EMERGENCY FOR TRUMP!

Freedom Watch is the only real and hard hitting group fighting in court to STOP Democrats from Impeaching Trump, but our support has plummeted by 39% when the President needs us the most!

Please...don't abandon Trump when he needs you...

I sent you this emergency letter in a large legal envelope because Democrats led by Adam "Shifty Schiff" and "Nervous Nancy" are closer than ever to impeaching Trump now...

...and then prosecuting and jailing him when he's out of office. Just like Pelosi promised!

And to make matters worse, our support is down 39% (as of when I'm writing this to you) when President Trump needs us the most!

Read that again - 39%! That's critically low!

In dollars and cents, that comes out to about \$38,820 net since late August!

I absolutely hate to ask this question since you've been such a faithful supporter for so long, but...

...have you abandoned President Trump?

I hope and pray you're screaming "HELL NO"!

After all, you've been such a faithful friend to the President (I'm sure he appreciates your support) and Freedom Watch since this political hit job first started.

And that's exactly what this is...

...A HIT JOB!

Whether it's "RUSSIAN COLLUSION" or now "UKRAINE-GATE", the bottom line is the same:

President Trump committed NO CRIMES!

Zero. Zilch. Nada!

But that hasn't stopped Democrats from becoming completely unhinged and expediting his impeachment.

In fact, if you and I don't act fast, President Trump will more than likely be impeached.

And you better believe Pelosi, "Shifty Schiff", Alexandria "She-Guevara" Ocasio-Cortez and other hate-filled leftists will do everything they can to indict and prosecute him when he's out of office!

And did you see recently how Democrats are starting to target Vice President Pence?

That's because their plan is to completely OVERTURN the election by removing Trump AND Pence. Once they do that, do

you know who becomes President by default?

NANCY PELOSI! God help us if that happens!

If all this isn't bad enough, never forget that Republicans in the House are turning their backs on the President.

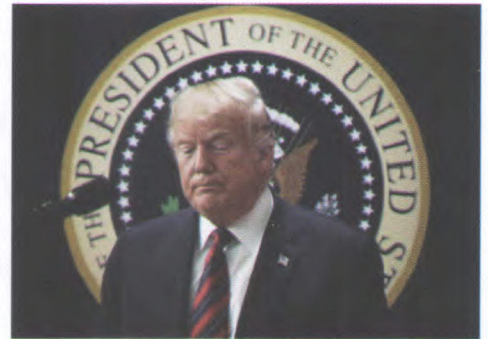

AND Never Trumper "human scum" (as the President says) in the Senate like Senator Mitt Romney (R-UT) are stabbing him in the back every chance they get!

Even George Conway - husband of White House Counselor Kellyanne Conway - is trashing the President!

And that doesn't even include the leftists at Fox News like Judge Andrew Napolitano and anchor Chris Wallace, to name just a few.

WORST OF ALL...

A new Gallup poll shows that 52% of voters support impeaching Trump! Including many Republicans!

**GALLUP: 52% SUPPORT TRUMP
IMPEACHMENT, REMOVAL
MIRRORS NIXON
DRUDGE REPORT**

It's clear that Freedom Watch - the People's Justice Department - is President Trump's ONLY hope.

But we can't fight this battle without your help.

Especially when our support is down 39% in the past two months!

Now can you see why I asked...

Have You Abandoned President Trump When He Needs You the Most?

Like I said before...

I hope and pray - for President Trump's sake - that your answer is "HELL NO"! Because I haven't seen a drop this sharp in support for a long time.

And between you and me, it has me very worried

After all, we're getting to the point where we may need to dip into lines of credit to make sure we can keep pushing forward in the courts with our hard hitting lawsuits.

Your Support Today is Critical to Make Sure Freedom Watch Can Legally Hammer the Democrats Behind this Coup...

After all, you and I both know that "Nervous Nancy" Pelosi and Adam "Shifty Schiff" won't stop until President Trump is impeached or dragged out of the White House in handcuffs!

That's why Freedom Watch - *the People's Justice Department* - has to hit them hard now!

And that's exactly what we're doing and why we urgently need your continued support today.

Because in addition to fighting to STOP Democrats from impeaching President Trump, Freedom Watch is also the only group taking the fight to the Democrats by indicting and

prosecuting them!

