

**George Soros plans to remove President Trump...
but we can deport Soros himself instead!**

Bob Russell, Project Chairman

Dear Friend,

George Soros was shaking with liberal rage.

He spent tens of millions of dollars to elect gun grabbing Hillary Clinton...

...and LOST!

No one tells him "no!"

So, the week after the election, he called every liberal bigwig and conspirator in DC to a secret three-day-long meeting at Washington's Mandarin Oriental Hotel.

There, he laid out a four-year, multi-million dollar scheme to sabotage and overthrow President Trump so he can finally carry out his globalist, socialist agenda.

You can already see his scheme in action, with daily illegal leaks, Fake News attacks and Soros-approved anti-American programs.

He thinks his scheme is foolproof, but our researchers dug up something...

...George Soros may have forfeited his U.S. citizenship!

He can be legally barred from orchestrating his anti-Trump, anti-gun groups and...

...GEORGE SOROS CAN BE DEPORTED AND BANNED FROM THE U.S!

Will you help me force the Feds to deport Soros by taking two simple actions?

- 1) Please sign and rush back to me your **DEFEND TRUMP! DEPORT SOROS! NATIONAL PETITION**. I will collect your **NATIONAL PETITION**, along with those of as many as one million pro-gun patriots like you, and deliver them to Congress and President Trump to force the Feds to take action.

(over please)

That's why I found interesting a 2011 letter to European political leaders demanding they support the European Union, in which Soros declared, "**As concerned Europeans** we urge Eurozone leaders to unite" and seize control of banking and the military.

Notice what I underlined and put in bold type this time. He signed the letter as a European Union citizen.

Under Federal law, you cannot be both a "European" and an American.

GEORGE SOROS HAS FORFEITED HIS U.S. CITIZENSHIP!

He can be legally stripped of his U.S. citizenship and...

...HE CAN BE DEPORTED FOR RENOUNCING THE UNITED STATES!

If he loses his U.S. citizenship, he can no longer orchestrate and fund his anti-gun, anti-Trump schemes.

So let's begin the process of deporting Soros!

You can do your part by signing your **DEFEND TRUMP! DEPORT SOROS! NATIONAL PETITION** and rushing it back to me right now.

Then I must add as many as one million voices to yours. Only if we collect a huge number of signed **NATIONAL PETITION** appeals -- at least 1 million or more -- along with yours, can we deliver a powerful message to Congress:

We can't let George Soros get away with trying overthrow President Trump, **especially when Soros forfeited his U.S. citizenship and can be deported!**

And with your signed **NATIONAL PETITION**, I must ask you to include your best possible contribution to help *To Keep And Bear Arms* deport Soros before he can overthrow President Trump and begin his plan to destroy our America.

I intend to stage an all-out 90-day campaign to force Congress to deport gun-grabber George Soros. The budget for this campaign calls for an additional \$125,380 in funding above and beyond what *To Keep And Bear Arms* has been able to commit so far. And I must raise at least \$65,910 of that within the next 30 days.

Please sit down right now and send your most generous contribution to help me and *To Keep And Bear Arms* defend President Trump and his pro-freedom agenda -- by deporting George Soros!

(over please)

2) Along with your **NATIONAL PETITION**, may I ask you to please enclose your best gift of \$25, \$50, \$100, \$250, \$500, \$1,000 or even \$2,500 to *To Keep And Bear Arms* so I can expand this effort and get **NATIONAL PETITIONS** into the hands of millions of patriots all across our nation, forcing the Feds to begin the process of deporting George Soros?

I'm Bob Russell. I'm a lifelong hunter and Second Amendment activist.

In the military, I trained as an Army Special Forces Heavy Weapons Specialist at Fort Bragg, North Carolina.

Now I've volunteered to serve my nation again as Project Chairman of *To Keep and Bear Arms* in its vitally important mission to protect our Second Amendment rights from anti-gun liberals and freedom-crushing Federal bureaucrats.

You are probably already aware of Soros' plan to enforce his crazed socialist ideas by overthrowing duly-elected President Trump.

If you've seen the Fake News being churned out by Soros-loyalist press...

...the riots and assaults by Soros-funded groups...

...and the gun bans being enacted across the country by Soros sock puppets -- you already know what orders were given in Soros' three-day DC meeting.

But here's what you may not know.

The only reason Soros can do all this is because the Hungarian-born creepy billionaire also holds U.S. citizenship after taking the following oath:

*I hereby declare, on oath, that I absolutely and entirely **renounce and abjure all allegiance and fidelity to any foreign prince, potentate, state, or sovereignty, of whom or which I have heretofore been a subject or citizen**; that I will support and defend the Constitution and laws of the United States of America*

Notice the part I underlined and put in bold type.

His U.S. citizenship is conditional on his never declaring himself a subject of any other country or government.

P.S. Every attack and scheme against President Trump was planned in a secret meeting the week after the 2016 election between George Soros and liberal elites in an exclusive DC hotel. Soros wants to remove President Trump from office so he can enact national gun confiscation and his globalist, socialist agenda..

Not only can he now be legally barred from funding this anti-gun, anti-Trump scheme -- he can be deported from the U.S.!

But the Feds won't do that unless we force it! Please, send your signed **DEFEND TRUMP! DEPORT SOROS! NATIONAL PETITION** to Congress and President Trump right away. And I must also ask you to include your best possible contribution of \$25 or more to help *To Keep And Bear Arms* stop gun confiscation, defend President Trump and deport George Soros!
