To List Your Name on "America's Longest Ad"

INSTRUCTIONS: Please sign your name below to give FAITH & FREEDOM your permission to list your name publicly on this "Open Letter" to President Trump on our website, in published book form, and in the form of "America's Longest Newspaper Ad."

If we succeed in collecting 10 MILLION signers of this ad, this will send a powerful message to the "fake news" media and unhinged radical Democrats that the overwhelming majority of Americans are standing strong with **President Trump** and want the Democrat witch hunts to stop now. We will also deliver a copy of this "America's Longest Ad" – we hope with 10 MILLION signers to **President Trump** at a White House ceremony. We expect this event to get enormous media coverage. So please sign below.

An Open Letter of Thanks to President Trump From 10 MILLION Americans for Standing Strong Against the COUP and Fighting to Save America

Dear President Trump,

Thank you for standing strong against the unhinged radical Democrats, **Barack Obama's** corrupt "Deep State," and the dishonest "fake news" media – which have all worked relentlessly since before you were even sworn in as President to take you down and undo the results of the 2016 Election.

Barack Obama's FBI Director **James Comey**, CIA Director **John Brennan**, and NSA Director **James Clapper**, now all admit they used our national security state's awesome spying powers against you. They did this for the purpose of digging up dirt on you, leaking it to the media, and tipping the 2016 Election to **Hillary Clinton**.

They invented the phony story that you were somehow an agent of Russia to justify opening up a counterintelligence investigation against you. The central piece of evidence they used was a document known as the "Steele Dossier" – which turned out to be opposition research produced by Hillary's campaign, the contents of which the Mueller investigation proved was fiction.

They called this operation CROSSFIRE HURRICANE – which tells you exactly what they were trying to do. After you won the election to their shock, they continued this operation in an attempted COUP against you, our duly-elected President, by manufacturing a Special Counsel investigation on their way out the door, which lasted two years and cost taxpayers \$35 MILLION – an investigation built on fabricated evidence.

My hope is that your **Attorney General William Barr** will hold those who orchestrated this treasonous COUP attempt against you fully accountable. This was the real attack on America's elections.

But Democrats in Congress continue to try to overturn the results of the 2016 Election by continuing their investigations, hoping they will find something. Fourteen different Democrat-led House committees are conducting fishing expeditions against you, issuing hundreds more subpoenas.

They seem to have no interest in doing the business of the country. Instead, they are focused on taking you down because they are so angry you won the 2016 Election against the corrupt **Obama "Deep State."** They thought they had rigged the election for Hillary.

You did not need this job of President. You could have lived a very comfortable life as a multi-billionaire. But you saw the country was heading down a very dangerous path under **Barack Obama** and the Left. If Hillary had won, our country would have been over. So you risked everything to run for President and to save the America you love.

Thank you for your courage for standing strong against this all-out assault on America's Constitutional Republic by the Obama "Deep State," the dishonest "fake news" media, and the radical Democrats.

I am praying for the safety of you and your family as we speed toward the all-important **2020 Elections** and as you continue to fight to save the America we love from being destroyed forever by the radical, unhinged Left.

Will You Sign Your Name on the Enclosed **America's Longest Ever Published Ad?** This is an "Open Letter" to America Saying You Stand with President Trump!

The 2020 Project
To DEFEAT the Radical Left's Fanatical Crusade
to Destroy President Trump and Destroy America

Dear American Patriot,

I am writing to ask you to please take the following three very important ACTION STEPS right now, before you put my letter aside and go onto something else.

ACTION STEP #1: Please sign and return the enclosed PERMISSION FORM to give me your permission to list your name on "**America's Longest Published Ad**" – which is an "**Open Letter**" to America that declares you SUPPORT PRESIDENT TRUMP and his "**Make America Great Again**" agenda against the radical Left's fanatical crusade to destroy America.

OUR GOAL: To have 10,000,000 or more Americans sign this ad.

