

The Honorable Mike Pence

VICE PRESIDENT OF THE UNITED STATES OF AMERICA

Dear Patriotic American,

Will you help?

President Trump asked me to write to you and other patriotic citizens who support the work we are doing in Washington to Make America Great Again.

For over three years, President Trump and I have proudly worked as hard as we know how to restore jobs and opportunities for the American people while defending our God-given rights and liberties.

And we're proud of the results. Despite vicious, nonstop opposition from the Democrats and their media cheerleaders, we've got a roaring economy, our military is stronger, our communities are safer, and we've put more than 190 pro-Constitution conservative judges on our Federal courts.

But as I write you this letter, all that progress is threatened by the extreme, full-blown socialists who have taken control of the Democrat Party. Under Speaker of the House Nancy Pelosi, the Democrats are using all their power to harass President Trump and impose socialism on the American people.

The best way to stop the Pelosi socialists is to get them out of office . . . to *defeat* them at the ballot box.

➔ That's why I am inviting you to join the National Republican Congressional Committee (NRCC) today.

The NRCC is the campaign arm for all House Republicans. Its sole mission is to take over the House Majority and remove Nancy Pelosi as Speaker.

President Trump and I hope you will join this crucial effort today by making a special campaign donation of \$1,000, \$500, \$250, \$100, \$50 or even \$35 to fund the NRCC's campaign to defeat socialist liberals in key districts all over America.

Your prompt, generous reply is important, because as I write you today, House Democrats

are plotting new abusive investigations and phony “scandals” that their media friends will obsess over 24/7, with no point other than to try and undermine President Trump’s authority and weaken support for our administration.

You saw plenty of this already during the past three years, when the Radical Left pushed out one crazy conspiracy theory after another.

Despite the fact that the Mueller investigation proved NO collusion, House Democrats cannot accept the truth. They’re just going to attack, attack, attack, and their accusations will be based on nothing but lies, lies, and more lies.

The Democrats’ conduct does a disservice to the American people. It does nothing to help our country become stronger.

But it does get liberal campaign donors all riled up. You know as well as I do that there is an angry, nationwide base of left-wing activists who are motivated by *hatred* of our good President. These people have been pouring money into Democrat campaigns month after month, and along with liberal fat-cat donors in Hollywood, Silicon Valley, Manhattan and beyond, they are donating HUGE funds to protect Speaker Pelosi’s hard-left majority.

That’s why I am anxious to hear back from you. The only way for Republicans to take back the House is with active support from conservative patriots like you.

So please become the NRCC’s newest member today. And when you return your completed Acceptance Reply, please be as generous as possible with your campaign donation. Whether you send \$1,000, \$500, \$250, \$100, \$50 or even \$35, every single dollar is crucial . . .

. . . because your gift will be used to push back against the Socialist Left and champion our Republican accomplishments:

- ✓ Cutting taxes so you keep more of your hard-earned money;
- ✓ Slashing job-killing red tape so small businesses can grow;
- ✓ Fighting for border security and putting American citizens first;

- ✓ Fixing the VA so veterans have better options for the care they need; and,
- ✓ Standing for life and religious liberty.

Thanks to help from Republicans in Congress, and thanks to the support our administration is receiving from you and other patriotic Americans, our country is getting stronger and our future has never been brighter.

Of course, the Democrats don't see it that way.

They see tax cuts as money being taken away from the government, where it belongs.

They see the Constitution as something to circumvent, not something to uphold.

They see border security as “immoral” (Nancy Pelosi’s word for it).

And they are pushing their hard-left, socialist policies more aggressively and more openly (they used to hide their support for socialism) than ever before in my career.

Led by extremists like Rep. Alexandria Ocasio-Cortez of New York and Rep. Ilhan Omar of Minnesota, these “new Democrats” want to use their government power to impose harsh changes on America, including:

- ✗ Huge tax hikes, punishing environmental regulations, and programs like the “*Green New Deal*” which would put the entire economy under government control and give massive new welfare entitlements to people who are “unwilling to work.”
- ✗ Open borders, amnesty for illegal aliens, and abolition of the Immigration and Customs Enforcement (ICE) agency; and,
- ✗ Watering down the 2nd Amendment with gun bans and national registries of Americans who choose to own firearms.

If their vision is implemented, it will be disastrous for our country and the next generation, so please join the NRCC today and help us take back the House.

Over, please . . .

You know, my career in public office began in the House of Representatives, and the Founders envisioned it as “the people’s house.” I know I always tried to represent the true interests and values of my constituents.

But that’s not happening today. The House of Representatives is following an extreme agenda that Americans simply do not want.

In fact, a recent Monmouth University poll showed that “*a majority of Americans (57%) say that socialism is not compatible with American values.*”

President Trump and I agree! That’s why the President stood up in the State of the Union Address and told the whole world that “*America will never be a socialist country.*”

But to keep socialist policies out of America, we need to get socialist politicians out of Congress, so please do your part by joining the NRCC today.

Simply fill out your Acceptance Reply and mail it back along with your important campaign gift of \$1,000, \$500, \$250, \$100, \$50 or even \$35 to the NRCC. Every dollar will fund our nationwide campaign to take back the House of Representatives. We only need to gain 20 seats (out of 435), so please be generous – every dollar is important.

Thank you in advance, and God bless you

Sincerely,

A handwritten signature in blue ink, appearing to read "Mike Pence".
