

**Larry Klayman, Esq.**

~Freedom Watch Chairman and General Counsel~

~Judicial Watch Founder~

~Former Federal Prosecutor~

*The People's Justice Department*

Dear

I took a **HUGE** risk sending you one of our urgently needed \$2 bills today.

Trust me, it's not because we have too much money. Not at all! In fact, it's exactly the opposite!

I trusted you with our critically needed \$2 bill (trusting you'll send it back ASAP) because...

## **House Democrats Already Impeached President Trump and Are Now Trying to "Bring Him to Heel" This November!**

You and I don't have much time!

As you're reading this, Democrats are hard at work destroying President Trump to make sure they finally defeat him this November!

Or as Jerry "Sleazy Slob" Nadler just said:

*President Trump must be "brought to heel" before he "rigs our elections"!*

Give me a break!

This dog-and-pony show is a pure excuse for reality television. No one in their right mind could listen to the garbage coming from these Democrats and come away with any conclusion other than this:

This whole "WITCH HUNT" - starting with Mueller's investigation and leading up to the impeachment scam - is a MOCKERY of a travesty of a sham of a mockery of a sham!

Now I - America's toughest lawyer - need your help to get the President some much needed political justice (and revenge!) by indicting and prosecuting Pelosi, Waters, Schiff, Nadler, and other politically corrupt Democrats behind this coup!

BEFORE they finally defeat President Trump this November! How ironic...

In the end, these rabid Democrats will be the ones who end up convicted and behind bars, not Trump!

## **Democrats Are Colluding to DESTROY President Trump by Impeaching Him Now and Then DEFEATING Him in November!**

The Democrats plan is as simple as it is evil:

Damage the President's support now by impeaching him and dragging his name through the mud.

That way they can finally DEFEAT him in November by hitting him where it hurts the most: At the ballot box!

Sadly, Democrats - led by Nancy "the Wicked Witch of the

"West" Pelosi have already impeached him in the House. And then made him look like a criminal in the Senate!

And it looks like their scam is working!

Because a new Fox News poll just showed that 51% of voters want Trump impeached and REMOVED!

That's bad enough! But it gets MUCH worse because...

## Pelosi Promised to Indict, Prosecute, and LOCK UP Trump After They Defeat Him in 2020!

You read that right!

According to Fox News, Yahoo, Politico, and numerous other sources, Pelosi said she would LOCK UP Trump after he leaves (or is kicked out) of office!

If - God forbid - Democrats finally do that, or defeat him this November...

Trump's MAGA agenda will grind to a halt.

Unhinged leftists will screech with joy.

Maxine Waters, Omar, Tlaib, and other Dems will throw parties

and drink champagne (on your tab!).

And "Crooked Hillary" will put on her fanciest pantsuit and cackle her way into another coughing fit.

## **Democrats Won't Stop this "WITCH HUNT" Until They've Overturned Your 2016 Vote By Taking Trump Down in November, and Then Putting Him Behind Bars Later!**

That's why I urgently need your help to INDICT and PROSECUTE Pelosi, Nadler, Schiff, and Waters right away.

That way we can get some much needed JUSTICE for President Trump. But like I told you before, we don't have much time.

As I'm writing this to you, Democrats - led by Nancy Pelosi - are doing everything they can to destroy President Trump.

That way they can DESTROY his popularity now so he loses in November!

And once they've kicked him out of the White House, Pelosi can finally indict, prosecute, and LOCK HIM UP!

And you better believe the leftist Fake News is working with them around the clock to damage President Trump's popularity with voters to make sure Democrats DEFEAT him in November!

Heck, one unhinged MSNBC commentator just said:

**MSNBC Contributor: If Trump Is Acquitted, He Will Shut Down Voting in California**

No wonder no one but rabid leftists watch MSNBC!

But no matter what, President Trump urgently needs our help NOW! That's why I'm inviting you to join me - America's toughest prosecutor - right now to...

**Get Some Much Needed JUSTICE and  
Political PAYBACK by INDICTING and  
PROSECUTING The Democrats Behind this  
COUP Like Pelosi, Waters, Schiff, and Nadler!**

That's right!

Your urgent gift today will help us legally HAMMER Pelosi, Maxine Waters, "Shifty" Schiff, and "Sleazy Slob" Nadler by indicting, prosecuting, and then LOCKING THEM UP (peacefully and legally)!

Talk about real justice!

