Jim Crow Democrat
slave masters are
whipping Dr. Ben Carson
into silence over his
Christian faith.

A Gift of Love and Support to Dr. Carson from:

Name: _____

In God We Trust.

This is a nation that proudly puts their trust in the Lord God Almighty. Just like Dr. Carson is trusting in God right now while anti-Christian Democrats are suing him for hosting a Bible Study, and others are mocking him as “Uncle Ben” Carson. DISGUSTING!

All because he refuses to support the slave masters on the Democrat plantation! Sadly, these slave masters are now in charge of the House and are doing everything they can to destroy Dr. Carson and sabotage Trump’s MAGA agenda. That way they can defeat him in 2020!

BUT in order to do that, they need the black vote. You know, the same black Americans they’ve kept in chains on their plantation for years. That’s why your support today is so important.

With your help, and God’s blessing, we’ll peel off enough black votes to re-elect the President in 2020, keep the Senate in Republican hands, and flip the House! Think Waters and Pelosi are unhinged now? Just wait until November 3rd, 2020!

“Liberalism has nearly destroyed Black America. Now it’s time for Black America to return the favor.”

— *Elbert Guillory* —

My Fellow Brother or Sister,

Just throw out this “In God We Trust” booklet and our urgently needed half-dollar if you think it’s OK for Jim Crow Democrat slave masters to...

...sue our conservative brother, Dr. Ben Carson, for holding a Bible study in the White House!

If that brings a smile to your face, then you’re no better than the Godless, race baiting liberals like Nancy Pelosi, Ocasio-Cortez, and Ilhan Omar who are doing everything they can to...

...impeach President Trump or defeat him in 2020!

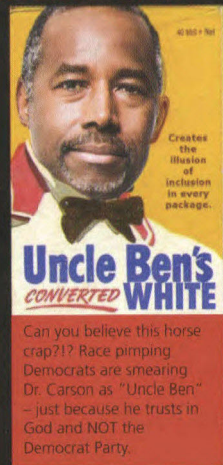

And I certainly won’t tell you how many of these Democrats are trashing Dr. Carson’s good name right now by calling him...

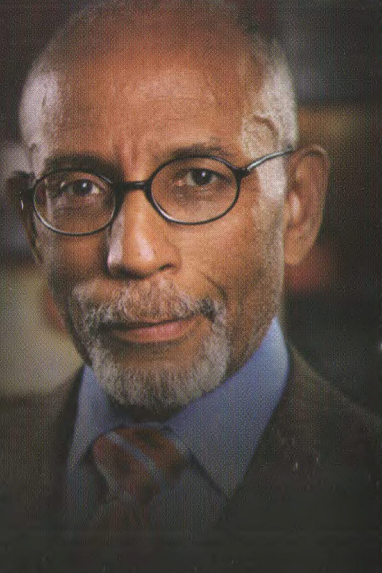

“Uncle Ben” Carson.

DISGUSTING!

These are the same slave masters who called me an...

...“Uncle Tom”, “Uppity Negro”, and “Oreo”.

Just because I abandoned the Democrat Plantation party and urged all my black brothers and sisters to do the same.

BUT...

...if you agree with Dr. Ben Carson, like I do, when he says...

“I will not stop being a Christian while in service to this country.”

...then I'm hoping you'll help fight back right now by...

**Signing and Returning This
“In God We Trust” Booklet as
YOUR Personal Gift To Dr. Carson!**

If you'll do that, I'll make sure he receives your copy ASAP.

That way he knows patriots like you have his back as he fights against the Godless left's current lawsuit.

Trust me, as a fellow black Christian conservative who's been in the left's crosshairs, I can tell you nothing means more than knowing friends like you support us.

And I know you don't have a racist bone in your body.

Despite what fake news and their friends in the Democrat Party say!

Speaking of the Democrat Plantation party, that brings me to why...

Jim Crow Democrat Slave Masters are Whipping Dr. Ben Carson into SILENCE!

When President Trump promised to "Make Christianity Great Again", he meant it.

Because for the past several months, conservative Christians like Dr. Carson have been holding Bible studies in the White House.

AMEN, right?

Not if you're a Godless leftist.

Because recently two leading atheist organizations filed lawsuits against Dr. Carson and HUD (Department of Housing and Urban Development).

Apparently, they just want to make sure no taxpayer money is being used on the Bible study.

I guess these enemies of the Constitution finally found something they don't want to throw money at!

