

Larry Klayman

Attorney At Law

2020 Pennsylvania Ave. NW

Suite 800

Washington, DC 20006

Dear Fellow Patriot,

My name is Larry Klayman and I'm the #1 enemy of the corrupt DOJ Deep State prosecutors who just tried to take down President Trump.

Not surprising since I helped stop and expose their "WITCH HUNT" against our great president. But now that their attempted coup failed, they're looking for revenge, and have set their sights on my good friend and client, Cliven Bundy.

Without your urgent help today, these prosecutors (Obama-era holdovers) will attempt to re-try him for a "crime" he's already been found innocent of. That way they can get some payback, and do to him what they failed to do to President Trump:

Lock him away in prison for life!

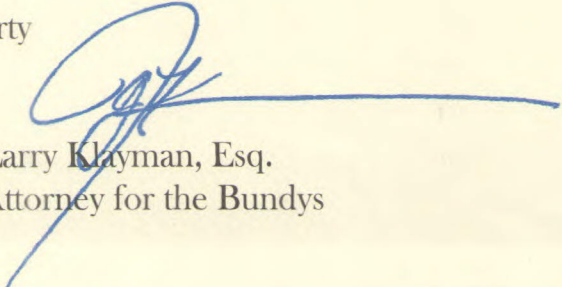

I'm hoping and praying - for the Bundy's sake - that you'll carefully read the enclosed booklet I sent you so you know every detail of this attack.

And when you finish, I hope you'll sign the front cover, and the petition on the inside front cover before returning this legal book to me in the provided postage-paid envelope. That way I can deliver yours to the one man who can STOP the prosecutors from jailing my client today:

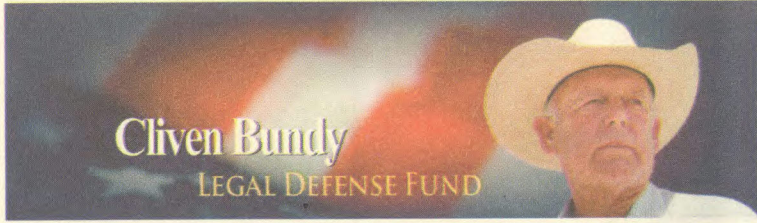

President Trump.

And when you do, I pray you'll also send your generous gift in any amount to make sure I - America's toughest lawyer - have the resources I need to make sure my client never ends up behind bars.

Yours in Freedom and Liberty

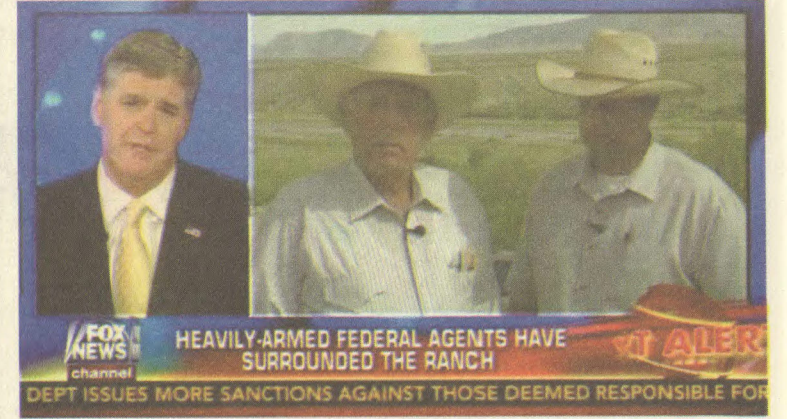

Larry Klayman, Esq.
Attorney for the Bundys

Larry,

- It breaks my heart that the same deep state, DOJ prosecutors who tried (and failed) to convict Cliven, Ryan, Ammon (and Mel and Dave) before, are now attempting to re-try them and send them to prison for life! That's why I'm rushing back my signed booklet to President Trump. Please deliver mine ASAP so the President can stop this "WITCH HUNT" against the Bundy's before it's too late!
- I also know the U.S. Court of Appeals for the Ninth Circuit could approve the prosecution's case at any moment. That's why I'm sending my most generous gift to make sure you - America's toughest lawyer - can defend them and stop the federal government before it's too late. I know you also need my prayers and financial support for your other cases to protect the Bundys and restore respect for our Constitution.
