*Thank you for your  
strong and noble support.*

Dear [redacted]

Thank you for who you are, what you stand for, how much you love America and how hard you're willing to fight the Totalitarian Left.

**It is my sincere honor and distinct privilege to present your 2020 Charter Member David Horowitz Freedom Center card.**

Emblazoned with your good name and united by our shared purpose, let it stand as a shining symbol of everything that makes America great and as a powerful bulwark against everything Radical Leftists are trying to destroy. Led by Nancy Pelosi, Adam Schiff, Jerry Nadler and the rest of their extremist minions in Congress, they spent the past three years doing all they can to destroy Donald Trump and put you under absolute control of the government.

But you and I have a surprise for them in the year ahead – we are going to expose every lie, every act of treachery, and every financier of the Left's insane war against our country.

Before I detail the Freedom Center's strategy, please do me this personal favor, if you will,

You have been a great friend, strong supporter and generous benefactor to our David Horowitz Freedom Center since 2013.

You see what the **Hard Left Radicals** don't want you to see.

They want nothing less than the radical transformation of our country. They try to sell

themselves as saviors of regular, hardworking Americans. You and I know better. They will destroy the God-given freedoms we enjoy and the land we love for one reason. *Power!*

**They envision a United States of America where the government rules supreme, and they run the government.**

Because they hate America, they are anti-guns, anti-borders, anti-police, anti-defense, anti-free enterprise and anti-personal freedom.

They sneer at our Constitution and vilify common, decent Americans. We witnessed this during their coup-by-impeachment attempt. They trivialized impeachment – something the Founding Fathers saw as a last resort to be used against a president who had committed “high crimes and misdemeanors.” We watched as accusation after accusation became a huge pile of lies!

But today’s Left is completely shameless.

They have fought to open up the borders and flood our nation with illegal immigrants. Today, there are more than 300 so-called sanctuary jurisdictions in the country. More than 300 safe havens for illegal immigrants. At the same time, radical extremists vilify Immigration and Customs Enforcement – some liberal candidates are going so far as to vow to close it down if they win the White House in 2020.

They literally are creating a crisis to further destroy the America we love. In the process, they’ve placed the rights of illegal immigrants above those of lawful citizens – above your rights, my friend!

**Insidious, lying, conniving and deceitful**, they will be backed up by the propagandists in the mainstream media who will join in their celebration when America has been turned upside down and inside out and is an empty shell of what we were before.

For more than 30 years, one group...our group...the Freedom Center has stood against this rising tide. Thanks to you, we’ve exposed the players and the deep socialist pockets who’ve been financing their agenda of destruction.

**The Freedom Center has never needed your help as much as we do right now.**

It is hard for our friends and neighbors to imagine the type of lawlessness we’ve witnessed from the moment Donald Trump was sworn into office. But no one who loves our nation would fathom the Radical Left using impeachment to try to overturn the 2016 election.

Knowing that you’re ready, willing and eager to expose the truth, I’ve attached your 2020 David Horowitz Freedom Center membership card to the top of my letter.

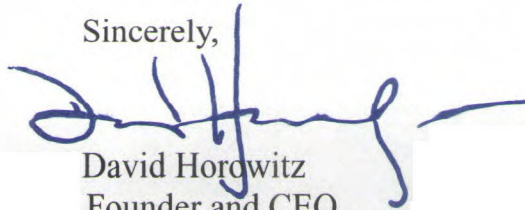

Please sign the attached 2020 Membership Card Confirmation and return it to my office

as soon as possible. And when you do, please include your membership renewal contribution of \$20, \$15, or at least \$10 in the pre-addressed envelope I've enclosed.

we are fighting to protect a nation unlike any in history. Our work to expose the hate-America Left is more important now than ever. I cannot thank you enough for your dedication to our mission. I look forward to working side by side in the year ahead!

Sincerely,