With your permission, we will list your name as a signer of this "**Open Letter of Thanks**" to President Trump on our website, in published book form, and in the form of "**America's Longest Ever Newspaper Ad.**"

As you know, **President Trump** has been under siege from the Democrat Party, the dishonest "fake news" media, and the Obama Administration since even before he was sworn into office.

In fact, the Obama Administration launched an FBI investigation of candidate Trump in 2016 on the basis of completely fabricated evidence in an effort to tip the results of the 2016 Election to **Hillary Clinton** . . .

. . . and then, when that failed, holdovers from the Obama Administration managed to launch a Special Counsel investigation in an effort to overthrow our duly-elected President in an attempted COUP D'ETAT.

This is really incredible what they've done. Thank God **President Trump** has the strength to survive this onslaught by the Democrats and the Left. Surely, this would have destroyed almost anyone else.

When President Trump sees 10 MILLION signers of this ad, I know this will really lift his spirits and

(Over, please)

boost his morale as we speed toward the all-important 2020 Elections.

But another reason we've launched this "**America's Longest Ad**" project is we know most Americans support what President Trump is trying to do for America, but are afraid to say so publicly.

They are worried they will be attacked, possibly fired from their job, and targeted by the Left.

But there is strength in numbers. When people see that millions of their fellow Americans are willing to take a public stand in support of President Trump and all he's trying to do for America, this gives others the courage to climb on board the Trump Train, and to tell their friends and neighbors why they support Trump.

An ad like this, with 10 MILLION signers, also sends a powerful message to the dishonest "fake news" media and radical Democrats that most Americans support President Trump and his "**Make America Great Again**" agenda.

We will also report regularly to President Trump on our progress toward collecting 10 MILLION signers of this "**Open Letter**" of appreciation and support.

Then, once we've reached our goal of collecting 10 MILLION signers, we will deliver this "**Open Letter**" to President Trump, with all names listed – we hope at a White House ceremony. This will really send a great message to the "fake news" media, cause the Left to go even more insane, and show millions more Americans that it's okay to express their public support for President Trump.

ACTION STEP #2: Please take a few minutes to complete and return the enclosed **National Survey of 10,000,000 American Voters concerning . . .**

- 1) The Obama Administration's attempt to tip the election to Hillary Clinton and then overthrow our duly-elected President in an attempted COUP;
- 2) The Democrat Party's radical Left turn; and
- 3) Your assessment of Donald Trump's performance as President so far.

In the next few weeks, we will deliver a report on the results of this survey to . . .

- **President Donald Trump** and his top advisors;
- Members of Congress (House and Senate);
- Governors along with state lawmakers; and
- The news media.

With the all-important 2020 Election year now in full swing, you can be sure the results of an enormous survey like this will be studied carefully by America's elected officials and will receive wide media attention.

ACTION STEP #3: Please use the special pre-addressed reply envelope I've enclosed to rush FAITH & FREEDOM the very best gift of support you can to help fund the \$42.7 MILLION Battle Plan we have launched for these all-important 2020 Elections.

But before I outline for you our plans for the 2020 Elections in more detail, let me introduce myself.

My name is Dr. Ralph Reed. I am the founder and Chairman of FAITH & FREEDOM COALITION.

With more than 2,100,000 members and supporters, FAITH & FREEDOM (founded in 2009) has become by far America's largest and most effective organization educating and mobilizing America's conservative Christians for effective political and civic action.

There's a reason **President Trump** made the decision to speak at six of FAITH & FREEDOM's Annual "**Road to Majority**" Conferences (six out of the past seven years). It's because he knows the impact FAITH & FREEDOM makes in elections. In fact, I'll just quote what **President Trump** said here:

"And Ralph, I want to congratulate you . . . In just a few years, you turned a small

(Next page, please)

organization into a nationwide beautiful movement. It's true – so true. And what you've achieved is extraordinary. I've spoken to this group so often. I'll be back. One year ago, most recently, I came here to ask for your support, your help and your prayers. And wow, did you deliver! You really did. Last year, you knocked on 1.2 million doors in the key battleground states. Remember, we focused. We focused on those states. You sent 22 million pieces of mail, shared 16 million videos, and made 10 million phone calls. That's something! I am honored by your incredible support and grateful for your commitment to our shared cause. Thank you for all that you do. Thank you very much."