But like I told you before, Freedom Watch simply can't do this without your support today.

That's why I'm praying - for President Trump's sake - that you rush back the \$2 I trusted you with along with your tax-deductible \$75, \$100, or even another generous \$50 gift today to help make sure we can protect the president today.

Unlike other groups like Judicial Watch (the organization I originally founded that has now been hijacked by paper-pushers) that mostly only "uncovers" paperwork, Freedom Watch is doing the heavy lifting of justice. Showing one's face on Fox News with documents simply won't cut it!

Freedom Watch does today what Judicial Watch used to do

when I conceived of it and ran it for 10 years!

These "four blind leftist mice" – Pelosi, Nadler, Waters, and Schiff need to be brought to justice immediately! Will you help me – America's toughest lawyer – do that right now by indicting, prosecuting, and them peacefully and legally LOCKING THEM UP?

No wonder people call us "*The People's Justice Department*"!

Because in addition to fighting to STOP Democrats from destroying President Trump, Freedom Watch is also the only group taking the fight to the Democrats by indicting and prosecuting them!

Like how we're about to become the first group to indict Joe Biden, and his equally sleazy son Hunter, for their alleged corruption! I have already sued Joe Biden and his campaign in my personal capacity, as when I announced that Freedom Watch would seek his indictment before a Citizen Grand Jury.

We MUST have your continued support if we are going to be

able to indict and then "try and fry" them in our Citizen Grand Juries ASAP.

And you better believe the Bidens are terrified!

After all, the complaint I filed against Joe Biden recently happened after I received word that the Chief of Staff in his campaign was calling around demanding that social media posts that were critical of him be removed.

And sure enough, a ton of our YouTube videos that HAMMERED Biden were removed!

I immediately reached out to Google/YouTube and told them that, if my videos were not put back up immediately, I would hit them with a massive lawsuit, which would include their "friends" the Bidens.

That did the trick because they put the videos back up shortly after. Oh, and did I mention that Google/YouTube's lawyers were from Williams & Connolly? The same dishonest and sleazy firm that has represented the Clintons and Barack Obama!

And, by the way, Google's lawyers never denied the allegation that Biden was behind my videos being taken down.

On top of this, Freedom Watch is also suing Congresswoman Rashida Tlaib (D-MI) - the hateful Muslim anti-Christian and anti-Jew member of "The Squad" - for assault against my client, conservative journalist and patriot Laura Loomer.

In case you missed it on the news, my client, Laura Loomer, was at a public event where Rashida Tlaib (and her anti-Christian

and anti-Semitic friend Ilhan Omar) were taking questions.

When Laura confronted Tlaib about her anti-Semitic comments, Tlaib reached out, violently grabbed Laura's phone, and tried to steal it while committing assault and battery.

Now we are suing her for assault and battery and seeking two million dollars for Laura, who has been severely damaged by the likes of Tlaib and the other Muslim Congresswoman Ilhan Omar!

On top of this, your continued support is absolutely critical to help make sure we can prosecute and convict the number one Democrat behind the "RUSSIAN COLLUSION" Witch Hunt...

### ***Special Investigator Mueller!***

With your help, we'll "try and fry" this political hack in our Citizen Grand Juries and do everything we can to make sure he ends up where he belongs: Behind bars!

Last but not least, I've included my newest WND article detailing how this whole impeachment process had been an absolute sham as Democrats play patty cake with themselves while stomping on We the People's sacred liberties and freedoms.

All while more swamp dwellers in the DOJ - led by a neutered establishment Republican RHINO and elephant going by the name of William "Bill" Barr - made it known that he would bring NO charges against Hillary Clinton or any Clinton over alleged corruption at the Clinton Foundation!

To me and other seasoned "special ops legal veterans" of the Washington, D.C., corrupt swamp, infested with dishonest hacks of both major political parties, this came as no surprise.

But here's my message to the "Clinton Gang of Three" -

Hillary, Bill and their allegedly criminally minded daughter:

We at Freedom Watch are coming for you, and you will be held accountable, peacefully and legally, by our citizens grand juries in 2020 with ensuing indictments, trials, convictions, and prison sentences.

But I can't do this without you, ~~you're still with me~~ I need to know you're still with me and President Trump.

You can do that right now by sending back our \$2 bill along with your most generous gift of \$75, \$100, or even another generous \$50 right now.