Like how we're about to become the first group to indict Joe Biden, and his equally sleazy son Hunter, for their alleged corruption!

We MUST have your continued support if we are going to be able to indict and then "*try and fry*" them in our Citizen Grand Juries ASAP.

And you better believe the Bidens are terrified!

After all, recently I received word that the Chief of Staff in his campaign was calling around demanding that social media posts that were critical of him be removed.

And sure enough, a ton of our YouTube videos that HAMMERED Biden were removed!

I immediately reached out to Google/YouTube and told them that, if my videos were not put back up immediately, I would hit them with a massive lawsuit, which would include their "friends" the Bidens.

That did the trick because they put the videos back up shortly after. Oh, and did I mention that Google/YouTube's

lawyers were from Williams & Connolly? The same prestigious firm that has represented the Clintons and Barack Obama!

And, by the way, Google's lawyers never denied the allegation that Biden was behind my videos being taken down.

On top of this, Freedom Watch is also suing Congresswoman Rashida Tlaib (D-MI) - the anti-Christian and anti-Jew member of "The Squad" - for assault against my client, conservative journalist and patriot Laura Loomer.

In case you missed it on the news, my client, Laura Loomer, was at a public event where Rashida Tlaib (and her anti-Christian and anti-Semitic friend Ilhan Omar) were taking questions.

When Laura confronted Tlaib about her anti-Semitic comments, Tlaib reached out, violently grabbed Laura's phone, and tried to steal it while committing assault.

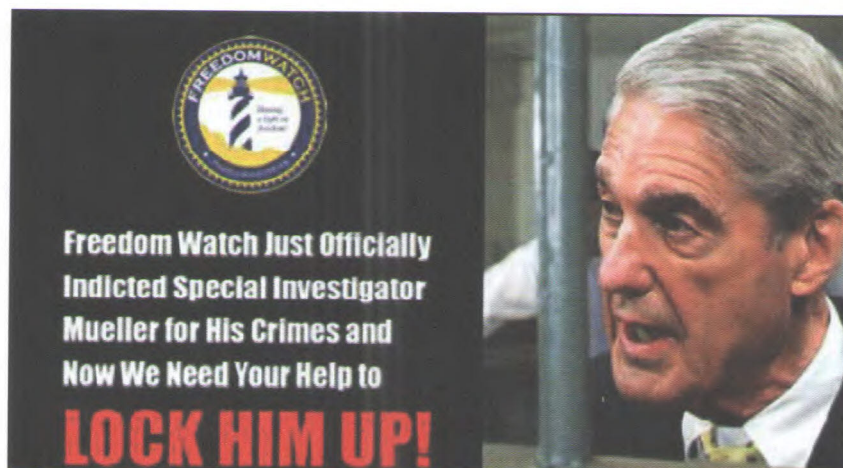

Now we're suing her for assault and battery and seeking two million dollars for Laura, who has been severely damaged by the likes of Tlaib and the other Muslim Congresswoman Ilhan Omar!

Last but not least, your continued support is absolutely critical to help make sure we can prosecute and convict the

number one Democrat behind the "RUSSIAN COLLUSION"
Witch Hunt...

Special Investigator Mueller!

Freedom Watch Just Officially
Indicted Special Investigator
Mueller for His Crimes and
Now We Need Your Help to
LOCK HIM UP!

That's right!

With your help, we'll "try and fry" this political hack in our Citizen Grand Juries and do everything we can to make sure he ends up where he belongs:

Behind bars!

But like I told you before, Freedom Watch simply can't do this without your continued support today.

Especially now that our support is down 39% when President Trump needs us the most!

That's why I'm praying - for President Trump's sake - that you'll rush back your tax-deductible \$75, \$100, or even another generous \$50 gift today to help us make up the difference.

Remember, you and I can't count on the so-called Justice Department to fight for us.

These political hacks protect their own in the D.C. swamp! Regardless of what side of politics they're on!

No wonder the Justice Department hasn't gone after politically corrupt hacks like Comey, McCabe, Clapper, Brennan, Hillary, and others!

Heck, they won't even do anything to investigate Ilhan Omar for her alleged immigration fraud for marrying her brother!

