FREEDOM CENTER CHARTER MEMBER
SINCE 2013

Dear _____,

You must read John Perazzo's startling new booklet – *Crashing the Border* – because you can bet there'll be a new border crisis any day now, and you need to be armed with the truth.

You know what I'm talking about: the media will scream about kids in "concentration camps," heartless immigration officials and, of course, Donald Trump.

Believe me, these so-called crises are manufactured – bought and paid for by the Left to undermine American sovereignty and demoralize the American public.

As a loyal Freedom Center Member, you may remember that in my misguided youth, I was a disciple of the radical leftist Saul Alinsky ... just like Bernie Sanders and Barack Obama. (The difference is, I grew up. They did not!)

So I know the Alinskyite technique called the "Cloward-Piven strategy" – named after socialists who proposed in 1966 to break the back of the government by *doubling* the welfare rolls. Their goal was to push America into an economic collapse that would result in vast income redistribution and the fall of capitalism.

Today, the Left, including members of Congress, is applying the Cloward-Piven strategy to the immigration issue. Let me show you exactly how they're doing this.

First, they create a crisis by obstructing the wall and attacking ICE and Border Patrol agents. Next, they support caravans of illegal aliens marching through Mexico and sneaking into the U.S. Finally, they clamor that detention centers are "concentration camps" and demand the release of all detainees into our cities and towns.

Their plan is simply this: overwhelm our borders with so many illegal aliens and refugees that a weakened America has no choice but to accept the eradication of our borders and our sovereignty!

Your Freedom Center is committed to exposing these outrageous anti-American activities. But we urgently need your financial support – a contribution of \$10 or more – to

(over, please)

help us distribute a million copies of *Crashing the Border* to the American people and to key lawmakers and opinion leaders.

Thankfully, you and I have a president in the White House who is bold in defense of U.S. sovereignty. Donald Trump has done more to secure our borders and stop illegal immigration than any president in my lifetime. But the nonstop attacks by the media and leftist politicians – even some politicians in his own party – put his reforms at risk.

Thanks to your generosity, the Freedom Center works closely with the Trump administration to *Make America Great Again*. Now the president needs our support to fend off Nancy Pelosi and the leftists in Congress who figure the best way to stop him from building a wall is to remove him from office!

I'm proud to say the Freedom Center is President Trump's wingman. Even the uber-liberal *Washington Post* acknowledged our strong bond with the president, writing:

“Since its formation in 1988, the Freedom Center has helped cultivate a generation of political warriors seeking to upend the Washington establishment. These warriors include some of the most powerful and influential figures in the Trump administration ...”

—Washington Post, Robert O’Harrow, Jr., June 13, 2017

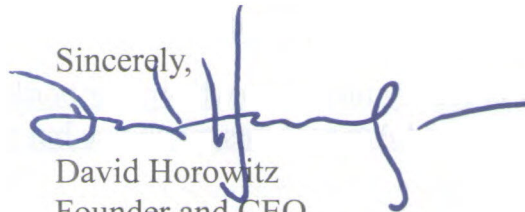

The Freedom Center owes our success to members like you! You stand with us in fights against jihadists, Antifa thugs, Black Lives Matter extremists, and other enemies of patriotic Americans like you and me. *Now President Trump needs you to support the Freedom Center as he faces the biggest challenge of his lifetime.*

Will you send a special gift today to help us expose the Left and mobilize national support to build the wall that every patriotic American knows we need? **For a gift of \$25 or more, I will send you a free copy of *Crashing the Border*.**

Without your continued generosity, President Trump can't get the help he needs from the Freedom Center, and we won't be able to put *Crashing the Border* in the hands of key opinion leaders and lawmakers.

So please rush back your most generous gift today. I wish you a most Happy Thanksgiving!

Sincerely,

P.S. If the Left gets its way, President Trump will be dumped from office ... and America will be overrun by refugees and illegal aliens. Please rush your most generous gift so we can give President Trump the support he needs and put the booklet *Crashing the Border* in the hands of lawmakers and key opinion leaders!