That way we have the funds to prosecute Pelosi, Waters, Schiff, and Nadler (and all the Democrats behind this coup), plus fight back to protect President Trump right now!

No matter what amount you send, please remember that Pelosi and all house Democrats are tightening the noose around President Trump right now.

These hacks have already impeached President Trump, and then tried to prove he was a criminal while they tried him in the Senate!

That way they can DESTROY him by colluding to DESTROY his popularity and defeat him in November!

If that happens - God forbid - Pelosi will be able to indict, prosecute, and LOCK HIM UP!

Your most generous tax-deductible gift today could literally mean the difference between seeing this headline all over the media:

## "Pelosi and Dems FINALLY IMPEACH President Trump, Defeat Him in 2020, and Now Seek to LOCK HIM UP as a Private Citizen!"

OR this one...

## "Trump Gets Last Laugh: Pelosi, Schiff, Waters, Nadler and All Democrats Behind IMPEACHMENT and COUP Prosecuted to Fullest Extent of the Law as Trump Re-Elected to Help Keep America Great!"

Which one would you rather see? I know where I stand - right next to the President!

I hope you're standing next to us. God bless you and God bless the President.

Yours in Freedom and Liberty,

A handwritten signature in blue ink, appearing to read "LKL". It is signed over a horizontal line.

Larry Klayman, Esq.  
Chairman and General Counsel  
Freedom Watch, Inc.

P.S. - I know it may seem crazy to send you our urgently needed \$2 bills today. After all, I'm taking a HUGE risk sending it to you. But as one of our most faithful friends and someone who would do anything to protect our great president, I know I can trust you to send it back today along with your most generous tax-deductible gift of \$75, \$100, or even another \$50. We need all funds to get the job done and obtain justice.

# Impeachment trial: A travesty of a sham of a mockery of a sham

**Exclusive: Larry Klayman hammers managers for 'pathetic and dishonest performance'**

Having endured watching some of the impeachment trial proceedings this week – and I must confess that I could not endure all of it – it's difficult in a family-friendly column to describe the pathetic and dishonest performance of the likes of the Democratic House managers, and in particular House Intel Committee Chairman Adam Schiff. Even if the establishment Republican likes of Sen. Lindsey Graham could find it in his "closeted heart" to praise Schiff for his presentation, exposing more about the two-faced lawmaker from South Carolina than anything else, or be subjected to the ridiculous musings of so-called Judge Andrew Napolitano on Fox News, who is foaming at the mouth advocating The Donald's conviction as a result of his perverse concept of the "overwhelming evidence against him," no one of right mind could listen to this garbage and come away with any conclusion other than this: In the style of Woody Allen, this is a mockery of a travesty of a sham of a mockery of a sham!

What really struck me about the House managers in particular was not only their dishonest, overblown and pathetically repetitive opening arguments, but how they were dressed. Given that their biggest supporter in the Fake News leftist media, short of CNN, aka the "Communist News Network," is NBC and its sister cable network MSNBC, it is ironic that they were all dressed up like peacocks – or was it rather the Porky Pig-like Jerrold Nadler and company that they are? But then again, in the words of Sarah Palin, can we really put lipstick on pigs?

This dog-and-pony show is a pure excuse for reality television, and it borders on pornographic. It only serves the ratings and advertising dollar purposes of not just the CNNs and MSNBCs of the rabid leftist media world, but also Fox News on the ever-more compromised right, given Napolitano, Chris Wallace and their stable of other

Trump haters, showcased by the new leftist chairman of the network, Lachlan Murdoch. Murdoch, by the way, as depicted in the recent Showtime series "Loudest Voice," was the nemesis of Fox News' founder and now deceased CEO Roger Ailes. He and his brother James, of British royal wiretapping fame, are devout leftists, so it's no surprise that the once-conservative network is moving in the direction of its "soul brothers" on the left.

Given that we all are tired of this continuing saga, I will not belabor my point further. Rather, listen to the embedded video of my show this week on Radio America, "Special Prosecutor with Larry Klayman," which expounds on my views about this fraud on the American people. Until then, rest up fellow patriots, as we have a long and hard road ahead of us to preserve and protect the God-inspired and given creation and vision of our Founding Fathers.

In this regard, go to [www.freedomwatchusa.org](http://www.freedomwatchusa.org) and sign up for and support our Justice League, as the "court jesters" in Congress continue to play patty cakes with themselves to the detriment of We the People's sacred liberties and freedoms.