As I'm sure you know, 2020 truly is an election like no other in our nation's history.

But first let me briefly outline how close we came to losing our Constitutional Republic the last time the Left held the Presidency, when Barack Hussein Obama was President.

The Obama Administration's Attempt to Overturn the 2016 Election in an Attempted COUP D'ETAT

In 2016, President Obama's FBI and Department of Justice used an opposition research document provided to them by the **Hillary Clinton** campaign as justification to launch a secret counterintelligence investigation against then-candidate **Donald Trump**.

The purpose appears to have been to use America's national security agencies (FBI, CIA, NSA, and DOJ) to dig up dirt on candidate Trump and then leak it to the media in order to tip the 2016 Election to Hillary Clinton.

Team Obama called this operation CROSSFIRE HURRICANE. When **Donald Trump** won the election, Obama holdovers managed to launch an Independent Counsel investigation against President Trump that lasted two years.

The Mueller Investigation (triggered by Obama holdovers in the early days of the Trump Presidency) was staffed almost entirely by Democrat lawyers, including the chief counsel to the Clinton Foundation and seven prosecutors who had contributed money to Hillary Clinton's campaign.

They issued 2,800 subpoenas and 500 search warrants, interviewed 500 witnesses under oath, spent \$35 MILLION over two years, and conducted military-style raids on the homes of peaceful citizens at 3 a.m., but found nothing on **Donald Trump**, not even so much as an unpaid parking ticket.

Yet Democrats aren't satisfied. Democrat-led House committees have launched 18 new investigations into President Trump and issued hundreds more subpoenas in a fanatical quest to find something, anything, they can pin on President Trump.

If the radical Left manages to regain control of the Presidency and our government, they will certainly use the FBI, CIA, IRS, and all powers of government again to target and destroy all political opposition so that America becomes a corrupt one-party socialist state, like Venezuela.

Today's Democrat Party is no longer the party of JFK – who was religious and deeply patriotic.

Today's Democrat leaders are radical Left. They despise Christians, or anyone who believes in the traditional moral values that made America great. Often, they seem to despise America.

Democrats Are Now the Party of Killing Healthy Babies After They Are Born

In perhaps the most shocking vote of our lifetime, every single Democrat in the U.S. Senate, except three, voted to allow the killing of healthy babies after they are born alive by accident in botched abortions.

Virginia Governor **Ralph Northam** even defended killing healthy babies after they are born in an interview on WTOP radio. Here is what he said:

"The infant would be delivered. The infant would be kept comfortable. The infant

(Over, please)

would be resuscitated if that's what the mother and the family desired, and then a discussion would ensue between the physicians and mother."

How sick is this? **Governor Northam** made these comments a few days after the Democrat Governor of New York State **Andrew Cuomo** signed into law legislation that allows abortion up until the moment of birth.

Earlier, **Governor Cuomo** declared in a press conference that pro-life Americans "**have no place**" in New York State. The Chairman of the **National Democrat Party Tom Perez** also announced that pro-life Americans are no longer welcome in the Democrat Party.

Eight states now allow the killing of babies up until birth. This is how radical Democrats are today.

The National Democrat Party is Now Openly Anti-Christian

For example, **Senator Dick Durbin** (D-Illinois) sneeringly confronted **Judge Amy Barrett** about her Catholic faith during her confirmation hearing to become a federal appeals court judge.

Durbin asked her: "**Do you consider yourself an 'Orthodox Catholic'?**"

Senator Durbin's sarcastic tone made it clear he believes Amy Barrett's Catholic faith disqualifies her from being a federal judge. He went on to say her Catholic faith was "of concern."

