

# STOP SOROS! SAVE FOX NEWS!

## EMERGENCY SURVEY

### From the desk of:

Cheryl Burns, Project Chairman  
**THE AMERICAN MINUTEMAN PROJECT**

Dear Friend,

George Soros plans to shut down FOX News!

His ultimate goal is to squash dissent, spread internationalist propaganda and pave the way to impeach President Trump!

And he knows this is his only shot to destroy the Trump Presidency and put his One World Globalist agenda back on track.

That's why I must ask you to do two things immediately:

1. Please complete the enclosed **STOP SOROS! SAVE FOX NEWS! EMERGENCY SURVEY** and return it to me today. Your views are vitally important if we are to save FOX News from Soros and his leftist cronies and...
2. Please send your best possible financial gift right away to help *The American Minuteman Project* fight back against Soros' targeted, all-out assault on FOX News.

George Soros and his radical Left fellow travelers are doubling down against FOX News from all sides!

They know they must get rid of FOX News now, before one more day passes -- or risk absolute disaster and the end of their goal of brainwashing America and impeaching President Trump.

They can no longer afford to have anyone -- anyone -- tell the truth about their liberty-killing agenda.

Throughout the Mueller investigation, FOX News was the only news outlet that counselled calm and waited for the final report. All the others spent two years demanding Trump's head on a platter and the end of his Administration.

This alone demands we support FOX News, no matter the cost.

Now, shadowy leftist forces both within and outside of our Nation's capital -- driven by Soros' billions and his abiding hatred for the country that made him wealthy -- are massing in strength and plotting to brainwash Americans by grabbing total control of the media.

They are using every unscrupulous bureaucrat, every underhanded tactic and even organized threats of FOX News advertisers....

...to drive FOX News out of existence!

(over please)

Just like in Soviet Russia, Soros and his leftist cronies know they must silence the opposition...

...before they can brainwash the American people and impeach President Trump!

**They are out to silence the only reliable media in the country -- FOX News Channel!**

We must stop them! Please join with me, and millions of our fellow Americans, as we stand up for FOX News...

...by completing the enclosed **STOP Soros! Save FOX News! Emergency Survey** and returning it to me today.

Liberals like Soros hate "Fair And Balanced" FOX News. And they especially hate the fact that FOX News didn't fall in line and report continuously on "Russian collusion" as the other cable and broadcast news services did.

It drives them insane! They hate to hear anything that doesn't parrot their anti-Trump mania exactly!

And that's doubly so now that they fear losing forever the iron grip on power they've held for decades!

The 2016 elections were a wake-up call to them. Power is slipping from their grasp. They know they cannot allow President Trump to remain in office.

Like generations of totalitarian leaders before them, they know that control of the media is essential if they are to brainwash the masses.

And FOX News is all that stands in their way. It really is. There is really no other non-leftist TV news channel widely available on the air. They already killed them all.

If we want a shot at countering all the anti-Trump propaganda dished out by the Left's media barons, we have to keep this one "Fair And Balanced" channel alive. And with the entire might of Soros and his massive leftist cabal arrayed against them, there is no time to lose.

Please complete and return the enclosed **STOP Soros! Save FOX News! Emergency Survey!** to me today.

You know how important FOX News is to regular Americans.

It's the only one that fairly discusses President Trump and refuses to bury liberal scandals like the IRS, Deep State spying and the corrupt Clinton Foundation. It's the only channel that discusses both sides. All the others are completely one-sided -- and tilt far to the left.

With FOX News, we know we'll get to hear an antidote to the anti-Trump propaganda pumped out by the ultra-liberals at NBC, CNN, MSNBC, PBS, CBS, and ABC.

But Soros and his far Left buddies don't like a fair fight. They know they'll lose. So they call in their own Commissars.

That's the reason why Soros created the non-profit organization called Media Matters: Smashing FOX News...

...without getting his own hands dirty.

First, after Glenn Beck called Soros, "*the spooky dude*," Glenn's FOX News show was driven off the air by a phony advertising boycott organized by Media Matters liberals.

And then Media Matters nailed another scalp to their wall:

**Bill O'Reilly!**

Through innuendo, unattributed smears and outright lies, they drove O'Reilly right off the FOX News schedule.

(next page please)

They are repeating their well-worn plan by targeting current FOX News contributors Sean Hannity, Tucker Carlson and Laura Ingraham in the same way.

Now, we can't let them target more great broadcasters. Help me to fight back. Please complete and return your **STOP Soros! Save FOX News! Emergency Survey** in the envelope I have enclosed with this letter.

