THE BIDEN DEEP STATE CONNECTION

A National 2020 Campaign by Liberty Guard to expose the corruption of Hunter and Joe Biden, the Obama/Clinton Deep State, and the plot to Overthrow President Trump

ABC News: "Would you have been offered a job at Burisma Holdings in Ukraine if your last name wasn't Biden?" *Hunter Biden:* "I don't know, probably not."

"I said, 'You're not getting the billion.' I'm going to be leaving here in, I think it was about six hours. I looked at them and said: 'I'm leaving in six hours. If the prosecutor is not fired, you're not getting the money,'" Biden recalled telling [former Ukrainian President] Poroshenko.

"Well, son of a bitch, he got fired. And they put in place someone who was solid at the time," Biden told the Council on Foreign Relations event, insisting that President Obama was in on the threat.

Former VP Joe Biden as documented in AmericanWatchtower.com, April 2, 2019

Dear Fellow American,

Hunter Biden all but admitted he would **not** have been given a \$50,000-a-month job with the corrupt Ukrainian oil and gas company Burisma Holdings if it were not for his father.

Joe Biden bragged about doing the very thing for which the Democrats tried to impeach President Trump: withholding military aid from Ukraine, in this case to squash an official corruption investigation of his son.

But the **Biden/Ukraine connection** is more than just the Ukraine scandal the Fake News media won't tell you about ... it may also be the key to exposing the entire corrupt Deep State cancer eating away at our Republic ... and I'll explain how and why in a moment.

But first, I need you to take these three important action steps without delay:

- 1) **Check "YES"** on the enclosed "**Hunter Biden: The Most Comprehensive Timeline**" **Report Receipt Verification**;
- 2) **Sign** the enclosed **Petition to Senate Judiciary Committee Chairman Lindsey Graham**; and
- 3) **Speed each document back to me today along with a special donation** of \$15, \$25, \$50, \$100 or more to Liberty Guard and our special "**Expose Hunter Biden**" project.

The enclosed Report is a detailed explanation of what led up to then-Vice President Joe Biden's demand that Ukraine fire a special prosecutor looking into the actions of an oil and gas company called Burisma

Holdings and his son Hunter Biden.

Compiled by respected conservative author and blogger **Jim Geraghty**, this report was first published by *National Review*. Our goal is to get it into the hands of **millions of Americans** between now and the end of the year ... and you are one of the first Americans to receive your free copy.

Inside this Report you will find documented proof of the roots of the **REAL “quid pro quo”** scandal the hate-Trump Fake News media and Democrat socialists refuse to talk about.

It is a key part of a National 2020 Campaign we have launched to demand an official U.S. Senate investigation into the corrupt actions of Hunter Biden and how Joe Biden (**with the direct knowledge and help of the Obama Administration**) worked to cover them up. Once you have read it, you will see why there can be **NO DOUBT** that, right out of college, Hunter Biden financially benefited from being his father’s son. For example, inside the enclosed Report, you will learn how Hunter Biden:

- ** **Was hired with a \$100,000 retainer fresh out of law school** by MBNA, a powerful Delaware Bank with close ties to his father. The bank promoted him to senior VP just two years later. During that same time period, Biden also worked as a lobbyist in Washington representing major universities and large companies such as Napster;
- ** **Used his father’s name and connections at the highest levels of the Red Chinese government** to secure a joint venture between the Bank of China and Rosemont Seneca Partners, an investment company he co-founded with another well-connected Democrat insider, Christopher Heinz, the stepson of Obama’s last Secretary of State, former liberal Senator John Kerry; and
- ** **Was given a \$50,000-a-month position on the board of the corrupt Ukrainian oil and gas company Burisma Holdings**, despite having **NO** experience in the industry, despite **NOT** speaking the language and despite having **NO** understanding of the culture.

Today Hunter Biden is, as reported in *The New York Post*, the subject of multiple criminal investigations related to **“fraud, money-laundering, and counterfeiting schemes.”**

But the truth is, Hunter Biden is an amateur when it comes to abusing powerful connections within the Deep State in Washington to enrich himself.