Senator Dianne Feinstein (D-California) then followed up Durbin's anti-Christian bigotry with her own by telling Amy Barrett: "**The dogma lives loudly within you.**"

Barack Obama openly mocked the Bible and rural America when he said: "**It's not surprising that they get bitter [and] cling to guns or religion or antipathy to people who aren't like them or anti-immigrant or anti-trade sentiment as a way to explain their frustrations.**"

Obama's Justice Department actually sued the **Little Sisters of the Poor** (Catholic nuns) to force them to purchase health insurance that includes coverage for abortion.

And then there were the statements by **Hillary Clinton**. In a speech she delivered at the Women in the World Summit in New York when she was running for President, she said:

"Laws have to be backed up with resources and political will. And deep-seated religious beliefs have to be changed."

In other words, if **Hillary Clinton** had won in 2016, she would now be using the full power of the federal government to try to FORCE Christians to change their Christian moral beliefs.

And if she had won the Presidency in 2016, we would now have two more anti-Christian, anti-freedom radicals on the Supreme Court instead of the two tremendous Supreme Court Justices President Trump appointed – **Justices Neil Gorsuch** and **Brett Kavanaugh**.

And instead of the 150 rock-solid Constitutionals **President Trump** has appointed to America's lower federal courts, all these appointments would have been anti-Christian radicals if Hillary Clinton had won in 2016.

The Democrat Party Wants NO BORDERS for America

The National Democrat Party now openly says it wants OPEN BORDERS for America – which really means NO BORDERS for America.

The U.S. House of Representatives (which Democrats now control) actually voted to allow illegal aliens to vote in our elections!

Leading Democrat Presidential candidates now say they not only oppose putting up any new security barriers along our southern border, they say they want to knock down all the barriers that are there now.

The reason Democrats want no border security whatsoever for America is they want tens of millions of

migrants pouring into our country so they can become voters for socialism.

The Democrat Party Now Openly Says it Wants to Replace Capitalism with Socialism

The Democrats are also now the openly socialist party.

The agenda of today's national Democrat Party is being driven by newly-elected 29 year-old Congresswoman **Alexandria Ocasio-Cortez**, who is a self-described socialist.

She has proposed what she calls her "**Green New Deal**" for America, which calls for the following:

- End airline travel within 10 years (we will take trains to Europe and Asia instead);
- End to fossil fuel use within 10 years (no more cars or factories);
- Rebuild every building in America to meet her "Green New Deal" standards;
- Ban on nuclear power (which is clean energy);
- 70% top income tax rate;
- "Free Health Care" and "Free College" for all; and
- Guaranteed income for all – even for healthy people who are "unwilling" to work.

Presidential candidates **Kamala Harris, Kirsten Gillibrand, Bernie Sanders, Elizabeth Warren, and Cory Booker** have all endorsed Ocasio-Cortez's "**Green New Deal**."

How much will this "Green New Deal" cost?

Well, there's no way to say. But just the "**Free Health Care for All**" (what Democrats are calling "Medicare for All"), "**Free College for All**," and guaranteed basic minimum income for all are estimated to cost \$93 TRILLION over 10 years.

This would require every household in America to pay additional taxes of \$650,000 on average in addition to what you are paying now. Can you pay another \$650,000 in taxes?

Of course, there's no way to calculate what eliminating all air travel, all emissions, and all current large-population power grids would cost the economy – also eliminating all manufacturing and businesses that emit anything. We would have to go back to living in mud huts.

Also, it's unlikely that **China, India**, or any other sensible country would agree to commit national suicide by going along with Ocasio-Cortez's "**Green New Deal**."

Today's Democrat Leaders Are Openly Anti-America

President Obama's former **Attorney General Eric Holder** recently said on MSNBC:

"When I hear these things about let's 'Make America Great Again,' I think to myself, exactly when did you think America was great?"

