**. . . and to Make Sure Millions of Undecided Swing Voters  
in 12 Key Battleground States Understand Exactly What  
Happened -- So They Cast Informed Votes in 2020.**

**Dear American Patriot,**

I hope you like the FREE 56-page mini-book I've enclosed for you – *The Obama-Clinton Deep State Conspiracy to Destroy Donald Trump*.

We at LIBERTY GUARD aim to put a copy of this mini-book (and videos based on this mini-book) in the homes of millions of swing voters in 12 battleground states that will decide the outcome of the 2020 Election.

This is how we bypass the corrupt, dishonest media to make sure the American people (especially swing voters in the battleground states) understand exactly what's been going on since the summer of 2016 when it became clear **Donald Trump** would be the Republican nominee for President.

Before I explain our 2020 VOTER EDUCATION program in more detail, I ask that you please take these three ACTION STEPS for me:

**ACTION STEP #1:** Please let me know your mini-book arrived in your mailbox by completing the enclosed MINI-BOOK DELIVERY VERIFICATION RECEIPT.

**ACTION STEP #2:** Please sign and return the enclosed EMERGENCY REQUEST and PLEA for delivery to **U.S. Attorney General William Barr** to deliver swift justice to everyone involved in this COUP ATTEMPT against our President, including . . .

- Obama's **CIA Director John Brennan**, who launched the RUSSIA HOAX against then-candidate Trump in the summer of 2016.
- Obama's **FBI Director James Comey** and Obama's #2 at the FBI **Andrew McCabe**, who launched a counter-intelligence investigation against candidate Trump for partisan political purposes– an operation Team Obama code-named "OPERATION CROSSFIRE HURRICANE."
- NSA Director **James Clapper**, who helped lead the surveillance of candidate Trump in an effort to dig up dirt on and smear Donald Trump as somehow an agent of Russia.

The phony "**Trump Colluded with Russia to Steal the 2016 Election**" narrative was a hoax from the start – a scheme cooked up by Team Obama-Hillary to misuse the **FBI, CIA** and **NSA** to frame the Republican nominee for President for fake crimes . . . and then continue to try to overthrow President Trump after he was elected by triggering the illegitimate Mueller investigation and then a phony impeachment!

We at LIBERTY GUARD aim to collect and deliver millions of these signed letters to **U.S. Attorney General William Barr** to show him that the overwhelming majority of Americans want the perpetrators of this plot prosecuted to the full extent of the law.

**ACTION STEP #3:** Please take a few minutes of your valuable time to complete the enclosed **National Survey of 1,000,000 U.S. Voters** concerning the Attempted Coup Against President Trump by the Obama **CIA, FBI** and Deep State. LIBERTY GUARD will distribute a

full report on the results of this survey to . . .

- President **Donald Trump**
- Vice President **Mike Pence**
- Their Senior Advisors in the White House
- U.S. Attorney General **William Barr**
- Every member of Congress (House and Senate)
- Various news media outlets

**ACTION STEP #3:** LIBERTY GUARD needs donations so we can . . .

- 1) Collect and deliver millions of these signed letters (along with results of this survey) urging U.S. Attorney General William Barr and President Trump to be relentless in bringing the perpetrators to justice for their attack on America's elections and Constitutional Republic.
- 2) Bypass the corrupt "Fake News" media to put the facts in front of millions of American voters on exactly how **Barack Obama** and **Hillary Clinton** misused the awesome surveillance powers of the **CIA, NSA and FBI** to try to frame **Donald Trump** for non-existent crimes and steal the Presidential Election in 2016 . . . and how we almost lost our Republic forever because of this scheme. We aim to do this by . . .
  - Putting a FREE copy of this mini-book in the hands of millions of voters – with a special focus on the 12 battleground states that will decide the 2020 Election. These key battleground states are **Florida, Michigan, Ohio, Pennsylvania, Wisconsin, Minnesota, Arizona, Georgia, Iowa, Nevada, Colorado** and **New Hampshire**.
  - Creating videos that are shared on social media and go viral across the Internet.