In his book **“Profiles in Corruption,”** author Peter Schweizer documents how Joe Biden’s brothers, James and Frank, were beneficiaries of numerous sweetheart deals (including government contracts) thanks to Joe Biden’s influence.

And that’s just the Bidens. Schweizer’s book chronicles in detail how Washington, D.C. politicians and bureaucrats have turned the federal government into a corrupt cesspool that empowers, enriches and legally protects the well-connected.

That’s why it’s time to end the double standard of justice in Washington ... **and your signature on your Petition to Senate Judiciary Committee Chairman Lindsey Graham is the first step in the right direction.**

It urges Senator Graham (who has already called the FBI’s investigation into the Russia/Trump collusion hoax **“corrupt at its core”**) to launch a full-scale Senate investigation into the corruption and possible crimes involving the Bidens and to open the door on the larger problem of the corrupt Washington, D.C. Deep State.

Our Petition also urges Senator Graham to investigate what, if any, connection the Biden/Ukraine scandal has to the origins of the Russia/Trump **“collusion”** hoax and, most importantly of all, to ask, **“What did Obama know and when did he know it?”**

I wish we could trust the Justice Department to get to the bottom of all this. But sadly, we believe there
(over please)

are simply too many Deep State moles in the DOJ and FBI to ever fully expose, charge and punish their fellow Obama/Clinton Deep Staters.

Case in point: **Trump associate Roger Stone vs. Andrew McCabe.**

Before being found “*guilty*” of lying to Congress, the 67-year-old Stone was arrested by a fully armed federal assault team that included armed vehicles, helicopters and even motorboats. It was later learned that one of the jurors in his case was a dyed-in-the-wool Trump hater. Yet, federal prosecutors still recommended a nearly 10-year sentence!

McCabe? Despite powerful evidence that he repeatedly lied to federal investigators about leaking classified information to the media, he was never arrested, never prosecuted and now makes a good living trashing Trump and his supporters on TV!

So no, we can **NEVER** completely trust the Justice Department. **It will have to be done in the Senate ... and it has to be done NOW** while the Republicans still control the Senate.

If the Democrats take control in 2021, we will **NEVER** know the truth about what really happened in 2016, or with the Russia/Trump collusion hoax, or the Bidens’ or Obama’s role in any or all of it ... **and that will be a disaster for the future of our country.**

The Deep State will simply go back to business as usual ... the swamp will be refilled and secure ... and the double standard of justice that protects liberals and punishes conservatives will go on and on and on.

A democratic republic like ours cannot survive if the people lose faith in our leaders and institutions ... and that loss of faith is fast approaching a critical point of no return.

That’s why we need to act now. But, to accomplish this mission, **we need your financial support ...**
... and that’s where your urgently needed and most generous donation of \$15, \$25, \$50, \$100 or more to Liberty Guard comes in.

Liberty Guard is a non-profit watchdog organization dedicated to exposing corrupt cronyism within the federal government. I formed **Liberty Guard** after serving as a U.S. Congressman and as the U.S. Attorney for the Northern District of Georgia appointed by President Ronald Reagan.

My time working within the Justice Department and Congress (**where I was one of the House managers for the Impeachment of Bill Clinton**) allowed me to observe with my own eyes how the integrity of our federal institutions was slowly being eaten away from within.

This corruption and cronyism escalated to a crisis stage during the Obama years, and now Americans can no longer trust the government to treat all U.S. citizens with “*equal justice under the law*” ... and the time has come to say **ENOUGH IS ENOUGH!**

I hope you understand ... and that, along with your **Receipt Verification and Petition ...**

... you will also speed back a special and much needed donation of \$15, \$25, \$50 or \$100 without delay.

Please, **your most generous gift** is needed today to help raise the funds we need to:

++ Mass distribute across the country, via postal mailings, emails and social media, copies of

(Nextpage please)

“Hunter Biden: The Most Comprehensive Timeline” and **Petitions to Senator Lindsey Graham.** (We also plan to deliver copies into the hands of key influence makers like Rush Limbaugh, Laura Ingraham, Mark Levin and Sean Hannity.)