Trust me, I used to be a Democrat and I can tell you this is right out of their thug playbook. Thankfully, Dr. Carson refused to back down from their threats. Instead, he doubled down and said:

"I refuse to be intimidated by anti-religious groups relinquishing my spirituality or religious beliefs...I will not stop being a Christian while in service to this country..."

Amen again! But let me be very clear about something. This isn't just about attacking the Constitution or Christianity.

This is the left's plan to...

DESTORY

**A Successful, Black, Christian
Conservative Like Dr. Carson!**

Think about it.

The leftists attacking him today are the same type of Democrats that smeared Dr. Carson when he ran for President, calling him an...

"Uncle Tom", and a "Race Traitor".

GQ Magazine even printed an article called...

"F*** Ben Carson".

Typical leftist character assassination!

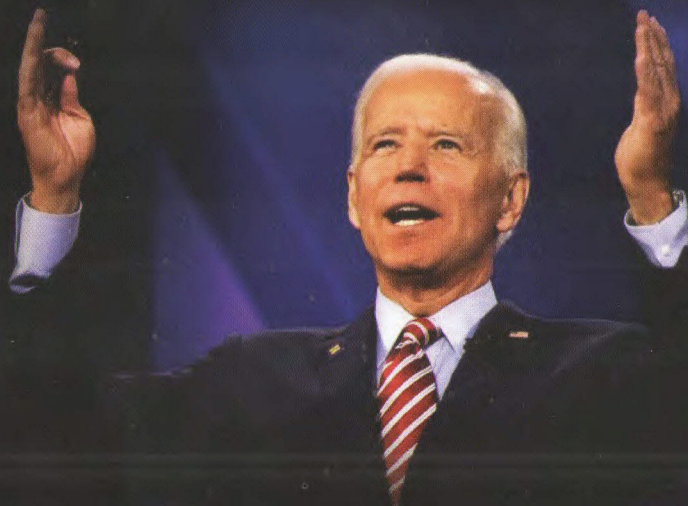

But you know why they really do it?

Because there's only one thing racist Democrats fear more than God fearing Christian conservatives like you...

**...Black Christian conservatives
like me and Dr. Carson.**

RACIST DEMOCRAT

**SLAVE MASTERS KNOW DR. CARSON'S LIFE
DESTROYS THE LIBERAL LIE THAT BLACKS CAN'T
SUCCEED WITHOUT THE DEMOCRAT PARTY!**

And the lie that conservatives like you are racists.

Believe me, as a black conservative and former Democrat, I can tell you the true home of racism is the Democrat Party.

Despite their best efforts to smear you as a “bigot”, “white nationalist”, or other disgusting lie.

Today you have the opportunity to throw their lies right back at them and show your support to Dr. Carson.

That's why I'm praying you will...

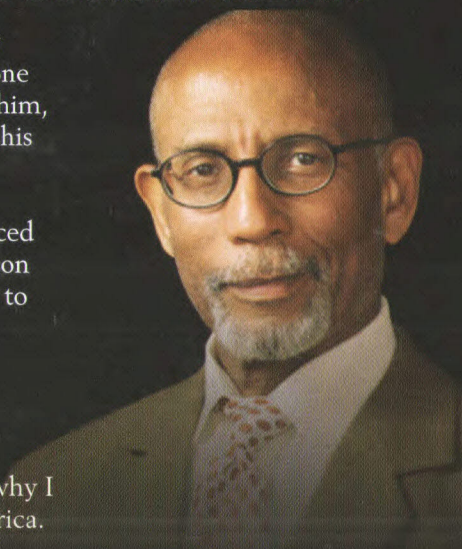

HELP DR. CARSON FIGHT BACK BY SIGNING AND RETURNING THIS BOOKLET TODAY!

As a Christian, fellow black conservative, and someone who's been attacked just like him, I can tell you nothing will lift his spirits like your signed plea.

As someone who's faced attacks just like what Dr. Carson is facing, I know what it's like to suffer persecution.

And I know how important your prayers are.

Which brings me to why I started Elbert Guillory's America.

THERE'S NO NAME THE DEMOCRATS FEAR MORE THAN ELBERT GUILLORY

Not since I joined the Navy in 1964 have I felt such a great calling to serve my country.

I joined the Navy because radicals were trying to spread Communism throughout the world and I wanted to stop them.

And at the same time, I joined to stand up against the injustices of Jim Crow laws here at home. Wearing that uniform I felt no one could tell me I had to sit in the back of the bus.

