My Fellow Brother or Sister,

There's only one thing Democrats fear more than an outspoken Black conservative voter like me...

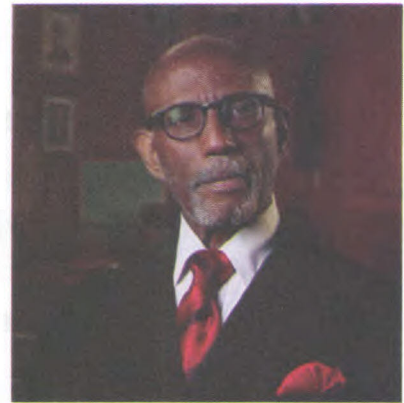

A no-nonsense Black conservative *candidate*, West Point graduate, and Army Apache pilot who isn't afraid to expose the left's lies and urge ALL Black voters to abandon the Democrat Plantation.

That man is Capt. Wesley Hunt. – a rising SUPERSTAR and American hero.

Will You Be One of the First Patriots to Endorse Capt. Wesley Hunt for Congress (TX-7)?

Right now Wesley is flying under the Republican's radar (but the Dems have definitely taken notice!).

But trust me, it's only a matter of time before conservative titans like Rush Limbaugh, Sean Hannity, and President Trump throw their support behind this American hero. That's why I want to make sure

Democrats are TERRIFIED of Capt. Wesley Hunt and they damn well should be!

"When I flew Apaches over Iraq, I was guided by three words: duty, honor, country...We live in the greatest nation in the world and it is time for our leaders in Washington to act like it."

-Capt. Wesley Hunt

you have one of the first chances to personally let Capt. Hunt know you stand shoulder to shoulder with him.

Take my word for it, he'll need your support.

I know for a fact because when I abandoned the Democrat Plantation Party and ran as a Republican candidate, Jim Crow leftists smeared me as an...

"Uncle Tom", "Oreo" and "Race Traitor".

Now that Wesley Hunt is a rising superstar in the Republican Party and is running in a Texas swing District the Democrats desperately need to hold on to, you can bet they'll tear him down just like they did to me.

So you better believe he needs to know that patriots like you have his back! You can make sure he knows that right now by signing your endorsement.

With your support— and God's blessing — Capt. Wesley Hunt will frustrate the hell out of the Democrats by flipping this critically important Texas-7 district and help Republicans and President Trump take back the House!

**Democrats Are TERRIFIED of Capt. Wesley Hunt
and Will Do Anything to STOP Him!**

Like I just told you, Democrats have already taken notice of Capt. Hunt and are terrified!

Capt. Wesley Hunt is the Democrats worst nightmare, and now that he's launched his campaign to flip Texas-7, you better believe Jim Crow leftists are going to hit him with every racial slur under the sun! Will you be one of the first to endorse Capt. Hunt and let him know you have his back?

And they have good reason to be!

After all, Capt. Wesley Hunt is an outspoken Black conservative, West Point graduate, and Army combat veteran who flew Apache helicopters.

That's right – Apache helicopters! That's scary enough for the modern day Jim Crow Democrats. But what terrifies them the most is the fact that...

Wesley Hunt's Life DESTROYS the Left's #1 Lie: The Lie That Blacks Can't Succeed Without the Democrat Party!

That's the most important lie Democrats use to keep Black, and other minority voters, chained to the Democrat Plantation.

And it's no different in the Texas-7 district where Capt. Hunt is now running.

After all, minority voters make up over 50% of the voters in this district, and Democrats MUST make sure a majority of them vote for their candidate.

Just like they did in 2018 when they flipped this longtime Republican stronghold.

They may have won that battle, but with Capt. Wesley Hunt now on the ticket, we're going to win the war and flip back this critically important Texas-7 district!

"When I flew Apaches over Iraq, I was guided by three words: duty, honor, country. The men and women that I served with didn't focus on things that divided us, but were bonded together by a shared mission that was larger than ourselves... We need more of this spirit in Washington and that is why I am running for Congress."

