# JUDGE JEANINE PIRRO

Dear Fellow Patriot,

The Left doesn't want to destroy just President Donald Trump...

They want to destroy America.

And to stop them we must arm ourselves with the knowledge of their tactics, their goals, and their crimes.

What I've uncovered in my newest book Radicals, Resistance, and Revenge is absolutely devastating to the Left's plot to remake America.

**(( PERHAPS OF EVEN GREATER IMPORTANCE, THIS INFORMATION  
COULD STOP THE RADICALS' BETRAYAL OF OUR COUNTRY AND  
BRING THE CONSPIRATORS TO JUSTICE. ))**

As the host of the hit Fox News show, *Justice with Judge Jeanine*, I'm no stranger to controversy.

In my #1 N.Y. Times best-selling book Liars, Leakers, and Liberals, I exposed the campaign to destroy first the Trump campaign and then the Trump Administration.

My book rocked the political establishment and exposed the Mueller investigation for the farce it was.

*The "Swamp" has never forgiven me for that.*

Now I'm prepared to show that the phony Mueller investigation and plot to remove President Trump was just a small sliver of a bigger conspiracy...

...the Left's plot to radically remake America.

My new book is my **most explosive book** yet, and I want to get it into your hands right away.

Let me be blunt -- this book contains information that will not only vindicate President Trump, but could bring down the biggest and most dangerous conspiracy in American history.

This is hard-hitting information that I've exhaustively

researched. And I promise you that it's material that the liberals in the fake news media will never tell you.

With President Trump gearing up for his re-election fight, it's indisputable the Left will only intensify their bullying and intimidation tactics to do everything they can to win.

President Trump, you, and I are the **ONLY THINGS** standing in their way to total triumph over us and our country.

The Left isn't content to just run America...

...they're determined to remake America to reflect their radical image.

That's why the Left is pushing hard not just to overturn presidential elections, but to nationalize private industries like healthcare and education, destroy our borders, and censor traditional conservatives in the public sphere.

The Left's goal is an America that is borderless, socialist, and lacking any moral compass.

And they want to make us slaves in their utopian leftist "paradise."

As long as there is breath in my body, I will resist the Left's attack on America.

These are perilous times...

**...AND IT'S ABSOLUTELY IMPERATIVE THAT THE LEFT'S BLINDING ARROGANCE BE MET WITH FIERCE RESISTANCE!**

Some conservatives I know think that the Left will collapse from its own inner contradictions and its rush far away from middle America.

*I don't share their naïve optimism.*

I know the political bloodlust in the Left's heart... how they crave power... how being in the minority gnaws at them... and how they will do anything -- ANYTHING -- to seize power and keep it.

You and I as conservatives must understand this fact. The Left does not sleep. They do not rest. They cannot be bargained with. They have one mission and one mission only: to destroy America by remaking her in their own twisted image.

The flood of illegal aliens into this country is specifically aided and abetted by the Left because these will be their future voters that keep them in power.

The socialist takeover of healthcare and education is designed to brainwash Americans into hating the Founding Fathers and worshipping at the altar of bureaucrats who will "take care" of us.

The silencing of conservatives in the public square and online is meant to break our will so that we can never resist them again.

Bottom line: **the Left wants to annihilate us.**

But you can fight back today by joining the American Conservative Union. They're growing an army of patriots to stop the Left.

As you may know, since 1964 the American Conservative Union has been the preeminent voice in Washington, DC fighting for principled conservative policy solutions to our country's problems.

You may have seen ACU's Chairman, Matt Schlapp, on my Fox News show eloquently advocating for conservatism. He's tireless.

Last year I had the honor of speaking at ACU's Conservative Political Action Conference (CPAC), the largest annual gathering of Conservatives anywhere.

Crucially, because the ACU represents **600,000** proud Americans like you, it has the heft to throw its weight around in Washington and get things done for you.

My friend, the ACU is a truly unique organization that's leading the fight alongside President Trump to drain the swamp and end the rampant corruption in our nation's capital.

I'm working with the ACU to stop the Left's plans to remake America and I'm asking you to support them with an urgent donation of \$25, \$35, \$50, \$100 or even as much as \$250, \$500, \$1,000 or more.

For a gift of \$50, I'll send you a copy of my book **Radicals, Resistance, and Revenge.**

And for a gift of \$250 or more, I'll send you a **SIGNED** copy for you to enjoy.

This book gives the inside scope about the lies the Left is peddling to trick America to submitting to their radical plot.

The Left isn't content to just try and overthrow a duly-elected president like Donald Trump anymore.

Their failure to do that has spurred them to take even more drastic and radical action -- to remake America itself.

The Left wants to elect a new people... swap out free markets for socialism... and bring the boot of government censorship down on Americans like you so you can't resist.

It is not too late to stop them.

But the key first step is to understand the Left's evil plans for you, your family, and all of America.

That's exactly what my book Radicals, Resistance, and Revenge does and why I want to get it into your hands immediately.

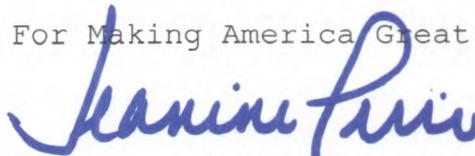

Together, you and I can restore the promise of America, limit the government, and rout the Left.

We conservatives must never shy away from taking the Left head on. This is why the American Conservative Union needs your support. My book provides the blueprint for winning back America and the ACU supplies the political muscle to get it done.

Whether you give \$1,000, \$500, \$250, \$100, \$75, \$50, \$35 or \$25, all I ask is that you respond in the next 72 hours.

Time is tight. At this point every day counts.

For Making America Great Again,

Judge Jeanine Pirro

P.S. The Left has big plans for you. They intend to flood your community with illegal aliens to transform it. Tax you to death and then take over the economy so you know the misery of socialism. Then they intend to drive you out of the public sphere and censor you online so you can't fight back.

I hope you read the Left's plot and said "Not a chance" to yourself. Because if you're the fighting patriot I suspect you are, I need your help.

Please support the American Conservative Union today with a donation of \$25, \$35, \$50, \$75, \$100, \$250, \$500, \$1,000 or more. For a gift of \$50 I will send you a copy of my book Radicals, Resistance, and Revenge and for \$250, I will send you a SIGNED copy. Thank you -- we have a lot of work to do together in the days ahead.