Every American needs to understand these facts before they vote in **2020!**

My name is Bob Barr. I am a former U.S. Attorney – and a former member of Congress. I am also the co-founder and Chairman of LIBERTY GUARD. With more than 100,000 members and supporters, LIBERTY GUARD fights for the rule of law and honesty in government because we believe corruption in government is the single greatest threat to liberty.

We now know the **Mueller investigation** was corrupt from the start. Sixteen of the 19 prosecutors were highly partisan Democrats. One was the Chief Counsel to the corrupt Clinton Foundation.

They had 40 FBI agents, forensic accountants, IRS agents and other investigators on their team. They conducted more than 500 interviews, issued 2,800 subpoenas and conducted more than 500 search warrants over a span of two years. They spent \$30 MILLION. They even stormed a citizen's home with an armed military-style raid in the middle of the night.

After all this, they could find absolutely no violation of law by **Donald Trump** – not so much as even an unpaid parking ticket.

A few weeks after the RUSSIA HOAX collapsed with the release of the Mueller Report and Mueller's testimony before Congress when he said they found nothing, Democrats immediately launched the UKRAINE PHONE CALL HOAX.

There will be an endless stream of these kinds of HOAXES all the way until Election Day on November 3.

We wrote and published this mini-book for FREE distribution to the American people (especially the 2,000,000 or so swing voters in the battleground states who will decide this election) so they can understand exactly what's been going on.

These undecided swing voters won't learn any of this information from corrupt "Fake News" CNN,

**MSNBC, ABC, CBS, NBC, The Washington Post or The New York Times.**

Undecided swing voters don't watch FOX News much or listen to conservative talk radio.

The only way most of them will learn any of this information is if we give them a copy of this mini-book or send them a video version of this mini-book via email or social media.

We urgently need donations to do this.

I'll just give you a brief shocking summary here of what we know so far.

It's become increasingly clear that Obama's CIA Director **John Brennan** started the Russia HOAX against candidate **Donald Trump** in the summer of 2016.

**Brennan's** evidence was the bogus so-called "**Steele Dossier**" – which turned out to be an opposition research document produced by **Hillary Clinton's** campaign.

Keep in mind that **John Brennan** is so far to the Left that he actually voted for the Communist Party candidate for President in 1976 because Jimmy Carter was not far Left enough for him. These are the kinds of people Barack Obama was appointing to the highest levels of our government.

Brennan's claim that Trump might be an agent of Putin and Russia was the excuse Obama's FBI needed to start a counter-intelligence investigation against candidate Trump – to try to frame Trump.

The code name Obama's FBI gave to its investigation of Trump in 2016 was "CROSSFIRE HURRICANE."

The purpose of creating "CROSSFIRE HURRICANE" was obviously to create chaos, to disrupt, to confuse, to destroy – not to find out the truth about anything. "CROSSFIRE HURRICANE" is the type of code name you give to a military operation – especially one that involves psy-ops, deception and ambush.

This "opposition research" document paid for by the Hillary Clinton campaign called the "Steele Dossier" was produced by ex-British spy Christopher Steele. In sworn testimony later, Steele admitted he could not confirm the truth of the most explosive and salacious information in his Dossier on Trump.

He even admits that much of it might have come from Russian intelligence.

So Team Obama used this bogus "Steele Dossier" as the excuse to launch a counter-intelligence investigation (the most serious kind of investigation – a secret national security investigation) against the Republican nominee for President.

They were treating **Donald Trump** as though he were an enemy of the United States – like **ISIS**.

And then after Trump won the election (much to their shock) they continued to use the awesome powers of the FBI, CIA and NSA to try to topple our duly elected President – to conduct a COUP.

This is just the tip of the iceberg of the plot by Team Obama to use the CIA, FBI and other federal agencies to tip the 2016 Election to Hillary Clinton. Then, when that failed, they kicked off the illegitimate Mueller investigation – expecting to take down our President that way.

The crimes committed by the Obama-led FBI, CIA and NSA are grievous.

We need your help to get these facts into the hands of millions of Americans (with this mini-book and viral videos based on this mini-book) – with a special focus on reaching swing voters in the 12 key battleground states . . . so they can see what happened and what continues to happen.

We must make sure every American understands exactly what happened here as we speed toward the all-important 2020 Elections . . . because if the Left wins control of our government in 2020 you know for a fact that the perpetrators of this attempted COUP will never be held accountable.

