

FREEDOM WATCH'S CURRENT HARD-HITTING LAWSUITS

Freedom Watch is the ONLY Group Indicting and Prosecuting the Dems Behind the **"RUSSIAN COLLUSION" LIE** Through Our Citizen Grand Juries

BREAKING NEWS: Freedom Watch just officially indicted Robert Mueller and will soon indict and prosecute the rest of these Democrats...

"Disgraced and Disgruntled"
Robert Mueller

Nancy "The Wicked Witch of the West" Pelosi (D-CA)

Assistant AG
Rod "Benedict Arnold" Rosenstein

Jerrold "Fat Jerry" Nadler (D-NY)

Maxine "Looney Tunes" Waters (D-CA)

Adam "Pencil Neck" Schiff (D-CA)

Here at Freedom Watch, we're not just protecting the President and seeking to indict, prosecute, and jail leftists behind the "RUSSIAN COLLUSION" lie like Mueller, Pelosi, Maxine Waters, and other Democrats. We also have ongoing, hard-hitting lawsuits against:

Hillary Clinton - "The Wicked Witch of the East" – we continue to pursue hard-hitting legal cases to have the Wicked Witch of the left thrown in prison for her many crimes!

President Obama - "Muslim in Chief" – Our cases march on against Barack Hussein Obama and his intelligence czars like Clapper and Brennan. That way we can hold them accountable and have them legally incarcerated for their unconstitutional mass surveillance that Obama ordered to spy on all Americans, and is now being used to remove President Trump!

Louis Farrakhan, Al Sharpton and Black Lives Matter – these lawsuits are currently going through the courts in Dallas, Texas, where Farrakhan ordered the deaths of law enforcement in what became known as "The Dallas Police Massacre."

Congresswoman Illhan Omar (D-MN) – I just filed a new lawsuit with the U.S. District Court in Washington seeking a court order that would require the Department of Homeland Security to investigate Congresswoman Illhan Omar (D-MN) for alleged immigration fraud and association with terrorist support groups.

Reverend Al Sharpton and Black Lives Matter – our lawsuits hold them accountable for inciting violence against police officers. The latter of which continues its "jihad" to fry cops like "pigs in blankets."

Antifa and the City of Berkeley – we also have hard-hitting lawsuits against this anarchist vigilante group and ultra-leftist university for attacking conservative speakers on the communist Berkeley campus. Stay tuned!

Cliven Bundy – the brave rancher who peacefully faced off against armed federal agents who attempted to steal his cattle, land, and home. Today the same federal prosecutors who failed to imprison him for life are now attempting to re-try him.

The Father of Patrick Zamarippa – a Latino police officer Killed at the Dallas Police Massacre

Danny Shaw – a brave Texas Ranger who was shot and seriously wounded by Mexican police while attempting to arrest Mexican drug cartel criminals.

You may remember this as the deadliest incident for U.S. forces in the War on Terror. Our lawsuit hits Iran for funding this murder.

And many more!
