

# 2020 Critical National Issues Survey

---

## **NATIONAL REPUBLICAN** \*\*\* **CONGRESSIONAL COMMITTEE**

REGISTRATION #:  
CONGRESSIONAL DISTRICT CODE:

Dear Fellow American,

We've never seen anything like this before in America.

Not only do the Democrats have control of the House, but newly-elected Democrat socialists like Alexandria Ocasio-Cortez are setting the agenda in Washington.

In just their first couple of months in power, these socialists have kicked Amazon out of New York City, proposed banning private health care, and supported giving illegal immigrants the right to vote.

Now, Nancy Pelosi and the Socialist Democrats have dragged the American people through the most partisan and least credible impeachment in American history.

It's clear: The Democrats can't defeat President Trump at the ballot box so they are attempting to forcibly remove him from office through a sham impeachment.

If we don't act fast and unite to stop their socialist agenda, the freedoms you and I enjoy will be lost forever.

That's why you were selected by the *National Republican Congressional Committee* (NRCC) to represent all of the voters in your Congressional District in the Official **2020 Critical National Issues Survey**.

As a loyal supporter of President Donald Trump and a respected conservative leader in your community, you know just what is at stake in the upcoming 2020 Election.

The answers you provide on this **2020 Critical National Issues Survey** will directly influence our efforts to end Liberal Speaker Nancy Pelosi's reign in the U.S. House . . .

. . . And make sure we give President Trump the support he needs to stop the Socialist Revolution led by radical Marxists like Alexandria Ocasio-Cortez, Ilhan Omar, and Rashida Tlaib.

That's why I am writing you today to see where you stand on important issues and to ask you to support the NRCC with your generous contribution of \$35, \$50, \$100, \$250, \$500, or \$1,000 and return it along with your Official Survey Document today.

(Over, please)

Your input will help us finalize our **Official 2020 Republican Campaign Strategy** to elect a conservative Republican Majority to the House that will support President Trump's agenda and stop the Democrats' socialist agenda they are trying to force on America.

As the Leader of Republicans in the U.S. House, I am working with local, state, and national Party leaders, candidates, and grassroots activists like you to organize at the Congressional District level to build the strongest campaign in American History.

Republicans in the House and I are fighting hard to support President Trump's agenda.

Standing with President Trump, House Republicans:

- >> Passed the Tax Cuts and Jobs Act that is responsible for the best economy in decades, a historically low unemployment rate, and the creation of over 400,000 manufacturing jobs.
- >> Eliminated Obama-era regulations that hurt American workers and business owners.
- >> Broke ground on the construction of the wall along our southern border that will stop illegal immigration.
- >> Opened ANWR and approved Keystone XL and Dakota Access Pipelines to reduce our dependence on Middle Eastern oil.
- >> Ended the ObamaCare individual mandate.

**But now, with the Democrats in control of the agenda in the House, we must stop Nancy Pelosi's socialist agenda, including:**

- X** *Bernie Sanders' brainchild "Medicare for All," which will cost \$3.3 Trillion per year and make private health insurance illegal.*
- X** *The socialist "Green New Deal," which will ban air conditioning in your home, make air travel illegal, and impose a new 70% tax rate on hardworking Americans.*
- X** *Free College for All, adding billions to our national debt for our children and grandchildren to pay.*
- X** *Abolishing Immigration and Customs Enforcement (ICE)-- putting the security and safety of Americans in danger.*

That's not all. We are not only fighting against the radical Socialists in the House like Nancy Pelosi and Alexandria Ocasio-Cortez, but we are engaged in hand-to-hand combat with the media who are their willing accomplices.

(Next page, please)

And, I'm not going to sit idly by and watch "progressives" lead America down the road toward Soviet-style Socialism.

That's why your participation in this **2020 CRITICAL NATIONAL ISSUES SURVEY** is so important.

In 2020, the NRCC needs to rally every Republican, Independent, or Trump-Democrat against the massive, well-funded Pelosi-Democrat political machine.

We need you to unite behind President Trump's accomplishments, stand by the Republican Leadership in the House, and help all of our Republican candidates fight back and win every contested election from coast to coast.

So please immediately complete and return your **2020 CRITICAL NATIONAL ISSUES SURVEY** - and **DO NOT DISCARD THIS OFFICIAL DOCUMENT** under any circumstances.

The results of this Survey will be processed and tabulated by the NRCC and used to advise my House Leadership team, our colleagues seeking re-election, and Republican candidates for the U.S. House.

Your Survey **MUST BE ACCOUNTED FOR** during the tabulation process to ensure accurate results.

So even if you are undecided about some of the questions, just skip them and write down as many answers as you can and return it to me at the NRCC within the next 10 days.

**I need to know . . .**

- \*\* Do you support the socialist "Medicare for All" scam that will cost over \$3.3 Trillion per year and make it illegal to have private health insurance?
- \*\* What was your reaction to the "New Green Deal"? Do you think we should stop this socialist plan to ban airline travel, ban air conditioning, and force people to walk to work?
- \*\* Where do you stand on "Born Alive Abortions" legislation that would make infanticide legal in America?
- \*\* And, should we continue to support President Trump's plan to build a wall along our Southern Border to stop the stampede of illegal immigration?

Your answers to these and many more important questions will help us better grasp which issues you want to see at the forefront of our agenda during the 2020 campaign.

(Over, please)

That's why I've commissioned this 2020 CRITICAL NATIONAL ISSUES SURVEY. I want to show my colleagues in the House, the great candidates we are recruiting, local and state party leaders across the country, and others I speak to that our campaign message is actually based on what Republicans at the grassroots level believe are the most important issues.

But, this sampling of conservatives by Congressional District will only be successful if you and every chosen representative fill out the enclosed **OFFICIAL SURVEY DOCUMENT** and return it today along with your contribution to NRCC today.

So please rush back your completed **2020 CRITICAL NATIONAL ISSUES SURVEY** and most generous contribution of \$35, \$50, \$100, \$250, \$500, \$1,000 or more today.

Your special campaign gift will help us go head-to-head with Speaker Nancy Pelosi and the Democrat socialists like Alexandria Ocasio-Cortez who are setting the agenda in Washington. The Democrat socialists will do whatever it takes to hold on to power -- *AND WE MUST STOP THEM.*

Thank you for standing with Republicans in the House as we fight alongside President Trump to build a better America and stop the Democrats and their dangerous Socialist agenda. The future of our children and grandchildren are at stake.

Sincerely,

Kevin McCarthy  
Republican Leader

P.S. We must stop the Far Left "Progressive" Democrats led by Nancy Pelosi and Alexandria Ocasio-Cortez from gaining any more momentum they need to permanently transform America into a socialist state.

I need your help to create the winning campaign message that will help us take back control of Congress and pass President Trump's "America First" agenda.

Please complete the enclosed 2020 Critical Issues Survey today to let your Republican leaders in Washington know where you stand on the issues facing our nation and return it along with your most generous contribution of \$35, \$50, \$100, \$250, \$500, \$1,000 or more to the NRCC today.