Just imagine what's going to happen when Capt. Hunt – a Black man who never needed one cotton-pickin' thing from the Democrat Party – reaches out to minority voters in this district and shares his life story and conservative message...

He's going to DESTROY the Democrats lie once and for all!

**“Wesley Hunt knows what it takes
to get the job done...”**

-House Minority Leader Kevin McCarthy

Meaning...

The Democrats will lose the Texas-7 seat they flipped in 2018.

Which, by the way, was one of the house seats that flipped control of the House to Nancy Pelosi and the Democrats!

AND...

They'll lose MORE minority votes they desperately need if they're ever going to flip Texas blue.

Not on Capt. Hunt's watch. Not ever.

But like I told you before, the Democrats won't give up this district without a BIG fight.

And you better believe they're already raising thousands and thousands of dollars to make sure they can smear Capt. Wesley Hunt.

Just like they smeared me when I abandoned the Democrat

Plantation and Party of disappointment. That's why I'm hoping you'll do two things right now:

1.) Will You Be One of the First Patriots to Endorse Capt. Wesley Hunt for Congress?

As soon as you sign your endorsement, I'll make sure yours – and many more – make it to this American hero so he knows you have his back in this fight!

Remember, you have an exclusive opportunity right now to endorse this rising superstar before conservative titans like Rush, Hannity, and President Trump throw their support behind him.

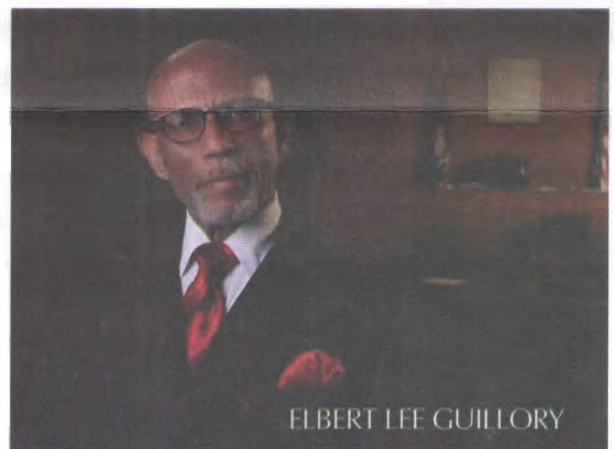

And that could happen at any moment!

2.) Will Your Send Your Gift in Any Amount to Support Capt. Wesley Hunt and Other Conservative Candidates?

My name is Elbert Lee Guillory and I'm a conservative, Trump-supporter, Black American, Wesley Hunt supporter, and founder of Elbert Guillory's America.

Maybe you were one of the six million Americans who saw my video "Why I Am a Republican?"

If so, you saw how I condemned the Democrats' for destroying America and the black community.

That was damning enough to leftists like Maxine Waters and Nancy Pelosi, but what really got these slave masters up in arms was when I urged each and every one of my black brothers and sisters to

follow my lead and...

..."Abandon the Government Plantation and Party of Disappointment."

Just like Capt. Wesley Hunt is doing today in the 7th congressional district! And you can bet the Democrats WILL hit him back hard! Heck, they're already raising thousands of dollars to try and smear his impeccable record.

That means our good friend Wesley will need to be ready to fight back. But since he's spent his life serving our great country, he doesn't have a war chest of funds like his opponent who can count on the Democrat-Machine to flood her campaign with endless cash.

That means you and I need to do everything we can to fight for this American hero.

That's why I'm praying you'll rush back your signed endorsement along with a donation of \$1,000, \$500, \$250, or even \$5,000 - the maximum allowed by law per year for an individual.

If you'll do that, Elbert Guillory's America can create more hard-hitting videos and ads supporting Capt. Hunt.

Even better, we plan on creating billboards much like this one

below that we can place in strategic areas all over the Texas-7 district.

A gift of \$100 will help produce online ads targeting African Americans and other minority voters in the Texas-7 district, and other areas across the country, who are trapped on the Democrat's plantation. Ads just like my "Why I Am a Republican?" video.