You also know with 100% certainty if the Left wins control of our government in 2020, they won't make the same mistakes they made this time and get caught. They will be even more ruthless in using the FBI, the

DOJ, the CIA, the IRS and all agencies of government to target and destroy all political opposition.

But voters won't learn any of this from the "Fake News" media. That's why it's so important to put this information directly in the hands of voters.

We aim to do this by distributing this mini-book in mailings like this – also via TV, radio and viral videos we are creating for distribution on YouTube, Facebook, Twitter, social media, across the Internet and via email so that Americans really understand what's at stake in the 2020 Elections.

But all this is costly. For example, to print and mail a VOTER EDUCATION packet like this one (with the FREE mini-book) costs about 65 cents, including postage.

So, to print and mail this VOTER EDUCATION packet to 1,000,000 Americans costs about \$650,000. And then there are our videos, social media, TV and radio campaigns that reach millions more Americans with the facts on this most serious scandal in America's history – 1,000 times worse than Watergate.

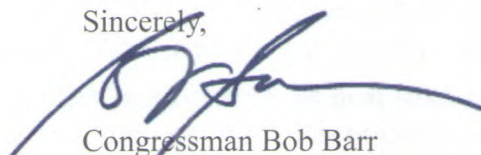

But all this requires funding. And our only source of funds are the donations we receive from wonderful patriotic Americans like you. So I hope you will answer my letter with the best gift of support you can send.

Most of LIBERTY GUARD's supporters send donations in the **\$25 to \$100** range – though some of our friends and benefactors are blessed to be able to send larger gifts of **\$500, \$1,000** or even more . . . while our other friends and supporters are making an equal sacrifice by sending smaller gifts of **\$20, \$15** or even just **\$10**.

Only you know what you are able to contribute. Every dollar donated helps. Every gift makes a difference no matter how large or small. What matters most is not the size of your contribution, but that you make a point to send a donation in some amount – whatever is the right amount for you.

I will anxiously look to hear back from you by return mail in the next few days. **Please help!**

Sincerely,

Congressman Bob Barr  
Former United States Attorney (1986–1990)  
Member of U.S. House of Representatives (R-GA, 1995–2003)

**P.S.** Please let me know your ***The Obama-Clinton Deep State Conspiracy to Destroy Donald Trump*** mini-book arrived in your mailbox by completing and returning the enclosed MINI-BOOK DELIVERY VERIFICATION RECEIPT

Please also be sure to include your signed **Letter to U.S. Attorney General William Barr** urging relentlessness in bringing to justice the perpetrators of this attempted COUP by Team Obama-Hillary. This was the real attack on America's elections and on our Constitutional republic.

We plan to deliver your signed letter on your behalf to **William Barr** (with a copy to **President Trump**) along with millions of these signed letters we hope and expect to collect during the next several weeks from outraged patriotic citizens. LIBERTY GUARD is also in urgent need of immediate donations so we can . . .

- 1) **Bypass the corrupt "Fake News" media** to put the facts about this COUP ATTEMPT against our duly elected President directly in the hands of voters by mailing this mini-book FREE to millions of Americans – with a special focus on reaching undecided swing voters in the 12 key battleground states that will decide the 2020 Election. Every American needs to understand these facts about this COUP ATTEMPT before they vote in 2020!
- 2) **Collect and deliver** millions of these signed **Letters to Attorney General William Barr** to show him that American voters want Team Obama brought to justice for their misuse of the FBI-CIA-NSA to target and destroy the Republican nominee for President and then (after he was elected) to trigger the illegitimate two-year Mueller investigation to topple our duly elected President.

If these people escape accountability, we will see this happen again if the Left sweeps back into power in 2020. Only next time, it will be even worse. They won't make the same mistakes that got them caught this time. And then the America you love really will be over.

Thank you for doing all you can to help save this magnificent Republic. Please contribute what you can!

# Emergency Plea to U.S. Attorney General William Barr

## To Deliver Swift Justice to Team Obama for Their COUP ATTEMPT Against America's Duly Elected President

FROM:

To:  
U.S. Attorney General William Barr  
CC: President Donald Trump

**INSTRUCTIONS:** Please sign the letter below. LIBERTY GUARD's goal is to collect and deliver millions of these signed letters to President Donald Trump and Attorney General William Barr from patriotic Americans who want to see Team Obama-Clinton held fully accountable for this COUP attempt and brought to justice.