The Democrat Governor of New York State **Andrew Cuomo** mocked the idea that America was ever great, saying in a speech: "**We're not going to make America great again. It was never that great.**"

The race for who will lead today's Democrat Party is a contest over who can sound the most anti-Christian, anti-God, anti-family, anti-child, and anti-America. This is the mindset of today's Democrat Party.

Now imagine if the radical Left regains control of our government in 2020. If this happens, 2020 could be America's last election.

FAITH & FREEDOM's Impact on the 2016 and 2018 Elections

Before you contribute to any organization, I'm sure you would like to make sure your donations will actually have an impact and make a difference. So let me summarize for you exactly what FAITH &

(Over, please)

FREEDOM achieved in 2016 and then again, for the 2018 mid-term Elections. **First 2016 . . .**

Thanks to the donations we received from hundreds of thousands of Christian patriots in 2016, not only were we able to register 2.5 MILLION brand new conservative Christian voters, we were also able to make **155 million contacts with Christian voters** to make sure they turned out to vote in 2016.

We focused our efforts on the 11 key battleground states and Senate races: **Florida, Pennsylvania, Ohio, Michigan, North Carolina, Wisconsin, Iowa, Georgia, Arizona, Colorado, and Nevada.** Specifically, our team at FAITH & FREEDOM . . .

- **Distributed** 30 MILLION printed educational VOTER GUIDES in mailboxes and 117,000 churches to inform voters on where candidates stood on the issues;
- **Sent** 26 MILLION video ads with customized messages to digital devices of “low propensity” Christian voters who needed the extra push to vote in the 11 key states;
- **Mailed** 22 MILLION pieces of CHRISTIAN VOTER EDUCATION packets to Christian voters, focusing on the key swing states and Senate races;
- **Made** more than 10 MILLION phone calls reminding Christians to vote;
- **Conducted** 1,256,778 personal HOME VISITS to “low-to-mid-propensity” Christian voters in the key states to make sure they voted;
- **Sent** more than 27 MILLION emails and text messages to Christian voters in the key states reminding them to vote; and
- **Registered** 2.5 MILLION brand new Christian voters, mostly in the key swing states that decided the election.

THE RESULT: 40% of all voters in 2016 were self-described conservative Christians – an all-time record. And 81% of these Christian voters cast their vote for **Donald Trump**.

We repeated this program for the 2018 mid-term Elections – again, focusing our Christian voter registration, education, and turnout operations on the key battleground Senate and House races.

As I’m sure you remember, the news media, pundits, and pollsters were all predicting a BIG BLUE TIDAL WAVE in the 2018 mid-term Elections.

But this BIG BLUE TIDAL WAVE ran up against the FAITH & FREEDOM WALL. We managed to turn this BIG BLUE TIDAL WAVE into a PURPLISH RIPPLE – thanks to the steadfast and loyal support we received from so many other faithful Christian patriots.

Instead of losing the Senate (as the media and many polls were predicting), conservatives actually won a net gain of two U.S. Senate seats.

And conservatives won six of what were considered nine battleground Senate races. Conservative candidates defeated four liberal incumbent U.S. Senators (in **Florida, Indiana, Missouri and North Dakota**).

FAITH & FREEDOM had a massive presence in all these battleground Senate race states. Here is exactly what we did:

- 1) **Distributed** 30 MILLION printed VOTER GUIDES to conservative-leaning Christian voters, mostly through our network of 200,000 conservative churches;
- 2) **Delivered** 32 MILLION video ads (tailored to each voter’s state and district) to the email inboxes, computers, and mobile devices of Christian voters in the battleground Senate race states, key governor races, and swing House race districts;
- 3) **Personally** visited the homes of 2,201,258 conservative-leaning Christian families (“lower propensity” voters) in these key states and districts who needed the extra push to vote;
- 4) **Repeatedly** phoned and text messaged 28 MILLION eligible Christian voters we’ve

(Next page, please)

identified on our database in the battleground states and districts who sometimes vote, but often don't vote in mid-term elections. We did everything we could to make sure they voted in this election; and

- 5) **During** the months leading up to Election Day, we mailed more than 38 MILLION voter education letters to conservative-leaning Christian voters to explain what was at stake in the 2018 mid-term Congressional Elections.