- ++ **Mail Action Alert Packages to mobilize Americans** against the Deep State, Left-wing, Fake News drive to erase the Constitution, destroy America’s economy and transform America into a weak, borderless, dependent socialist state.

All of this will be needed to fully expose the Bidens, the Obama/Clinton Deep State and the origins of the Russia/Trump hoax. So again, please:

- 1) **Check “YES”** on the enclosed **REPORT RECEIPT VERIFICATION;**
- 2) **Sign** the enclosed **Petition to Senate Judiciary Committee Chairman Lindsey Graham;** and
- 3) **Speed each document back to me today along with a special donation** of \$15, \$25, \$50, \$100 or more to Liberty Guard.

Yes, I know I am asking a lot. But there is a lot at stake. In fact, **if you can afford to send as much as \$250, \$500, \$1,000 or even more,** that would be a huge boost to our efforts.

But please, **AT LEAST** send in as much as \$15 along with your **Receipt** and **Petition.**

Thank you. I will anxiously be awaiting your reply.

Sincerely,

U.S. Congressman Bob Barr (Retired)
Founder and Chairman

P.S. The enclosed Report, **“Hunter Biden: The Most Comprehensive Timeline,”** puts to rest the ridiculous media claims that all criminal and corruption charges against Hunter Biden (and his father’s role in covering them up) have been **“debunked.”** **We need to get this report into the hands of millions of Americans** as quickly as we can. We also **need your signature on our Petition to Senate Judiciary Committee Chairman Lindsey Graham** to urge him to launch a full-scale and immediate investigation into the Bidens and the corrupt Obama/Clinton Deep State. **And make no mistake: It must happen now! While Republicans still hold the Senate!**

P.P.S. Joe Biden may never be President. But he may be the key to exposing the truth about the Deep State cancer in Washington that is eating away at our Republic. In short, was the entire Russia/Trump collusion hoax part of an elaborate plot to cover up crimes by Barack Obama, the Bidens and the Deep State? **The American people need to know!**

So please: **Check “YES”** on your **RECEIPT VERIFICATION** and **sign** our **Petition to Senate Judiciary.**

Petition to Senate Judiciary Committee Chairman Lindsey Graham

Sponsored by “*THE BIDEN DEEP STATE CONNECTION*”

A Special Project of Liberty Guard to expose the corruption of Hunter and Joe Biden, the
Obama/Clinton Deep State, and the Plot to Overthrow President Trump

Former Congressman Bob Barr, Chairman

To: The Honorable Senator Lindsey Graham (R-SC)
Chairman, The Judiciary Committee of the United States Senate

I applaud your efforts to expose the Russia/Trump collusion narrative as a Deep State
hoax. You are totally correct that the FBI’s investigation of the President has been from day one
“corrupt at its core.”

Now I urge you to launch a full-scale investigation into the many possible crimes
committed by Hunter Biden, his abuse of his father’s influence and his father’s official efforts
to cover it all up. I also believe Americans **MUST** learn the connection between the Bidens’
activities in Ukraine and actions taken by the FBI, CIA and other federal agencies before,
during and after the 2016 elections.

Specifically, I would respectfully urge the Judiciary Committee under your leadership to
hold public hearings to determine:

- ** **Was the entire Russia/Trump collusion hoax** part of an elaborate plot to cover up
crimes by Barack Obama, the Clintons, the Bidens and the Deep State?
- ** **What was Obama’s role** in Joe Biden’s pressure campaign in Ukraine to protect his
son, the whitewashing of Hillary Clinton’s emails, and the corrupt use of the phony
“Steele Dossier” to surveil the Trump presidential campaign? What did Obama know
and when did he know it?
- ** **Was all that has happened before, during and since the 2016 elections part of a
coordinated Deep State plot** to overthrow the President in order to preserve their
own power?

The American people deserve to know the truth about these charges, and again, I urge you
to launch a full-scale investigation into how all these issues are related while the Republicans
still hold the Senate majority.

Sincerely: _____ Date: _____
