I sent you one of our urgently needed half-dollars today for one very important reason...

Half of American voters now support Nancy Pelosi's efforts to impeach and remove President Trump!

Even worse, Pelosi and nearly every Democrat in the House are using "**UKRAINE GATE**" to do it!

These rabid leftists are dragging President Trump to the political guillotine!

All while Never Trumper "human scum" (as the President says) like Senator Mitt Romney (R-UT) are stabbing him in the back every chance they get!

Democrats Led by Nancy Pelosi are Dragging President Trump to the Political Guillotine and Won't Stop Until He's Impeached and Removed!

There's not much time,

"UKRAINE-GATE" is EXPLODING and Democrats are using it as WITCH HUNT 2.0!

These political sharks smell blood in the water and may finally have the "scandal" they need to impeach President Trump now...

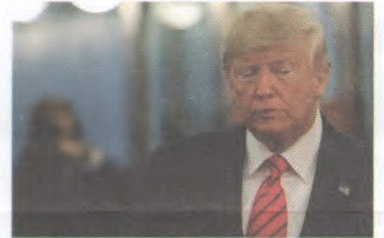

...and "LOCK HIM UP" after he gets out of office!

These political hacks failed to impeach Trump when Special Investigator Mueller's "WITCH HUNT" blew up in their faces.

But now Pelosi and almost all House Democrats are doubling down to impeach President Trump now!

And without your help today, it's very likely that they'll get away with it. This is literally our last chance to save a President who represents We the People!

Worst of all...Democrats are fast tracking the impeachment inquiry and hope to officially impeach President Trump by the end of the year!

IMPEACHMENT 2019
ONLY 4TH TIME IN HISTORY
DRUDGE REPORT

Pelosi and Her Democrat Comrades Won't Stop Until President Trump is Impeached or Dragged Out of the White House in Handcuffs!

After all, from the moment President Trump took the oath of office, Pelosi, Adam "Pencil-neck" Schiff, Maxine Waters, Special Counsel Mueller and his Democrat friends have been plotting to get rid of him based on their rallying cry lie of "RUSSIAN COLLUSION."

And now "**UKRAINE-GATE**"!

All while Never Trumpers like Bill Kristol, Karl Rove, Jonah Goldberg and new arrivals such as Judge Andrew Napolitano and Fox's Chris Wallace - just to name a few - have run interference for RINOS in the Senate.

While at the same time turning a blind eye to the real corruption on the Democrat side like Joe Biden's alleged rank

corruption and bribery with Ukraine.

Talk about the real **"UKRAINE-GATE"**!

Well, guess what?

In addition to protecting President Trump now, Freedom Watch is about to become the first group to indict Joe Biden, and his equally sleazy son Hunter, for their alleged corruption!

After we indict them, we'll "try and fry" them in our Citizen Grand Juries.

But in the meantime, President Trump desperately needs our help. I can't say it enough...

"Fake news" is destroying him 24/7.

Democrats - led by Nancy Pelosi and Adam "Pencil-neck" Schiff are leading the impeachment charge.

And Trump's lawyers are dragging him to the political guillotine! Worst of all...

Check out this newly unearthed picture that shows Joe Biden, along with his equally sleazy son Hunter, playing golf with a man who served on the board of the Ukraine gas company. Talk about the real **"UKRAINE-GATE!"**

Republicans in the House and Senate Are Cracking Under Pressure and Turning on President Trump!

That's right, - now President Trump can't even count on his own party to protect him!

It's bad enough that Pelosi now has a majority of House members supporting impeaching President Trump, but now Republicans in the House and Senate are becoming turncoats!

And with a razor thin margin of control for Republicans in

the Senate, it will only take a few RINOS to convict the President!

RINOS like Mitt Romney (R-UT) who has already expressed his concern over **"UKRAINE-GATE"**.

And make no mistake about it - Sen. Mitt Romney and his fellow Never Trumpers like former Ohio Gov. John Kasich are tan, ready, rested, and ready to pounce to run for president after they remove President Trump!

No wonder President Trump calls Never Trumpers like this "human scum"! Can you blame him, ?

I can't!

