

March 2020

Dear Friend,

The enclosed photograph of President Trump and me is a personal gift to you. That day, when I met with him, he expressed his gratitude for our prayers and for the support we've given him since he took office.

I told the President I wished he could meet with you so that he could personally thank you. You matter to him. Make no mistake.

That's why I've sent you the enclosed *2020 Partner Survey*. Please complete it and return it to me. I'll take your answers and compile them with answers from the surveys I've sent to other key members, and I will release the results publicly and make sure that President Trump knows how you feel.

When you complete the survey and send it back to me you will:

- Take part in implementing our strategy to get Christians to the voting booth in 2020;
- Prove wrong those in the media and the political elite who say that Christians will not have an impact on upcoming elections;
- Urge our leaders to stand for a bold, brave, biblical worldview so that all Americans can live the freest, fullest life... and fill God's potential for us.

So please rush back to me your *2020 Partner Survey*. Thank you.

My name is Governor Mike Huckabee. I succeeded Dr. Ben Carson as the Honorary National Chairman of *My Faith Votes* after he was called to serve in President Trump's cabinet as Secretary of Housing and Urban Development.

I'm writing you today because the fight for 2020 is underway. You and I must be every bit as committed to victory as those who are pushing radical Left candidates and policies.

Social progressives are mobilizing, spreading across the country, and increasing in numbers, in tenacity, in anger. They want one thing: to win the upcoming federal, state, and local elections. They want the power to transform America into a Godless nation... one where the government controls every part of our lives. It will bring poverty and despair to our children and grandchildren.

(over, please)

Let me remind you how many elections are happening this year:

- » 100,000+ elections in 2020, including...
 - President of the United States
 - All 435 seats in the U.S. House of Representatives
 - 33 Senate seats, with 10 in critical contention
 - 11 Governorships and/or Lt. Governorships

The stakes for Christians couldn't be higher. I can't tell you how important this year will be. The social progressive movement is taking aim squarely at biblical values, threatening the soul of our nation, and endangering opportunity, prosperity, freedom.

I'm asking you to join me in defending against the attacks from the Left and tyranny of the Secular left. I'm asking you to join me now.

I believe God has called *My Faith Votes* to raise-up an army -- tens of millions of Christians like you advancing heaven on earth by living out their faith and voting from a biblically informed worldview.

Yes, we are the ones to do it.

You may remember that leading up to the last presidential election, *My Faith Votes* engaged 1.5 million people per day in battleground states.

As a result, 85% of Christians we reached turned out to vote their values - well above the national average of 55%.

Our impact increased in 2018, as *My Faith Votes* equipped Christians with an online voter guide covering all 70,000 elections across the country, from the U.S. Senate down to local school boards.

We are committed to helping all Christians bring the influence of their faith to every election.

And your investment today will help execute this proven battle plan again in 2020.

Together we can empower millions of Christians across the country through mobilization efforts in churches, on Christian university campuses, through TV and radio ads, by digital and social media, and through advanced voting technology and research.

We know we can positively impact the elections happening this year across the nation.

I don't have the words to tell you how much you mean as a partner. You have proven your mettle time-and-again. You are not just a Christian in word... you are a Christian in deed.

However, our research reveals that there are roughly 25 million other Christians who don't vote. When you consider that only 113 million people voted in the 2018 elections you can see that we have an enormous opportunity to bring the influence of our faith to every election.

Presidential candidates are advertising and raising millions of dollars to defeat President Trump. The Presidential primaries have begun.

President Trump issued the boldest EVER pro-life statement of any President when he sent a letter to the Speaker of the House, Nancy Pelosi, vowing to veto any legislation “that weakens the current pro-life Federal policies and laws, or that encourages the destruction of innocent human life at any stage.”

When people want to know why many people of faith support policies of President Trump, it's because he takes stands like this.

Please join me today in defense of our values, our beliefs.

The secular progressives have a billion-dollar war chest they'll use to flood the airwaves, college campuses, and the mainstream media with their propaganda. They will do whatever it takes to win votes and take over our institutions.

I've written you today because I believe you feel as I do: It is our burden and our blessing to follow in God's footprints. We must fight to...

- defend the unborn, take control of our children's education, have the freedom to practice our faith in the public marketplace...
- care for the most vulnerable among us by helping them build their own prosperous future...
- choose our own healthcare that does not compromise our values and beliefs...
- grow our families and our businesses without governmental control.

Yes, together we can – and must -- do that and so much more.

And we will... As long as we stand together. United. A force for good and for God. As Christian Americans.

The Presidential primaries are here. Candidates are fundraising, organizing, and even launching advertising campaigns.

Every secular liberal candidate will oppose our Christian worldview. Their goal is to open our country's borders, deny religious freedom, redefine marriage, expand abortion, restrict opportunity, deny prosperity.

Our goal is as it has always been: To get millions of Christians active in the public and

political arena... to get them to the voting booth... and then to get the leaders we Christians elect to act on the Judeo-Christian principles upon which our founders created this “one nation under God.”

You have stood firmly on our biblical views. Now I ask you to stand with a conviction and courage that will prevent the secular leftists from gaining more power.

I am asking you to redouble your commitment to what is right and what is good, and to seek and support candidates who stand with us for biblical values – the only thing worth standing for.

I’m asking you to complete the 2020 Partner Survey I’ve enclosed for you, return it to me, and include your gift of \$25, \$50, or even \$100.

When you do you’ll help us expand on the strategy that was successful in past elections. Through TV and radio, we informed and educated 125 million households. Through live events we mobilized 1.3 million non-voters in swing states. And through social media we reached 60 million in the weeks leading up to major elections.

That’s the work that your \$25 gift today will fund. That’s the work that will get Christians to the polls. That’s the work that kept Hillary Clinton and her progressive left policies out of the White House.

We must act quickly. Campaigns are already underway. And elections are not won or lost the day they are held. They are decided in the months before.

Elections are decided by the commitment we make now, by what we do now to speak truth to the lies, and to take action to secure our beliefs in the public square.

You and I must not be silent. We cannot be silenced! We speak loudest as one – through *My Faith Votes*. Please join me today with your tax-deductible investment of \$25.

Together we will make America, her religious roots, and her families whole and strong again – we will see that righteousness burns brightly across the land.

I thank you for your prayerful consideration. May God bless you!

United. We Stand.

Gov. Mike Huckabee
National Chairman

P.S. Please, rush your completed 2020 Partner Survey back to me immediately. While your answers will remain confidential, I plan to release publicly the results as evidence that Christians still support President Trump’s work and that we will continue to be a major factor in the coming elections. And, don’t forget to enclose your maximum tax-deductible contribution to help us empower and motivate Christian voters. Thanks again!

PERSONAL REPLY TO GOVERNOR MIKE HUCKABEE

Dear Mike,

I've completed my Partner Survey. Please share my answers with President Trump and use them to build and advance the strategy for winning the 2020 elections.

Christian values are what made America the greatest nation man has ever known, providing us with an abundance of freedom and opportunity. But secular progressives reject those values. And they seek to overtake our institutions and set us as outcasts in our own country.

We must stand united to ensure victory for candidates whose policies reflect a Biblical worldview. The work to get 25 million more Christians to the voting booths starts now. I'm enclosing my tax-deductible contribution in the amount of:
