

# Americans United to Tell the Truth About the Deep State

## A 2020 campaign to inform voters about the Deep State plot to rig an election, overthrow President Trump and corrupt our Republic

SENATOR LINDSEY GRAHAM TO SEAN HANNITY

*“This is just the tip of the iceberg.  
I know personally there’s a lot more out there.”*

That was Senator Lindsey Graham telling conservative talk show host Sean Hannity that there is “a lot more” to come exposing efforts by high-ranking officials to help elect Hillary Clinton and destroy candidate Trump and then President Trump.

Specifically, the Senator was reacting to new evidence that proves the FBI continued to use the “*Steele Dossier*” as an excuse to spy on associates and aides to President Trump even though they knew it was a fake! This new evidence also makes clear that Steele was very anti-Trump and had every intention of trying to derail his 2016 campaign.

Liberty Guard has been collecting evidence like this for months now. You will find all we know to date about the illegal pro-Obama, pro-Hillary Clinton plot within the federal government to destroy and derail the Trump 2016 campaign and now President Trump in the explosive enclosed mini-book “*The Obama-Clinton Deep State Conspiracy to Destroy Donald Trump*.”

HELP LIBERTY GUARD GET THIS IMPORTANT MINI-BOOK INTO THE HANDS OF AS MANY AMERICANS AS POSSIBLE BEFORE THE 2020 ELECTIONS. RESPOND NOW WITH A SPECIAL GIFT OF \$15 OR MORE!

Dear American Patriot,

The enclosed mini-book “*The Obama-Clinton Deep State Conspiracy to Destroy Donald Trump*” is a key weapon in our efforts to inform Americans about the Deep State plot within the federal government to first prevent, and then overthrow, the Presidency of Donald Trump.

It is also meant to warn Americans that the Obama/Clinton Deep State still exists and remains a dire threat to our Republic ... and I’ll explain how and why in detail in a moment.

But first, I need you and other patriots I am writing to today to:

- 1) Check “Yes” on the enclosed “*Deep State Mini-book Verification Receipt*”;
- 2) Sign our “*Patriots’ Letter to President Trump and Attorney General Barr*”; and
- 3) Return both anti-Deep State documents back to me today along with *a special and urgently needed gift* of \$15, \$25, \$50, \$100 or more to **Liberty Guard**.

Your Verification Receipt will confirm you have your Mini-book and we can check your

**name off our list.** That's important because we need to get it into the hands of as many patriots like you as possible. From it, **you will learn**, among other things:

- **How** high-level officials in the Obama Department of Justice, FBI, CIA and other federal agencies, such as **John Brennan, James Comey, Andrew McCabe** and **Peter Strzok**, combined in 2016 to protect Hillary Clinton and smear Donald Trump.
- **How** FBI lawyer **Lisa Page directly implicated Barack Obama** himself when she told boyfriend Peter Strzok, the FBI point man for the spy operation on the 2016 Trump campaign, that "*POTUS wants to know everything we're doing.*"
- **Why** Rush Limbaugh called Hillary Clinton "*the architect of the coup*" to overthrow a duly elected President, and how this campaign to undo the 2016 elections and drive President Trump from office continues to this day.
- **Why** the survival of the United States as a free, prosperous and secure Republic depends on the Obama/Clinton Deep State being completely exposed for all to see. I urge you to read "*The Obama-Clinton Deep State Conspiracy to Destroy Donald*

*Trump*" and to share its explosive contents with your friends and relatives ... **especially** those who, **unlike you**, may not listen to **Rush Limbaugh**, watch **Fox News**, read conservative websites like **Breitbart** or support groups like **Liberty Guard**.

These uninformed Americans **NEED** to know the truth about the cancerous Deep State still lurking inside our government ... which brings me to why I also need **your signature** on our "*Patriots' Letter to President Trump and Attorney General Barr.*"

Our letter urges these two patriots to:

- Authorize the public release of ALL evidence** related to efforts within the federal government to cover up the crimes of Hillary Clinton, rig the 2016 election and, later, overthrow the Trump Presidency; and
- Use the bully pulpits of the White House and the Justice Department** to sound a national alarm over the Deep State crimes which have already been committed against the nation and which continue to this day.

In the coming weeks we'll be sending similar letters urging **Vice President Mike Pence** and true patriots in Congress like **U.S. Senator Lindsey Graham (R-SC)** and **U.S. Congressman Jim Jordan (R-OH)** to make exposing the Deep State a **TOP** priority.

This program is the centerpiece of a campaign we call "**Operation Megaphone**" urging concerned Americans, **both those with large public platforms and grassroots patriots like you**, to help spread the message about the Deep State crimes we outline in our mini-book.

This crucial campaign will be aimed at thousands of local radio stations, TV stations

(Next page, please)

and newspapers, **just like the ones in your hometown.** I am talking about **15,330 local radio stations, 1,761 local TV stations and 1,331 local newspapers** all around the United States.

What's more, we hope to get this mini-book into the hands of **all 50 Governors and all 7,305 State Legislators** across the country.

All told, we will be working to get our mini-book to **roughly 25,000 elected officials, local media outlets and opinion makers.** Will all of them use our mini-book and other Deep State materials? No. But **we don't need all 25,000** to have a major impact in 2020.

If only a small percentage were to take the information in our mini-book to their audiences, who in turn spread the information to their own friends and relatives, we can still reach **millions of Americans** between now and the end of 2020.

But distributing 25,000 copies of our mini-book (with printing, First Class postage and other costs) will alone cost roughly **\$27,250 ... and that's just for starters.**

All in all, we hope to reach **15 MILLION** Americans with our mini-book ... and at a cost of roughly 54 cents apiece, that adds up to roughly **\$8,100,000 (\$8.1 million)!**

A lot of money, yes, but **STILL** not the total amount this campaign will cost.

Which brings me back to my final and most urgent request today: **I need you to speed back a most generous special donation** of \$15, \$25, \$50, \$75 or \$100 to Liberty Guard.

**Liberty Guard** is a watchdog organization dedicated to exposing corrupt cronyism within the federal government. I formed it after a career as a U.S. Attorney for the Northern District of Georgia appointed by **President Reagan**, and as a U.S. Congressman (**where I was a House Manager for the Impeachment of Bill Clinton**).

My time in Congress and in the Justice Department allowed me to observe with my own eyes how the integrity of our federal institutions was slowly being eaten away from within.

This corruption and cronyism escalated to a crisis stage during the Obama years, and now Americans can no longer trust the government to treat all U.S. citizens with "***equal justice under the law***" ... and the time has come to say **ENOUGH IS ENOUGH!**

I hope you understand ... and that **you will speed back a special and much-needed donation** of \$15, \$25, \$50 or \$100 without delay to help us raise:

- ++ **\$8,100,000** to print and distribute up to 15 million copies of our "***Patriots' Letter to President Trump and Attorney General Barr***" and mini-book "***The Obama-Clinton Deep State Conspiracy to Destroy Donald Trump***";
- ++ **\$27,250** to distribute an additional 25,000 copies of our mini-book to local politicians, commentators, newspapers, TV and radio stations, and bloggers around the nation;

(Over, please)

- ++ **\$1,150,000** for the distribution of 2.5 million anti-Deep State “*Tell The Truth*” bumper stickers and petitions;
- ++ **\$920,000** to mail “*Action Alert*” Packages to mobilize Americans against the Deep State, Left-wing, Fake News drive to erase the Constitution, destroy America’s economy and transform America into a weak, borderless, dependent socialist state.

All told, that is a grand total of nearly **\$10.2 million**. **But anything less will not be enough.** The American people **MUST** learn the whole truth about this despicable conspiracy to undermine our electoral system and our Constitutional system of government.

The Republicans won’t do it. The Democrat socialists are part of the problem. And the Fake News media will **NEVER** tell the truth. But led by the President and Attorney General Barr **we can and we will.** **So please:**

- 1) **Check “Yes”** on the enclosed “*Deep State Mini-book Verification Receipt*”;
- 2) **Sign** our “*Patriots’ Letter to President Trump and Attorney General Barr*”; and
- 3) **Return** both anti-Deep State documents back to me today along with ***a special and urgently needed gift*** of \$15, \$25, \$50, \$100 or more to **Liberty Guard**.

**If you can afford to send as much as \$250, \$500, \$1,000 or even more**, that would be a huge boost to our efforts to fully expose the poisonous Deep State in Washington.

But please, **AT LEAST** send in as much as \$15 along with your **Receipt** and **Survey**.

Thank you. I will be anxiously awaiting your reply.

Sincerely,

U.S. Congressman Bob Barr (Retired)

P.S. Ever get into a political argument about the plot to destroy President Trump with a liberal friend or relative who says, “***Prove it!***”? Well, **now you can show them that proof!** The enclosed “*The Obama-Clinton Deep State Conspiracy to Destroy Donald Trump*” mini-book provides a timeline and the names behind the plot to first destroy candidate Trump and elect Hillary Clinton, and then destroy President Trump and overthrow his Presidency. **With this in your hands**, you’ll be able to name names and cite examples your liberal friends will not be able to dispute.

**But we need to get this explosive Liberty Guard mini-book into the hands of millions of Americans** as quickly as we can. So please, along with your **Verification Receipt** and signed **Letter to the President and the Attorney General**, be sure to also rush back **an emergency gift** of \$15, \$25, \$50, \$100 or more to **Liberty Guard**.

I want to **Thank You** for all you've done to end the double standard of justice that has caused conservatives like me to lose confidence in the Justice Department, the FBI, the CIA and other federal agencies infested by Obama/Clinton operatives. But, to truly restore equal justice under the law in Washington, I urge you to go further.