Or arrest me for reading books in the public library.

In both cases leftist radicals threatened freedom.
And five decades later the same...

**LIBERAL POLICES ARE
DESTROYING AMERICA AND
ENSLAVING MY
BLACK BROTHERS
AND SISTERS**

I've seen firsthand what Democrats like Pelosi, Maxine Waters, and Sharpton have done to the black community, and now I'm going to do everything I can to stop them and open my brothers and sister's eyes.

Please understand, I didn't make this decision lightly. I know my family and I will be in the Democrats' crosshairs.

In fact, racist leftists and their friends in the media have already targeted me just like they're targeting Dr. Carson by smearing me as an "Uncle Tom", "Race Traitor" and "Uppity Negro."

Just like they did when I made national headlines in 2013 after I abandoned the Democrat Party and became a Republican State Senator.

Maybe you were one of the six million Americans who saw my video "Why I Am a Republican"?

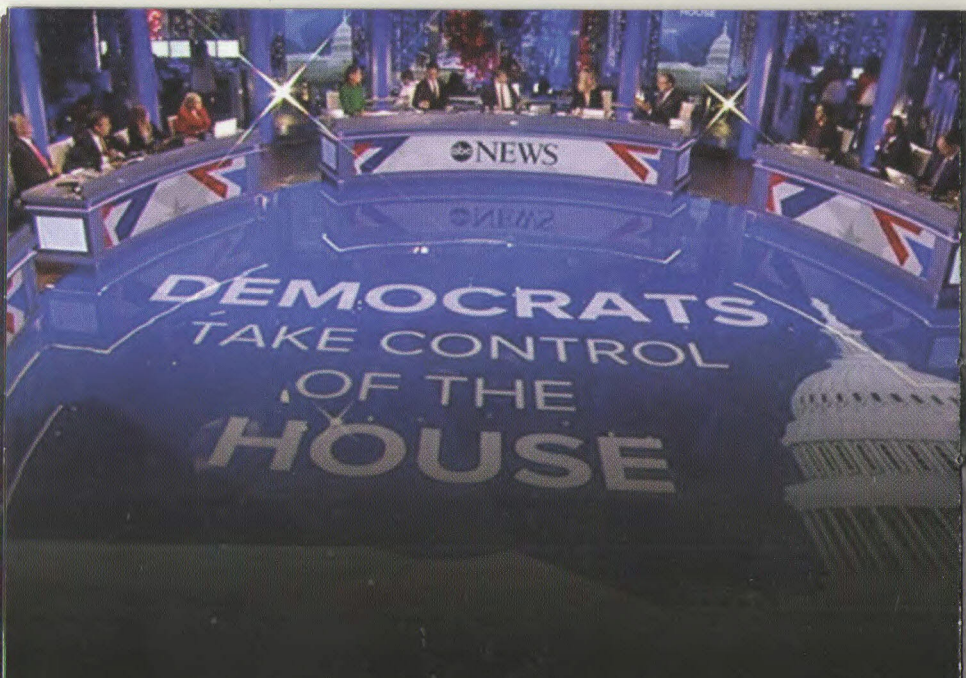

If so, you saw how I condemned the Democrats for destroying America and the black community. That was damning enough to liberals like Pelosi, Ocasio-Cortez and Omar.

But what really got these slave masters up in arms was when I urged each and every one of my black brothers and sisters to follow my lead and...

**..."ABANDON THE
GOVERNMENT PLANTATION
AND PARTY OF
DISAPPOINTMENT."**

Just like I'm doing today.

Those eight words strike fear into the heart of every race-baiting Democrat. After all, you and I know Democrats don't care about freedom, the Constitution or liberty.

And they definitely don't care about my black brothers and sisters.

Democrats only care about one thing: **Control.**

Like how they controlled black slaves for centuries.

How they still control blacks in the Democrat Plantation Party for their votes today.

And how they're trying to control when black conservatives like Dr. Carson pray! Which is why I'm praying you'll do two things right now to stop racist Democrats:

- 1.) Sign and return this special **In God We Trust** booklet to Ben Carson so I can deliver it to the Good Doctor as your gift of support.
- 2.) Return the half-dollar I sent you along with a generous gift in any amount.

