My father will never stop fighting for YOU
and the American People.

From the desk of
Donald Trump, Jr.

Dear Friend of the Family,

I pray that this finds you well, because I'm here to tell you that my family and our movement need your support now more than ever. Please hear me out:

As I'm sure you're aware, the radical left has gone fully insane. They're targeting me, my father, my brothers and sisters, and every one of our supporters – including you.

You see, your name was forwarded to me as someone who stood with us in 2016. Not only that, but you're a fighter – just like us. Which is why I knew I had to reach you at this crucial moment for America.

The Democrats have put their own pursuit of political power ahead of our Constitution, our values, and every American citizen. But let me reassure you here and now: we are NOT giving up. My father will never stop fighting for YOU and the American People.

We were never afraid of their joke of an impeachment, because at the end of the day, my father doesn't answer to the partisan Democrats looking to take him down. He answers to YOU and the taxpaying citizens of the USA.

Fortunately, regardless of all the lies that came from the socialist Democrats running the House of Representatives, our strong Republicans in the U.S. Senate knew that the whole "impeachment" crusade was a SHAM from day one.

→ But can you imagine if the Senate was run by Chuck Schumer?

It'd be a **disaster**. The Radical Left would be *unstoppable* in their efforts to destroy my father's administration and bring our America First policies to a grinding halt.

*** That's why, in addition to re-electing my father in 2020, I'm working hard to support our friends in the Senate – the great conservatives who stood up against Pelosi, Schiff, and the whole crowd of socialists in the House. ***

Will you help?

If you agree that we urgently need to protect our Senate Republican Majority, please fill out and return the enclosed *Pledge of Support* along with one urgent campaign gift of \$35, \$45, \$100, \$250, \$500, \$1,000 or more to the National Republican Senatorial Committee (NRSC).

The NRSC is the political arm for all Republicans in the U.S. Senate, and as you know they have been under relentless attacks ever since they stood up to Adam Schiff

Over, please . . .

and the whole fraudulent “case” for impeachment he made up out of thin air.

Democrat Senate candidates in all the key states are raking in huge money from a nationwide network of angry socialists who want revenge, so please stand with my father and I and make one special campaign gift to help re-elect all our Republican Senators.

If you can send \$35 – **just \$1 for each Senate seat up for grabs in November** – that will be put to immediate use strengthening our campaigns against the Schumer attack machine.

Or if you send a symbolic gift of \$45 as a show of support for our great 45th President of the United States, that will be greatly appreciated.

But if you can possibly send more, I urge you to please be as generous as your funds allow, because the 2020 battle for control of the Senate will be the most expensive in American history . . .

. . . and the Democrats not only have tons of money from Wall Street, Hollywood, Silicon Valley, the DC lobbyists, and the left-wing billionaires like George Soros, they also get priceless support from the “reporters” who cheer their every move while slandering my father.

So, it’s going to take a lot for us to push back against their lies, mobilize our voters and strengthen our Senate Majority in November.

The good news is that our opponents have to lie, because we’ve been so successful delivering for the American people:

- ✓ Over 7 million jobs created since the election, including 500,000 manufacturing jobs that Democrats told us would never come back. More Americans are now employed than ever recorded before in our history;
- ✓ Passed the biggest package of tax cuts and reforms in history. After tax cuts, over \$300 billion poured back in to the U.S. in the first quarter alone. As a result of our tax bill, small businesses will have the lowest top marginal tax rate in more than 80 years;
- ✓ Record number of regulations eliminated;
- ✓ Reformed the Department of Veterans Affairs and gave our veterans expanded access to better health care;
- ✓ Increased our coal exports by 60 percent; U.S. oil production recently reached all-time high and we’ve become a net natural gas exporter for the first time since 1957;

- ✓ Secured more than \$700 billion in military funding, rebuilding our fighting forces after years of cuts under Obama. At the same time, NATO allies are spending \$69 billion more on defense since 2016;
- ✓ Started BUILDING THE WALL, which has already reduced illegal crossings significantly, despite non-stop obstruction by Democrats on Capitol Hill; and, thanks to Senate Republicans,
- ✓ **Confirmed MORE circuit court judges than ANY other new administration, including two great Supreme Court justices, Justice Neil Gorsuch and Justice Brett Kavanaugh.**

Of course, the list goes on and on, and that was only with just three years in the White House.

Already, my father has started to truly Make America Great Again. We are respected again, and we're taking care of OUR PEOPLE again.

But of course, while my father continues delivering on his promises, the obstructionist and power-hungry Democrats stoop to new and more surprising lows to undermine him. You already saw "Shifty" Congressman Schiff go on live TV and read a made-up phone transcript, pretending they were the words of my father.

It's only going to get worse as we move through this high-stakes election year.

They will literally stop at nothing to discredit all the work being done by the Trump Administration along with Senate Republicans.

I say, **bring it on.**

We don't stand down from a fight and we certainly won't give in to their intimidation tactics. They can lie, smear, and subpoena all they want – it hasn't shaken my father off his path, and it won't buckle us.

It's because of patriots like you that our movement has had such resounding success in these last few years, and it's that momentum that will keep us strong.

The election of 2016 was the *real* political revolution (unlike the radical socialist one "Crazy" Bernie Sanders wants!), and it will take more than this gang of unhinged far-left Democrats to undo it.

But, we *must* remain vigilant.

I can promise you that my father is working as hard as possible to continue delivering on the promises he made on the campaign trail, and then some. But he is

counting on Americans like you to stand by his side, not just with your vote, but with your active support for his allies in the United States Senate.

Because the Schumer liberals are targeting Republican Senators in states like Arizona, Colorado, Georgia, North Carolina, Iowa and others where they think they have a shot to flip seats from red to blue.

We absolutely CANNOT let that happen. With Chuck Schumer in charge, the Senate would be a “rubber stamp” for Pelosi’s agenda of socialism, open borders, and gun control.

And of course, with our great Republicans out of the way, a Democrat-controlled Senate would “double down” on the vicious impeachment tactics coming from the House.

So please do not set this aside for later. Take action NOW to support my father and to help the Republican Senators who stood up for my father’s rights against impeachment-crazed socialists like Adam Schiff.

Simply fill out your enclosed **Pledge of Support**, then use the envelope provided to mail it back to me along with your best contribution of **\$35, \$45, \$100, \$250, \$500** or even **\$1,000** to the NRSC!

This truly is a special and important cause, and I’m very hopeful that you join me. I am going to personally campaign hard for Republican Senators in tough races all over America, and I will be grateful to know I have your support.

Together, you and I can re-elect my father, strengthen our Senate Republican Majority, and **Keep America Great!**

On behalf of my entire family, I thank you so much for your support.

For America,

P.S. My father is going to win a smashing re-election – you can count on it! But we need to count on you to help make sure a strong Senate Republican Majority goes back to DC with him. So please fill out the enclosed **Pledge of Support** and mail it back along with your 2020 campaign gift of **\$35, \$45, \$100, \$250, \$500, \$1,000** or more to the NRSC. Thank you. – Don Jr.