But in 2018, I think perhaps what I'm most proud of is what we achieved in **Florida** – where solid conservative **Ron DeSantis** won the governorship by **32,000** votes and **Rick Scott** defeated longtime incumbent Senator **Bill Nelson** by **11,000** votes – out of 8.1 MILLION votes cast in Florida.

FAITH & FREEDOM mobilized an army to knock on more than 500,000 doors to conduct personal HOME VISITS in **Florida** in 2018 – to make sure our people got out there and voted. We focused special attention on those conservative-leaning Christian voters who often do not vote in mid-term elections.

We also distributed 5 MILLION VOTER GUIDES in 5,800 churches in **Florida**, mailed more than 7 MILLION VOTER EDUCATION letters, made more than 3 MILLION phone calls, and sent more than 5 MILLION text messages and emails – all aimed at maximizing conservative Christian voter turnout in **Florida**.

As a result of all this, the conservative Christian vote in **Florida** went from 21% of the vote in 2016 to 30% of the vote in 2018. That's a stunning increase!

In other words, without this effort by FAITH & FREEDOM in **Florida**, both **Ron DeSantis** and **Rick Scott** would have lost their races by a landslide – instead of winning.

In fact, had it not been for our massive Christian VOTER EDUCATION, REGISTRATION, and TURNOUT operations in the battleground Senate races in 2018, conservatives would have been blown out in 2018. And conservatives would also be on their way to getting crushed in 2020.

\$42.7 MILLION Battle Plan for 2020

No other organization on the conservative side can document and prove this track-record of impact I've just detailed for you here.

But now we need the support of every Christian patriot who reads this letter to fund the \$42.7 MILLION Battle Plan we've put in place for the all-important 2020 Election.

Our goal for 2020 is to DOUBLE everything we did in 2016 and again in 2018. But we can't do this without donations from wonderful Christian patriots, like you.

I very much hope and pray you will do what you can to support this effort by using the enclosed reply envelope to rush FAITH & FREEDOM the very best gift of support you can.

Most of FAITH & FREEDOM's supporters are sending gifts in the **\$20 to \$100** range to help fund this **PUSH TO 2020**. Though some of our wonderful benefactors are blessed to be able to send larger gifts of **\$500, \$1,000**, or even more, our other members and supporters are making an equal sacrifice by sending smaller gifts of **\$15**, or even just **\$10**.

Every donation that arrives makes a difference, no matter how large or small your gift – just like every conservative Christian voter we make sure votes in 2020 will make a difference.

You are well aware of what's at stake in 2020. The Left is playing for keeps. They are out to end the America you love. They don't like America much.

Why else would they be for **OPEN BORDERS?** . . . which really means **NO BORDERS** for America.

Please continue to pray for America and for **President Trump**. He is under siege all day every day.

Thank you for reading my letter. May God continue to bless you and your loved ones. And may God

(Over, please)

I will anxiously look to hear back from you by return mail in the next few days. **Please help!**

Sincerely,

Dr. Ralph Reed

Founder and Chairman, FAITH & FREEDOM COALITION

P.S. I very much look forward to seeing **President Trump's** reaction when he sees that 10 MILLION Americans have signed this "**America's Longest Published Ad**" – an "**Open Letter**" to America declaring your public support for President Trump and his "**Make America Great Again**" agenda.

But I need your signed **PERMISSION FORM** so I can list your name on this ad. Please sign and return this form to me today, using the special pre-addressed reply envelope I've enclosed for you.

