

"THE REPUBLICAN PARTY IS IN SERIOUS TROUBLE..."

- DR. BEN CARSON

"...without winning over minority voters, it will be nearly impossible for the GOP to win another presidential election - leaving the future of conservatism in serious jeopardy."

- Dr. Ben Carson

Fellow Patriot,

What Dr. Carson says is absolutely true...

...without Black voters, the Republican Party may never win another Presidential election.

Even worse, the GOP will find it increasingly difficult to win Senate seats in swing states - *putting your conservative values in **serious jeopardy!***

And nobody knows this more than the Democrats.

That's why liberal race-baiters have launched an **all-out assault** on outspoken, Black conservatives - like Dr. Ben Carson, Mia Love, and Elbert Guillory - because they know their **stranglehold on Black voters depends on it.**

You see, these Black Republicans destroy the liberal lie that **all Republicans are racist.**

You and I both know that isn't true, but Black voters only hear the liberal side of the story that says only government can create prosperity. They never hear the truth about conservatism.

It's a big problem that is threatening to destroy our values.

I'm hoping you'll help me fight back against the hateful liberal lies, but first let me tell you the **BIG secret liberals do NOT want you to know.**

The Democrats are *scared to death* right now...

...because they know if Republicans can reclaim just 12% of the Black vote, it will be the Democrats who will be unable to win another Presidential election.

And even a 7% increase in Blacks voting Republican could STOP the Democrats from winning the 2020 Presidential election!

They're watching their **stranglehold** on Black voters start to slip after decades of failed policies that have **enslaved** entire generations of minorities to the government plantation.

The tide is turning because proud, Black conservatives - like Dr. Ben Carson, Mia Love, and Sheriff Clarke - are recruiting minorities to the Republican Party like never before - simply by sharing the promise of conservatism.

That's why hateful liberals are desperate to destroy every Black conservative!

They know the only way to keep Blacks voting for Democrats is to spread the lie that **all Republicans are racist.**

That's why they call **Sheriff Clarke** a "traitor to his race."

That's why they're hell-bent on defeating **Rep. Mia Love** - a GOP rising star known for championing personal responsibility.

And that's why they attack **Dr. Ben Carson** with articles titled "**F*ck Ben Carson**" and call him hateful names like "**Uncle Tom.**"

You and I can NOT let this stand!

There is simply too much at stake to let liberal race-baiters continue to attack Black Republicans and spread hate-filled lies about conservatives like you and me.

That's why I'm hoping you'll help me **fight back** with a contribution of just \$32 TODAY!

Your contribution will be put to use immediately to defend our proud, Black conservatives from hate-filled liberal attacks.

And your support will go a long way towards helping **Black America's PAC Action Fund** cultivate the next generation of Black conservative leaders and giving them the extra boost needed to secure their victories.

We helped **Representative Mia Love** become the 1st Black female Republican ever elected to Congress - and helped **Senator Tim Scott** become the 1st Black Senator elected in the South since Reconstruction.

And right now, we're on the front lines fighting to save our conservative values by exposing the Liberal Lies and reclaiming Black voters to the Republican Party.

Can I count on your contribution of \$32 today?

Or perhaps you understand the importance of **taking the fight to the Democrats** and want to contribute more...

A generous gift of \$55, \$82 or more will help **Black America's PAC Action Fund** purchase radio ads in urban markets across America to spread conservatism to minority communities, where it's needed most.

These issues-based radio ads are *absolutely critical* if you and I are to reclaim Black voters, protect our values, and end the Democrat Party's **reign of terror** over minorities.

I can tell you from personal experience - once the message of conservatism reaches Black voters, it spreads like wildfire and obliterates the liberal lies that keep Blacks voting for Democrats.

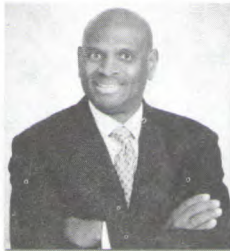

And remember, even a 7% increase in Blacks voting Republican could **STOP the Democrats from winning the 2020 presidential election...**

...but we can't do anything without your immediate help.

As a conservative leader in your community, your support is needed now more than ever!

So join me in fighting back against the liberal lies and taking the fight to the Democrats with a generous contribution of \$32, \$55, \$82 or more TODAY!

Together, you and I can END the liberal lies by standing strong beside our Black conservative candidates.

For America,

P.S. Just a 7% increase in Blacks voting Republican will STOP the Democrats from winning the 2020 presidential election - and nobody knows this more than Democrats.

That's why liberals - desperate to keep their stranglehold on Black voters - promote the lie that **all conservatives are racist!**

Your contribution of \$32, \$55, \$82, or \$150 will help **BAMPAC Action Fund** take the fight to the Democrats and defeat the liberal lies.

Thank you, in advance, for your generous support.