---

**Dear Attorney General William Barr:**

I know you are working very hard investigating the apparent attempted COUP D'ETAT Barack Obama's CIA Director **John Brennan**, FBI Director **James Comey** and National Intelligence Director **James Clapper**, and others at the top levels of these powerful agencies, appear to have launched against **President Trump**.

I urge you to be relentless in delivering justice to all involved in this apparent COUP ATTEMPT because serious crimes appear to have been committed by the highest levels of the Obama Administration, including very likely **Barack Obama** himself, for misusing the **CIA**, **FBI** and America's National Security agencies to spy on the 2016 Trump Campaign for the purpose of framing Donald Trump for a non-existent crime.

They appear to have used bogus opposition research produced by the **Hillary Clinton** campaign, much of it apparently the product of Russian disinformation, as the pretext to launch this counter-intelligence investigation into the Trump campaign and **Donald Trump** himself.

Their purpose appears to have been to destroy the campaign of the Republican nominee for President.

When that failed, Obama's Deputy FBI Director **Andrew McCabe** admits in his book and in TV interviews that he then set the wheels in motion to have this Special Counsel appointed based on something that we now know never happened, apparently all for the purpose of toppling our duly elected President.

Now we also know from the **Mueller Report** that much of the content of the so-called "**Steele Dossier**" is fiction – most likely supplied by Russian intelligence to foreign spy Christopher Steele, who was paid by the **Hillary Clinton** campaign and the Democratic National Committee.

Steele himself says he can't vouch for the truth of his Dossier and that much of it might have been supplied to him by Russian intelligence as part of Russia's attempt to disrupt our elections. Yet this fictitious Dossier was the key evidence used by the Obama Administration with the secret FISA Court to launch this counter-intelligence investigation against the Republican nominee for President.

All the perpetrators of this attack on our Constitutional Republic must be brought to justice quickly.

Sincerely,

# National Survey of 1,000,000 U.S. Voters

## Concerning Team Obama's Misuse of the FBI, CIA and NSA to Defeat the Republican Nominee for President in 2016 and Then Topple America's Duly Elected President

**INSTRUCTIONS:** Please mark the answers that come closest to your opinion. Feel free to write your own answers if you don't find your view reflected in the answer options.

**ABOUT THIS SURVEY:** LIBERTY GUARD will distribute a report on the results of this survey to **President Trump, U.S. Attorney General William Barr, Vice President Pence, President Trump's top advisors**, every member of Congress (House and Senate), and the news media.

**ISSUE SUMMARY:** In 2016, President Obama's CIA, FBI and Department of Justice used an opposition research document provided to them by the **Hillary Clinton** campaign to launch a national security investigation against candidate for president **Donald Trump**. When this failed to defeat his candidacy, they managed to trigger an Independent Counsel investigation against President Trump in an effort to overthrow America's duly elected President in a COUP D'ETAT.

**QUESTION #1:** Do you think President Obama and his team were misusing the awesome surveillance powers of the CIA, FBI and NSA for partisan political purposes to spy on the Republican nominee for President for the purpose of digging up dirt, finding crimes and framing **Donald Trump** for crimes?

- Yes     No     No Opinion

**QUESTION #2:** After **Donald Trump** won the election in 2016, and during the transition while **Barack Obama** was still President, do you think Obama and his team continued to use the CIA, NSA and FBI to try to destabilize and overthrow our duly elected President with this phony narrative that **Donald Trump** somehow colluded with Putin and the Russian Kremlin to steal the election from Hillary?

- Yes     No     No Opinion

**QUESTION #3:** The Obama Administration code-named their "counter-intelligence" investigation against **Donald Trump** "OPERATION CROSSFIRE HURRICANE." What do you think this code name suggests about the motive behind this investigation?