As you know, **President Trump** has been under siege from the Democrat Party, the dishonest "fake news" media, and the Obama Administration since even before he was sworn into office. In fact, the Obama Administration launched an FBI investigation of candidate Trump in 2016 on the basis of completely fabricated evidence in an effort to tip the results of the 2016 Election to **Hillary Clinton** . . .

. . . and then, when that failed, holdovers from the Obama Administration managed to launch a Special Counsel investigation in an effort to overthrow our duly-elected President in an attempted **COUP**.

Thank God **President Trump** has the strength to survive this onslaught by the Democrats and the Left. I know it will really lift President Trump's spirits to see 10 MILLION signers of this "**Open Letter of Thanks and Support**" ad as we speed toward the 2020 Election.

This "**World's Longest Ad**" signed by 10 MILLION voters will also send a powerful message to the dishonest partisan "fake news" media and radical Democrats who want to discourage President Trump and his supporters, and trick them into believing President Trump is losing support among his supporters. Nothing could be further from the truth. All our polling indicates President Trump's supporters are standing stronger than ever with President Trump.

And please don't forget to complete and return your **2020 Election Survey** – concerning the attempted COUP against our duly-elected President by the Obama Administration and the Democrat Party's radical Left turn.

I know President Trump (along with every politician) will be very interested to see the results of this survey we are now mailing to 10,000,000 registered voters. This survey is also a key part of FAITH & FREEDOM's Christian VOTER REGISTRATION, EDUCATION, and TURNOUT operation for 2020, all aimed at generating a record-smashing turnout of conservative Christian voters in 2020.

In addition, FAITH & FREEDOM is in urgent need of immediate donations to fund the \$42.7 MILLION **Battle Plan** I've described to you here for the all-important 2020 Elections. I'm sure you can see that 2020 is a "**tipping point**" election for America. This is the election that will decide whether America survives as the "land of the free" for your children and grandchildren . . . or is destroyed forever by the radical Left.

You know for a fact that if the radical Left wins control of our government in 2020, they will go back to using the **IRS**, the **FBI**, the **Department of Justice**, and all powers of government to target and destroy anyone who disagrees with their far-Left, anti-Christian, anti-freedom agenda.

This is why it's so important to fund this \$42.7 MILLION Battle Plan we have put in place for 2020 – which is to DOUBLE all we did in 2016. You saw the result: **Donald Trump** won the Presidency. So we are following this same strategy for the 2020 Elections – because this is how we STOP the anti-Christian, radical Left from destroying the America you love.

Saving the America you love for your children and grandchildren will require a united commitment from every Christian patriot. Thank you for answering this emergency call to Christian action today!

Part A: The Obama Administration's Attempt to Overturn the 2016 Election

ISSUE SUMMARY: In 2016, President Obama's FBI and Department of Justice used an opposition research document provided to them by the **Hillary Clinton** campaign as justification to launch a secret counterintelligence investigation against then-candidate **Donald Trump**. The purpose appears to have been to use America's national security agencies (FBI, CIA, NSA, and DOJ) to dig up dirt on candidate Trump and then leak it to the media in order to tip the 2016 Election to Hillary Clinton. Team Obama called this **OPERATION CROSSFIRE HURRICANE**. When **Donald Trump** won the election, Obama holdovers managed to launch an Independent Counsel investigation against President Trump that lasted two years.

QUESTION #1: Do you think President Obama's top people at the FBI, CIA, NSA, and DOJ were misusing the awesome surveillance powers of our national security state to spy on candidate Trump for the purpose of tipping the 2016 Election to Hillary Clinton?

- Yes No No Opinion

QUESTION #2: After Obama's "Deep State" efforts (OPERATION CROSSFIRE HURRICANE) failed to tip the election to Hillary, do you think holdovers in Obama's "Deep State" then tried to overturn the results of the 2016 Election by triggering this two-year Independent Counsel investigation?

