Jim Crow Democrats are fighting like you know what to silence and stop Floyd McLendon – a Black conservative hero and retired Navy SEAL. Will you join me in endorsing him today so he knows you have his back in this fight?

Dear Fellow Conservative,

Please take a look at the enclosed portrait of Floyd McLendon.

You're looking into the eyes of a Black conservative, Christian, family man, Trump supporter, and Retired Navy SEAL who fought in some of the most God-forsaken war zones on the planet.

Most important of all...

You're looking into the eyes of an American hero who the Democrats are TERRIFIED of!

And it just so happens that this Retired Navy SEAL just announced his candidacy to flip the critical Texas 32nd Congressional District and lead the fight against the Jim Crow Democrats and socialists in the House!

That makes Floyd McLendon the  
**DEMOCRATS WORST NIGHTMARE!**

"I've fought in some of the most God forsaken war zones on the planet. I know how to lead in life or death situations, I know what it means to put service before self. In Congress, I will lead the fight against socialism."  
-Floyd McLendon

**Will You Personally Endorse Retired Navy SEAL  
Floyd McLendon So He Knows You Have His Back?**

Your support is so important because Democrats are already waging war to STOP and SILENCE Floyd McLendon.

That's because they know he is fighting to take back the critically important Texas 32nd Congressional District that Democrats flipped in 2018 and are now DESPERATE to hold on to.

Let me be clearer...

Democrats just barely pulled together enough votes to flip the Texas-32nd House seat in 2018. I'm talkin' by the skin of their teeth!

Before Floyd McLendon jumped in the race, the Democrats fully expected to hold on to this seat – which, by the way, was one of the seats that helped flip control of the House to the Democrats in 2018.

Now that my fellow veteran has announced his candidacy, these leftists are secretly terrified and will do anything to stop him.

And they have good reason to be afraid.  
*Very afraid.*

I'll explain why in a moment, but first please allow me the honor of introducing myself.

My name is Winsome Earle Sears and I'm a mom, wife, Marine Corps veteran, constitutional conservative, and Trump supporter.

I'm also a former delegate in the Virginia General Assembly – an honor that made me the first Black Republican woman to be elected to this position.

In addition, I'm also the first female veteran elected to the Virginia

I was honored to serve as a former Delegate in the Virginia General Assembly – a position that made me the first Black Republican woman elected to this position. And today I'm honored to work with Black Americans to Re-Elect the President to ensure Trump wins in 2020, and that we arm him with more conservatives like Floyd McLendon in the House and Senate!

Assembly, and the first Republican elected to the Virginia General Assembly from a majority-minority district since Reconstruction.

Because of this, Democrats often call me – and all Black conservatives - disgusting names like "race traitor", or "self-loather." And they use other Black people to do this dirty work.

And you know what? I'm sure Democrats will soon be throwing these same insults at my Black brother and fellow veteran, Floyd McLendon.

## **Jim Crow Democrats are Waging War to SILENCE and STOP Floyd McLendon!**

Listen, as a Black woman I can tell you that nothing scares Democrats more than an outspoken Black conservative like Floyd McLendon.

But when you add in the fact that Floyd is a...

- ✓ Retired Navy SEAL
- ✓ Published author, motivational speaker, and successful businessman
- ✓ Christian and devoted family man

Well, that's enough to send Democrats in to a hissy fit!

Know why?

Because his life DESTROYS the Democrats #1 lie that Blacks and other minorities can't succeed in life without the Democrats.

How dare they! We are free! FREE!

Floyd McLendon dedicated 25 years of his life to serving our country in the U.S. Naval service, 15 of those as a Navy SEAL. Now this American hero and D.C. outsider wants to fight to protect our conservative values against the socialists in Congress. Will you join me in endorsing him today?

And that's EXACTLY the message Democrats don't want voters in the Texas 32nd District to hear.

## **Democrats Are Secretly Terrified that Floyd McLendon Will Flip the Critical Texas 32nd District!**

And they should be shaking in their boots!

After all, the 32nd District is almost half minority voters.

And Democrats know that Floyd McLendon's story is the LAST thing Democrats want them to hear!

But most important of all...

## **Democrats Want to Silence Floyd McLendon from EXPOSING their EXTREME Policies to Minority Voters!**

Just imagine the Democrats horror as Floyd broadcasts to Black voters in the district how the Democrat incumbent – Colin Allred (D-TX) -supports radical, socialist ideas like Ocasio-Cortez's Green New Deal.

That alone would bankrupt most of the voters in this district – and across America!

Or how about how Allred, and almost all Democrats, support allowing millions of illegals to pour into Texas and steal jobs from honest, hard-working families who are desperately trying to pay bills and put food on the table?

OUCH!