- This code name tells us the real motive was to destabilize the Trump campaign and later his Presidency: to sow confusion and chaos – much like a military operation that uses psy-ops, deception and ambush against an enemy. They were treating **Donald Trump** as an enemy of the United States – similar to **ISIS**.
- I see no significance in this code name "OPERATION CROSSFIRE HURRICANE." I'm sure the Obama Administration was just interested in finding out the truth.
- No Opinion     Other \_\_\_\_\_

**ISSUE SUMMARY:** Barack Obama's #2 at the FBI, **Andrew McCabe**, was fired from the FBI for lying to FBI investigators and leaking confidential misinformation about **Donald Trump** to the media. McCabe boasts in his book and in multiple TV interviews that before he left the FBI, he succeeded in getting the Special Counsel investigation against Trump going in a way that would be very difficult to stop. **McCabe** boasts that he was looking for any and every means possible to remove President Trump from office.

**QUESTION #4:** Do you think **Andrew McCabe** and others involved in this apparent plot to overthrow our duly elected President should be held fully accountable to the law?

- Yes     No     No Opinion

**QUESTION #5:** If **Hillary Clinton** had won the election in 2016 instead of **Donald Trump**, do you think we ever would have found out about any of this?

- Yes     No     No Opinion

**ISSUE SUMMARY:** President Obama's CIA Director **John Brennan** is so far Left that he actually voted for the Communist Party candidate for President in 1976.

**QUESTION #6:** What do you think of the fact that **President Obama** would appoint a former Communist supporter to run the **CIA** and to help lead "OPERATION CROSSFIRE HURRICANE" against **Donald Trump**?

- Outrageous       No Big Deal       No Opinion  
 Other \_\_\_\_\_

**QUESTION #7:** How frightening is it to you that we nearly lost our Constitutional Republic forever to this scheme, hatched by Obama and his radical Left cohorts?

- Very Frightening       Frightening       Not Frightening  
 I think this would be fine       No Opinion

**ISSUE SUMMARY:** Now we learn that Obama's FBI-CIA-NSA tried to plant spies inside the Trump campaign (and might have actually succeeded in doing this) as part of its effort to collect dirt and damaging information on President Trump and his associates.

**QUESTION #8:** What's your reaction to this fact?

- Beyond Outrageous       Outrageous       Disturbing  
 I have no problem with this       No Opinion

**ISSUE SUMMARY:** The central crime in the Watergate scandal was this: A small group of low-level, over-zealous Nixon campaign operatives broke into the Democratic National Committee to plant listening devices – which turned out not to work. Nixon knew nothing about this, but tried to cover it up, so was forced to resign from office.

**QUESTION #9:** How would you compare Team Obama's use of the FBI-CIA-NSA to wiretap and spy on the Trump campaign (for the purpose of collecting dirt, creating evidence of crimes, manufacturing phony crimes, and framing the GOP nominee for President for a non-existent crime) to the Watergate scandal?

- This is 1,000 Times Worse Than Watergate       100 Times Worse Than Watergate  
 10 Times Worse       About the Same as Watergate       Not as Bad as Watergate  
 What Obama Did is Not a Scandal       No Opinion  
 Other \_\_\_\_\_

**QUESTION #10:** How important do you think it is to America's survival as the "land of the free" for all the perpetrators of this attempted COUP against our duly elected President to be brought to justice so something like this never happens again?

- Very Important       Not Important       No Opinion

**QUESTION #11:** Will you send your best gift of support right now to help LIBERTY GUARD . . .

- 1) **Bypass the corrupt "Fake News" media** to put the facts about this COUP ATTEMPT against our duly elected President in front of the American people by mailing this mini-book (plus sending videos taken from this mini-book) to millions of Americans – with a special focus on reaching undecided swing voters in the 12 key battleground states that will decide the 2020 Election.
- 2) **Collect and deliver** millions of these signed **Letters to Attorney General William Barr** to show him that American voters want Team Obama-Clinton brought to justice for their use of the FBI-CIA-NSA to target and destroy the Republican nominee for President and then (after he was elected) to trigger the illegitimate two-year Mueller investigation to topple our duly elected President.  
 **Yes**, I am sending my best gift of support . . . because we cannot let **Team Obama** get away with using the power of the U.S. government to target his political opponents.  
 **No**, because I believe Obama and his team were right to do anything and everything in their power (including using the FBI, and CIA) to destroy **Donald Trump**.