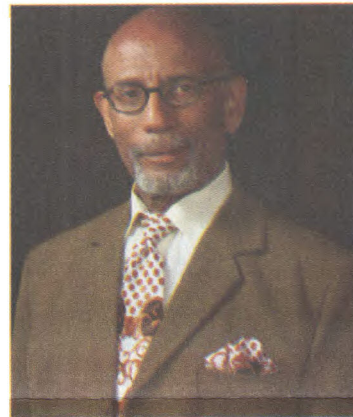

But even a smaller gift of \$75, \$50, or even \$35 can have a major impact by allowing us to create more online videos geared towards supporting Capt. Hunt – and other conservatives.

But no matter what amount you can send, whether \$5,000, \$1,000, \$500, \$250, \$100, \$50, or \$35, I pray you'll send it today along with your signed endorsement so Wesley knows you have his back in this fight.

God bless you and welcome to the Guillory family.

Senator Elbert Guillory

P.S. – Capt. Wesley Hunt absolutely TERRIFIES Democrats...and for good reason! This rising conservative superstar destroys the Democrats #1 lie: the lie that Black Americans need the Democrat party to succeed. Now he's exposing this lie to our Black brothers and sisters urging them to abandon the Democrat Plantation Party once and for all!

More specifically, Capt. Hunt is fighting to flip the critical Texas-7 district that Democrats took back in 2018. Which, by the way, was

one of the districts the Democrats flipped in 2018 that helped put Nancy Pelosi back in control of the House!

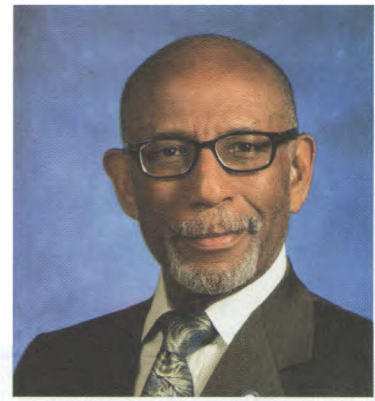

And trust me...Democrats will do **ANYTHING** to **STOP** him!

That's why I'm hoping you'll be one of the first to endorse this American hero so he knows you have his back in this fight as Democrats try to smear his spotless reputation!

And when you do, I hope you'll also rush back your gift in any amount to help make sure Elbert Guillory's America has the funds we need to defend Capt. Wesley Hunt, and other conservative candidates.

Thank you, God bless, and welcome to my family.

Capt. Wesley Hunt is the Democrats worst nightmare. Will you join me in endorsing him today?

Dear Elbert,

God bless Capt. Wesley Hunt!

Of course I'll be one of the first to endorse this rising superstar and American hero! Please make sure my signed endorsement makes it into his hands so he knows I have his back in this fight.

I understand that the Democrats are TERRIFIED of Capt. Hunt and will do and say ANYTHING to shut him up. And since Wesley has spent his whole life defending our country, I know he doesn't have a war chest of funds needed to fight back like the Democrats do.

That's why, along with my signed endorsement, I'm also rushing back my urgent gift to help Elbert Guillory's America defend him by creating videos, ads, and even billboards that will go in the critical Texas-7 district he is fighting to flip. On top of that, your gift will help defend other conservative candidates and reach out to my Black brothers and sisters. Please accept my gift in the amount of:

- \$5,000
- \$1,000
- \$500
- \$250
- \$100
- \$75
- \$50
- \$35
- \$_____ My Best Gift

"I've Got Your Back"

Personal Endorsement to Capt. Wesley Hunt

Capt. Hunt,

Senator Elbert Guillory of Elbert Guillory's America just informed me that you are running to take back the critical Texas-7 Congressional District. He also made me aware of the fact that you are an American hero and rising superstar in the Republican Party.

That's why I want to be one of the first patriots to personally endorse you and let you know I have your back in this fight. God bless you for exposing the left's lies, and for your efforts to reach black voters with the conservative message. God bless and Godspeed!