**YOUR GIFT WILL HELP RE-ELECT
PRESIDENT TRUMP, AND ELECT
BLACK CONSERVATIVE
CANDIDATES LIKE**

**FLOYD MCLENDON,
JOHN JAMES, AND
WESLEY HUNT!**

It's bad enough that the race pimps in the House are doing everything they can to impeach President Trump, but now the Democrat-Machine is flooding money into races across the country to make sure they flip the Senate and increase their hold on the House!

If you and I are going to stop them, we need to start reaching out to black voters in the inner cities right now.

That way we can peel off enough of the black vote to make sure that Trump stays in the White House, the Senate stays in Republican hands, and the House flips back!

Even better, you'll help make sure we can help elect black candidates like Wesley Hunt and Floyd Mclendon!

HUNT

Wesley Hunt is a no-nonsense black conservative candidate, West Point graduate, and Army Apache pilot who is running to flip the critically important TX-7 district.

Then there's Floyd McLendon – a black conservative and retired Navy SEAL who fought in some of the most God-forsaken war zones on the planet.

Now this American hero is fighting to flip the TX-32 district!

Last but not least is another American hero named John James.

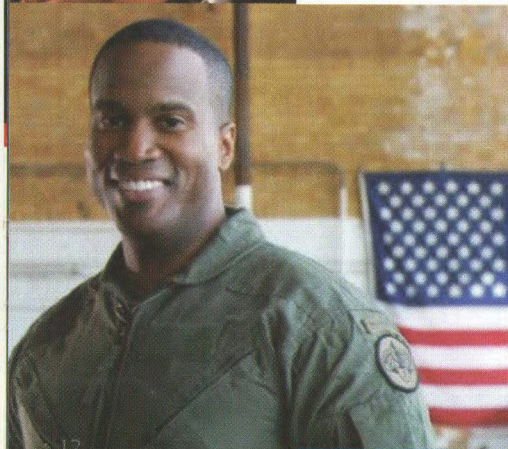

I'm sure you remember this patriot as the man who shocked Democrats in 2018 when he nearly defeated incumbent Senator Debbie Stabenow (D-MI).

Let me be clearer...

John waged a scorched-earth campaign and closed a 20-point gap in the last week of the election!

MCLENDON

JAMES

Now this hero is running again against Democrat incumbent Gary Peters. And he already has Democrats terrified!

That's because two new polls (from leftist groups) just showed that John is statistically tied with Peters! That's HUGE!

Now Democrats are panicking and throwing even more money to try and make sure they hang on to his Senate seat!

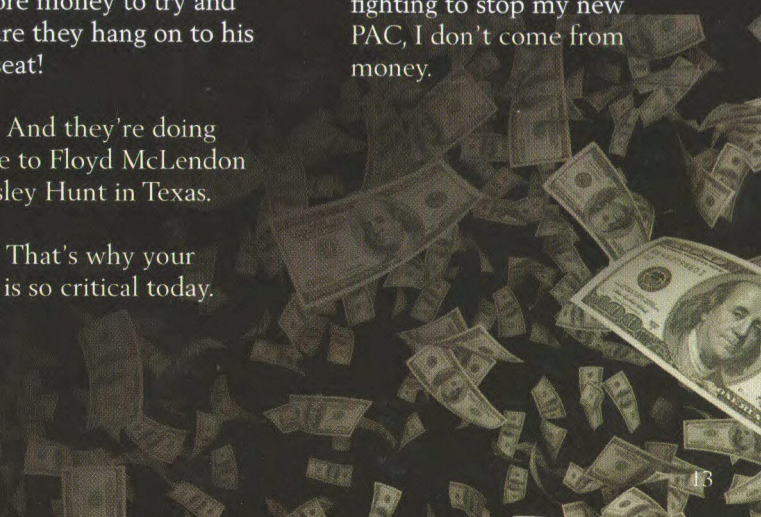

And they're doing the same to Floyd McLendon and Wesley Hunt in Texas.

That's why your support is so critical today.

I'm ready to fight for our conservative values and to reach out to invite my black brothers and sisters to follow my lead and abandon the Democrat Party once and for all.

But I simply can't do this without your financial support.

Unlike Democrats in Washington who are fighting to stop my new PAC, I don't come from money.

My father was an entrepreneur and my mother worked as a teacher. I have devoted much my life to public service in the Navy, and serving people of Louisiana as a State Senator in the 24th District.

That's why I'm praying you'll rush back your signed booklet along with a donation of \$1,000, \$500, \$250, or even \$5,000 - the maximum allowed by law per year for an individual.

If you'll send that, Elbert Guillory's America will create more hard-hitting videos and ads supporting these heroes.