That's where Freedom Watch steps in.

And that's why many call us "The People's Justice Department."

But like I mentioned before, Mr. Rogers, we can't do this without your continued help.

Especially at a time like now when our support has plummeted.

There are so many groups out there that claim to be doing something to combat the attempted coup d'etat on the president, but Freedom Watch is the only one taking hard and strong action.

My former group, which I founded, Judicial Watch, mostly gets documents. But what good are the documents if they are not used as evidence in hard-hitting cases and citizens' grand juries?

We at Freedom Watch do both! Judicial Watch generally does not, since it is run by a non-lawyer, Tom Fitton. Thus it focuses on documents, which are easy to get and do not use

much in financial resources to obtain.

But like I told you before, we can't fight to protect the President and prosecute the Democrats without you.

And without your help today, we may be forced to dip into other lines of credit just to stay afloat.

All while Democrats drag President Trump to the political guillotine and Republicans turn their backs on him. Including many voters!

Now is not the time to back down from the fight.

Not when President Trump needs us the most!

But I can't keep fighting in the courtroom without your support right now.

Your tax-deductible gift of \$100, \$75, or even another \$50 today could literally mean the difference between seeing this headline all over the media:

"Pelosi, Schiff and Dems FINALLY IMPEACH President Trump and May Seek to Indict and Prosecute Him When He's Out of Office!"

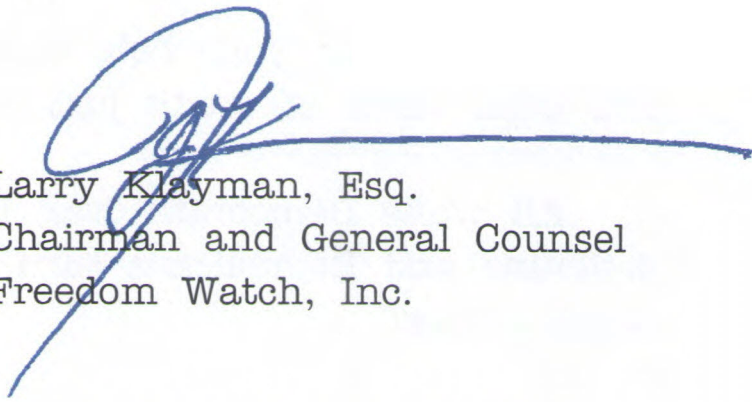

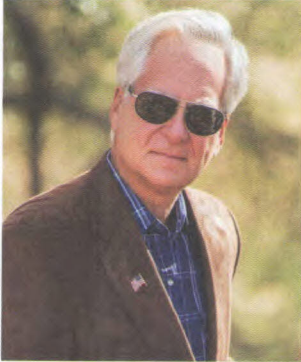

OR this one...

"Trump Gets Last Laugh: Mueller, 'Nervous Nancy', 'Shifty Schiff' and Democrats Behind Attempted Coup Prosecuted to Fullest Extent of the Law as Trump Re-Elected to Help Keep America Great!"

Which one would you rather see? I know where I stand - right next to the President! I hope you're standing next to us.

God bless you, President Trump, and America.

Yours in Freedom and Liberty,

Larry Klayman, Esq.
Chairman and General Counsel
Freedom Watch, Inc.

P.S. - I know that what we now hope to raise may may not seem like a lot of money, but for Freedom Watch right now, it might as well be a million. That's because you know that we are the only real hard-hitting group fighting in the courtroom and in citizens grand juries to STOP Democrats from impeaching President Trump now, and then seeking to possibly indict and prosecute him after he leaves office.

Not to mention the fact that Freedom Watch is fighting back to indict and prosecute Democrats behind this coup like "Nervous Nancy" Pelosi, Adam "Shifty Shift", and Special Investigator Mueller! And this is all on top of our other hard-hitting lawsuits against Democrats like Rashida Tlaib (D-MI), and Ilhan Omar (D-MN)! Last but not least, we'll soon be indicting Joe and Hunter Biden for their alleged corruption. But we can't do this without your support today.

...now that our support has dropped by 39% at this critical time, will you please show that you have not abandoned the President by rushing back your most generous gift in any amount to help make sure we can continue to fight back? Thank you and God bless.
