NATIONAL PETITION** will be the force that applies that pressure!

Please do your part to hold Obama criminally accountable. Sign and return your **INDICT OBAMA NOW! NATIONAL PETITION** right away.

I need you to act immediately, because Obama's efforts to sabotage Trump grow stronger each day.

Remember, Obama's plans once Hillary won were to retire to Chicago and give speeches.

But when Trump shocked the world and won, Obama suddenly bought a "war room" in DC, just a few miles from the White House.

His top political hatchet-wielder, Valerie Jarrett, is living there with him and Michelle!

Now it's filled with anti-Trump political hitmen, as Obama loyalists in the Deep State illegally leak information to bring down Trump -- and our country.

That's no coincidence. How can Obama get away with this?

It's because right now Attorney General Barr sees going after Obama as a political suicide mission.

Obama is still fairly popular with the masses, and prosecutors don't see a national effort to hold him accountable.

Again, we've been there before. At first, no one in Congress really wanted to do anything about Nixon's apparent crimes. The economy was booming and Nixon's approval ratings were sky high.

The liberals would have none of it. They were hell-bent on going after Nixon. Liberals may have horrible ideas, but they are masters of political pressure.

They responded by building a grassroots army that put so much pressure on Congress to act, Nixon's crimes were unraveled and the President was destroyed.

The grassroots army pounded Congress and the Attorney General with phone calls, letters and telegrams until politicians decided that going after Nixon was a politically popular position.

It took down the most powerful man in America because it was coordinated, focused and followed a specific plan.

And that's what I'm planning. It follows the same model they used to take down Nixon, and the same model we've used for years to win political fights in Congress.

>> OUR PLAN TO HOLD OBAMA ACCOUNTABLE <<

The Attorney General knows Barack Obama is a criminal who tried to rig the election, but he thinks prosecuting Obama is a politically losing issue. He thinks if he goes after Obama, the media, union bosses, the Establishment and the FBI/CIA/NSA will overwhelm him.

He doesn't believe there's enough grassroots support across America to make prosecuting Obama anything but a political suicide mission.

So we're going to change that!

Your **INDICT OBAMA NOW! NATIONAL PETITION** is part of my proven plan to build support in the Justice Department -- and the nation -- to bring criminal charges against Barack Obama.

Right now, Barack Obama thinks he's getting off scot-free. And so far, he's right. Unbelievably, there are no plans to even investigate him!

This show of grassroots force is the ONLY thing that will convince Attorney General Barr that millions of Americans will support him if he risks everything by indicting Obama for his crimes.

You can do that with two simple actions.

- 1) I urge you to immediately sign and date your **INDICT OBAMA NOW! NATIONAL PETITION** and rush it back to me, and
- 2) Please enclose your best possible gift to *The American Minuteman Project*. I want to deliver one million of these **INDICT OBAMA NOW! NATIONAL PETITIONS** to the Attorney General just as soon as I possibly can. This show of grassroots anger would FORCE him to take action.

That's right. I want to deliver one million **INDICT OBAMA NOW! NATIONAL PETITIONS** right to the Attorney General -- because public pressure works!

I know that this is an ambitious plan. But I know that if we have your support, it can work. That's why I must ask you to immediately sign and return your **INDICT OBAMA NOW! NATIONAL PETITION**.

And with your signed NATIONAL PETITION, please include your most generous contribution to *The American Minuteman Project*.

The American Minuteman Project is already working on a nationwide public opinion and public education campaign to alert Americans to the critical need to indict and convict Barack Obama for his crimes and continuing threats to democracy.

I must have your help if I am to force his indictment with one million signed **PETITIONS**.

(over please)

While I hesitate to name an amount, I must ask you to make your maximum possible contribution to save the rule of law keeping us free.

We will need to raise at least \$67,480 within the next month. At least that much. This is an absolutely unprecedented campaign and I have no idea what obstacles we will have to overcome.

And I must raise at least \$38,350 of that within the next 14 days or I will be forced to abandon this **INDICT OBAMA NOW! NATIONAL PETITION** project that is so vital if we are to stop these grave threats to President Trump.

So, please sit down right now and send your most generous contribution to help me and *The American Minuteman Project* stop Obama's plan to defeat President Trump.

And please also help me expand this effort by enclosing your most generous gift to *The American Minuteman Project*. Please know whatever you can afford would be a great help to this effort. If you can, please send \$2,000 or \$1,500, or maybe \$1,000 or \$500, or \$250 or \$100, or even \$50 or \$35 or \$25.

Thank you for your support. And God Bless America.

Sincerely,

Cheryl Burns, Project Chairman
The American Minuteman Project

P.S. Barack Obama is getting away with his past crimes -- and his new schemes -- because no one in Washington thinks there's grassroots support for jailing him.

I have a plan to end that -- and send Obama to prison!

It starts when you sign your **INDICT OBAMA NOW! NATIONAL PETITION** and rush it back to me. I want to deliver one million of these **INDICT OBAMA NOW! NATIONAL PETITIONS** to Attorney General William Barr just as soon as I possibly can. It would be a show of grassroots anger that would FORCE him to take action. Many thanks. *Cheryl*.