- Yes No No Opinion

PLEASE CONTINUE SURVEY INSIDE 

QUESTION #3: Now that this attempted COUP D'ETAT against President Trump by the Obama "Deep State" has been exposed, would you like to see the ringleaders of this COUP attempt (to include perhaps even **Hillary Clinton** and **Barack Obama**) be held fully accountable and brought to justice for this treasonous attack on America's Constitutional system of governance and the rule of law?

- Yes No No Opinion

ISSUE SUMMARY: The Mueller Investigation (triggered by Obama holdovers in the early days of the Trump Presidency) was staffed almost entirely by Democrat lawyers, including the chief counsel to the Clinton Foundation and seven prosecutors who had contributed money to Hillary Clinton's campaign. They issued 2,800 subpoenas and 500 search warrants and spent \$35 MILLION over two years, but found nothing on Donald Trump. Yet Democrats aren't satisfied. Democrat-led House committees continue their investigations in a fanatical quest to find something they can pin on **President Trump**.

QUESTION #4: Do you think these endless investigations Democrats are conducting against President Trump are hurting America?

- Yes No No Opinion

QUESTION #5: If the radical Left wins back control of the Presidency in 2020, do you think they will go back to using the FBI, the IRS, and all powers of government to target and destroy their political opponents?

QUESTION #1: What's your reaction to the Democrat-controlled House of Representatives voting to allow illegal immigrants to vote?

- Total Insanity I'm for allowing illegal immigrants to vote. No Opinion

QUESTION #2: What's your reaction to top Democrat Presidential contenders calling for knocking down all existing barriers along America's southern border?

For example, President Obama's former **Attorney General Eric Holder** recently said on MSNBC: "When I hear these things about let's 'Make America Great Again,' I think to myself, exactly when did you think America was great?" And the Democrat Governor of New York State **Andrew Cuomo** mocked the idea that America was ever great, saying in a speech: "We're not going to make America great again. It was never that great."

QUESTION #4: What's your reaction to these comments about America by prominent Democrat leaders?

- Outrage and Dismay Disappointment I agree with these Democrat leaders. No Opinion

Part C: Your Evaluation of Donald Trump's Performance as President

ECONOMIC RECORD: President Trump cut the top tax rate on businesses from 35% to 21%. He cut taxes for 85% of individuals. He's erased almost all of **Barack Obama's** anti-business regulations. The result is our economy is growing 75% faster than it was under Obama and the unemployment rate is at a 50-year low. The unemployment rate among Hispanic and Black Americans is also at an all-time low.

Part D: Battle Plan for the 2020 Elections

2020 PROGRAM SUMMARY: During the 2016 Presidential Election Year, FAITH & FREEDOM focused our Christian voter registration, education, and turnout operations in 11 key battleground states. In 2016, FAITH & FREEDOM COALITION . . .

- **Distributed** 30 MILLION printed educational VOTER GUIDES in mailboxes and 117,000 churches to inform voters on where candidates stood on the issues;
- **Sent** 26 MILLION video ads with customized messages to digital devices of "low propensity" Christian voters who needed the extra push to vote in the 11 key states;
- **Mailed** 22 MILLION CHRISTIAN VOTER EDUCATION packets to Christian voters, focusing on the key swing states and Senate races;
- **Made** more than 10 MILLION phone calls reminding Christians to vote;
- **Conducted** 1,256,778 personal HOME VISITS to "low-to-mid-propensity" Christian voters in the key states to make sure they voted;
- **Sent** more than 27 MILLION emails and text messages to Christian voters in the key states reminding them to vote; and
- **Registered** more than 2.5 MILLION brand new Christian voters, mostly in the key swing states that decided the 2016 Election.

THE RESULT: 40% of all voters in 2016 were self-described conservative Christians – a record.

FAITH & FREEDOM conducted a similar program for the 2018 mid-term Elections, making more than 181 MILLION contacts with Christian voters to maximize Christian voter turnout – including making 2.2 MILLION personal HOME VISITS. The result was we actually increased our conservative majority in the Senate. In 2020, FAITH & FREEDOM aims to double what we did in 2016 and 2018.