Worst of all, imagine the Democrats reaction when Floyd

McLendon tells Black voters that Allred and all Democrats support infanticide for babies!

I can just hear Floyd's closing statement to voters in a debate...

***"The next time Democrats like my opponent, Colin Allred (D-TX), ask for your vote, ask them why they don't want your children."***

Game. Set. Match.

Now can you see why Democrats are desperately trying to SHUT HIM UP?

Take my word for it, it's only a matter of time before these leftists start throwing around words like...

"Uncle Tom", "Race Traitor", and "Self-loather".

And that's on top of the Democrat-Machine already raising thousands of dollars to make sure they can smear his spotless record.

That's why I'm praying you'll do two things right now:

**Will You Join Me in Endorsing Floyd McLendon – An American Hero and Retired Navy SEAL – for Congress?**

As soon as you sign your endorsement, I'll make sure yours – and many more – make it to this American hero so he knows you have his back in this fight!

Remember, you have an opportunity right now to endorse this rising superstar!

Second...

## **Will You Send Your Gift in Any Amount to Help Send Floyd McLendon to Congress, and Re-Elect President Trump?**

I'm just going to be blunt with you...

The Democrat-Machine is already raising thousands and thousands of dollars to make sure Floyd McLendon is NEVER able to flip this critical Texas 32nd House seat.

Even if that means calling him the most racist names you can think of, and working to smear his reputation.

That means this American hero will need to be ready to fight back. But unlike his opponent (who can count on the corporate fat cats and the Democrat-Machine to flood his campaign with seemingly endless amounts of campaign cash) Floyd McLendon can count on no such thing.

After all, this Retired Navy SEAL spent a majority of his life defending our great country from enemies overseas.

If he is going to continue his fight against the socialists in D.C., he urgently needs your help today.

That's why I'm praying you rush your signed endorsement back along with your gift of \$1,000, \$500, \$250, or even \$5,000 - the maximum allowed by law per year for an individual.

If you'll do that we'll be able to create radio ads, booklets, and other ads supporting his American hero and other conservative candidates!

But supporting Black conservatives like Floyd McLendon is not all we're doing. Not by a long shot!

You know better than anyone that Black Americans to Re-Elect the President is busy doing the #1 thing that will help make sure President Trump is re-elected in 2020...

...reaching out to Black voters in critical battleground states!

That's right! We're not waiting on the Republican Party. We are reaching out NOW to my Black brothers and sisters in 2020 battleground states. That means Black Americans to Re-Elect the President is doing ALL the hard-lifting by going door to door knocking on Black folk's doors.

Literally!

In fact, we're making sure these Black voters receive our wildly popular "Make Black America Great Again" booklets that expose how modern day Jim Crow Democrats are keeping Blacks under heel, and how President Trump's conservative agenda will set them free.

And trust me, Black voters are begging for these!

We even recently received word that Alveda King – niece of Martin Luther King Jr. – and former Republican Presidential Candidate Herman Cain are requesting more of these to personally hand out to Black voters!

Talk about powerful!

And even a smaller gift of \$100, \$75, \$50 or \$35 can make a HUGE difference for good by helping us print more of these booklets to personally

deliver to Black voters in 2020 battleground states to help re-elect President Trump, and to support candidates like American hero Floyd McLendon.

But no matter how much you send, please remember to sign and return your endorsement so Floyd McLendon knows you have his back!

Thank you and God Bless America.

P.S. I'm not exaggerating when I say that Democrats are absolutely shaking in their boots since Floyd McLendon – a retired Navy SEAL and America hero – threw his hat in the ring to flip the critically important Texas 32nd district. These folks will do ANYTHING to SILENCE Floyd... even if that means calling him the worst names you could ever imagine, or trying to smear his spotless record.

That's why I'm hoping you'll be one of the first to endorse this American hero so he knows you have his back in this fight as Democrats try to smear his spotless reputation!

And when you do, I hope you'll also rush back your gift, in any amount, to help make sure Black Americans to Re-Elect the President has the funds we need to defend Floyd McLendon and help reach more of my Black brothers and sisters in 2020 battleground states. That way both McLendon, and President Trump win in 2020! Thank you, God bless the President, God bless Floyd McLendon, and God bless you.

Dear Floyd,

Thank you so much for your service to our great country. I agree with you that we're in a fight for the future of our country and the Democrats/Socialists in Congress are running America in to the ground. That's why I'm proud to be one of the first patriots to endorse your candidacy for the 32nd District in Texas – an extremely critical House seat that may determine who controls Congress after the 2020 election.

Please rest assured that I have your back in this fight. God bless you for exposing the left's lies, and for your efforts to reach Black voters with the conservative message. May God bless you and keep you safe.