FOX News has to fight, day after day, just to hang on to the advertisers that make the network commercially viable.

Losing O'Reilly was a huge blow to their advertising revenues.

And what really sticks in my throat is the fact that Media Matters is a not-for-profit organization whose main purpose is to smash FOX News.

Its website is dedicated to getting FOX shut down and threatens FOX News advertisers with boycotts!

Yet because Media Matters has a special tax status as a "charitable" non-profit -- you and I get to support its hate attacks.

Now it's time to **SAVE FOX NEWS.**

We must stop the man behind the machine that props up the far Left and his attempt to control the media and brainwash Americans against President Trump.

We're taking on multi-billionaire George Soros.

Sadly, we don't have his resources, so we are asking great Americans like you to help us win.

I need to collect millions of **STOP Soros! Save FOX News! Emergency Survey** polls to convince every FOX News advertiser what real America has to say about the censorship and thug tactics of Media Matters, ultra-leftist billionaire Soros and his radical leftist allies who will do anything to take down President Trump.

It's not rocket science. A business must make money if it is to continue.

And for a news channel to make money, it needs advertisers.

Without advertising money, FOX News will have to cut shows, fire our favorite hosts like Hannity, Carlson, Ingraham, and Judge Jeanine, reduce its expensive investigative programming...

...or even go off the air entirely!

So, it's up to us to take on the Soros freakshow and prove to advertisers on FOX News that we -- the viewers -- form a massive market...

...and that ticking us off would be a really expensive mistake for every one of those advertisers!

That's why your completed **STOP Soros! Save FOX News! Emergency Survey** is so important right now. And why I must ask you to return it to me today.

Only if I, and *The American Minuteman Project*, can collect a huge number of completed **STOP Soros! Save FOX News! Emergency Survey** polls, can we convince the advertisers to keep supporting the network.

Media Matters, Soros, and their massive and well-funded left wing attack machine think they won a great victory by bullying sponsors into pulling their advertising from shows like "The O'Reilly Factor."

But now, with their hold on power in danger, they are vowing to kill FOX News forever!

We must show them that we will NOT tolerate the loss of great broadcasters like Sean Hannity, Tucker Carlson and Laura Ingraham.

(over please)

We must show them that millions of Americans love the "Fair and Balanced" broadcasting of FOX News and that we will vote with our wallets to protect this valuable news source.

I know this is an ambitious plan. But I also know if I have your support, it can work. That's why I must ask you to complete your **STOP SOROS! SAVE FOX NEWS! EMERGENCY SURVEY** and return it to me today, if possible.

And with your completed **STOP SOROS! SAVE FOX NEWS! EMERGENCY SURVEY** I must ask you to include your best possible contribution to help *The American Minuteman Project* get its message out to every major business and advertising brand in the country:

**We need FOX News!**

As you know, *The American Minuteman Project* receives no government funds, no massive corporate grants and, sadly, has no billionaire supporters.

**We rely on patriots like you.**

That's why I must ask you to contribute as generously as you can. Your immediate gift is vitally important if we are to get this message out right across America.

Our bare-bones budget for this **STOP SOROS! SAVE FOX NEWS! EMERGENCY SURVEY** project is just \$78,250. And I must raise at least \$36,180 of that within the next 14 days.

This is far less than what anti-Trump billionaire George Soros will spend to bury FOX News forever!

If you can afford it, please send \$2,000 or \$1,500 or maybe \$1,000 or \$500, or \$250 or \$100, or even \$50 or \$35 or \$25. Please make this your best possible gift. I must be able to commit resources immediately. But I can only do it with your support.

Please, send your completed **STOP SOROS! SAVE FOX NEWS! EMERGENCY SURVEY** and your contribution right away. There is no time to lose. Media Matters, billionaire George Soros, the liberal elites, the dangerous radical Left -- even our own government! -- are all working flat-out to silence pro-American media like FOX News.

There is no way we can afford to lose FOX News. Let's work together to keep "Fair and Balanced" reporting on our TVs!

Thank you for your support. I look forward to hearing from you very soon.

Thank you for your support. And God Bless America.

Sincerely,

Cheryl Burns, Project Chairman  
*The American Minuteman Project*

P.S. Please complete and return your **STOP SOROS! SAVE FOX NEWS! EMERGENCY SURVEY** to me today. There's not a moment to lose.

You and I simply cannot afford to let George Soros destroy the only channel that blows the whistle on his plans to impeach President Trump. Please work with me to collect millions of **SURVEYS** and prove to U.S. advertisers that supporting FOX News is in their -- and our -- best interest. Many thanks - Cheryl.