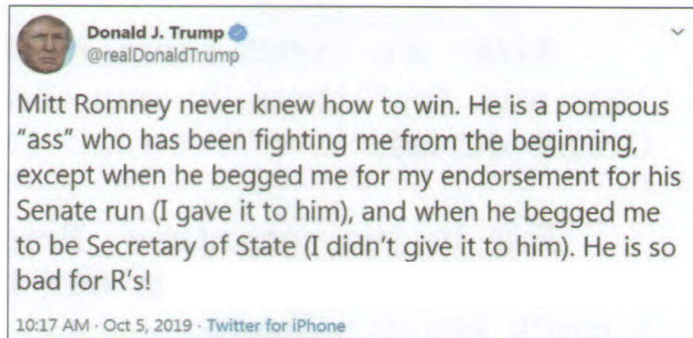

And to add insult to injury, according to Foxnews, an ex-McCain adviser recently told MSNBC that 30 GOP Senators would impeach Trump in a secret ballot!

30! That's unbelievable! Simply put...

President Trump has ZERO support in this fight!

patriots like you and I need to step in right now to protect him from becoming the next Bill Clinton! That's why I'm inviting you to join me - America's toughest prosecutor - right now to...

STOP Democrats from Impeaching President Trump by Indicting, Prosecuting, and Jailing the Democrats Using "UKRAINE-GATE!" to Get Rid of Trump!

You know better than anyone how Freedom Watch already started this process when we recently became the first and only group to indict the man behind the first "WITCH HUNT" - Special Investigator Mueller!

Now we're targeting the main Democrats pushing impeachment because of "**UKRAINE-GATE**": Nancy Pelosi and Adam "Pencil-neck" Schiff!

Not to mention the fact that we are planning on indicting and prosecuting Joe Biden and his son for their alleged corruption and bribery.

But like I told you before, Freedom Watch simply can't do this without your continued support today.

That's why I'm praying - for President Trump's sake - that you'll rush back your tax-deductible \$75, \$100, or even another generous \$50 gift today.

That way we can protect President Trump by preparing our Citizen Grand Juries to "try and fry" Pelosi, Adam "Pencil-neck" Schiff, Mueller (who we already indicted), Biden, and all of the other Democrats behind this attempted coup!

Like many of the 231 Democrats who just moved forward with an impeachment inquiry against Trump.

Your tax-deductible gift of \$75, \$100, or even another \$50 today could literally mean the difference between seeing this headline all over the media:

Will you help Freedom Watch STOP Democrats from using "UKRAINE-GATE" to impeach President Trump? With your support today, we'll start the process of indicting and prosecuting Nancy Pelosi, Joe Biden, and the other Democrats behind this new coup!

**"Pelosi and Dems Use "UKRAINE-GATE" to FINALLY
IMPEACH President Trump!"**

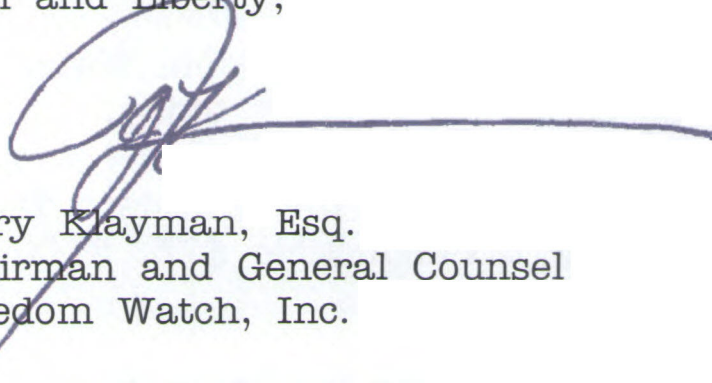

OR this one...

**"Trump Gets Last Laugh: Mueller, Pelosi and Democrats
Behind 'RUSSIAN COLLUSION' and "UKRAINE-GATE"
Prosecuted to Fullest Extent of the Law as Trump
Re-Elected to Help Keep America Great!"**

Which one would you rather see? I know where I stand
- right next to the President! I hope you're standing next to
us,

God bless you, President Trump, and America.

Yours in Freedom and Liberty,

Larry Klayman, Esq.
Chairman and General Counsel
Freedom Watch, Inc.

P.S. - I sent you one of our urgently needed half-dollars today to let you know that half of voters now support Pelosi's efforts to impeach President Trump! To make matters worse, it looks like Republican Senator Mitt Romney is now leading a RINO rebellion against Trump in the Senate. If the House impeaches President Trump (and it looks like they will!), it will only take a few RINO turncoats like Romney to allow the Democrats to convict him in the Senate. This is why President Trump needs our help!