Won't that just make Pelosi's head EXPLODE?

A gift of \$100 will help produce online ads targeting African Americans and other minority voters in critical, 2020 states and districts who are trapped on the Democrat's plantation. Ads just like my "Why I Am a Republican" video.

But even a smaller gift of \$75, \$50, or even \$35 can have a major impact by allowing us to create more online videos geared towards supporting Capt. Hunt, Floyd McLendon, John James, and other conservatives.

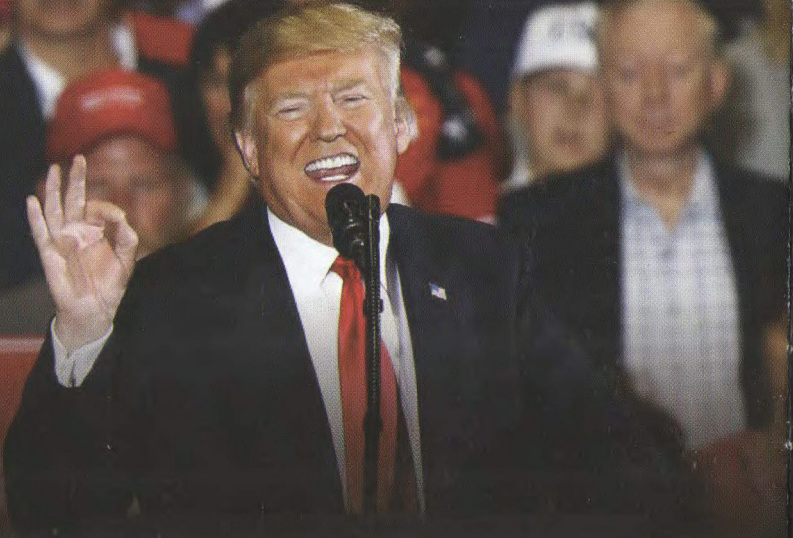

But no matter what amount you can send, whether \$5,000, \$1,000, \$500, \$250, \$100, \$50, or \$35, I pray you'll send it today along with this signed booklet so I can deliver it as YOUR gift to Dr. Carson.

A close-up photograph of two African American women. The woman on the left is shouting with her mouth wide open, looking upwards and to the right. The woman on the right is also shouting, with her mouth open and her right hand raised, pointing her index finger upwards. Both women have intense, determined expressions. The background is dark and out of focus.

Remember...racist Democrats like Nancy Pelosi, Ocasio-Cortez, and Ilhan Omar will do anything to stop black conservatives like Dr. Carson.

Even if that means calling them...

"Uncle Ben Carson"!

Please...Democrats have already taken back the House, and now they're targeting Trump to defeat him in 2020.

Your support will help make sure that never happens.

Think Waters and Pelosi are unhinged now? Just wait until November 3rd, 2020!

God bless you and welcome to the Guillory family.

Support Letter to Dr. Ben Carson

Dr. Carson,

My friend and fellow patriot, Senator Elbert Guillory, recently made me aware of the fact that anti-Christian atheists are suing you and HUD (Housing and Urban Development) because you happen to take part in White House Bible studies. These leftist radicals have no right infringing on your God-given, and Constitutionally protected, right to religious freedom.

I want you to know I'm praying for you, and support your efforts 100%. Thank you for serving in the Trump Administration and for everything you do help "Make America (and Christianity) Great Again"!

God bless you.

In 2013 I abandoned the "government plantation and the party of disappointment." Now I'm the Democrats worst nightmare.

WALL STREET JOURNAL

"Republicans regularly complain that Democrats take the black vote for granted, and right so, but seldom have I seen this argument made as cogently and eloquently as Mr. Guillory makes it."

Dear Elbert,

You and Dr. Carson are right! First the Democrat slave masters want to control all our black brothers and sisters with slavery. Then they want to control their votes, and now they want to control when and where conservative blacks like Dr. Ben Carson are allowed to pray! Typical race baiting, Godless, Democrat pimps!

Since I know Dr. Carson is under attack, I'm rushing back my signed In God We Trust booklet as my personal gift to the Good Doctor to let him know I'm praying for him. Please make sure he gets my copy ASAP.

I also want to help Elbert Guillory's America re-elect President Trump, and send more black conservatives like John James, Floyd McLendon, and Wesley Hunt to Congress by reaching black voters in critical 2020 battleground states. Please use my gift to reach them today!
