

END SANCTUARY CITIES NOW

"You are safe in Chicago, you are secure in Chicago, and you are supported in Chicago. Chicago will always be a sanctuary city."

Former Mayor Rahm Emanuel

My Fellow American,

Your signed **END SANCTUARY CITIES NOW** petition is critical to helping the Trump Administration win one of the biggest political fights of 2019.

Barack Obama even threatened to "*come off the sidelines*" to protect his lawless immigration legacy.

You see, there are currently over 200 Sanctuary Cities in the United States.

This is a "*now or never*" moment to shut them down.

You'll notice your petition is directed to William Barr -- President Trump's Attorney General of the United States -- to charge these reckless law-breakers as accomplices in all crimes committed by individuals they shielded from federal law.

Don't forget...

Just days after Donald Trump won the Presidential election, mayors of so-called "Sanctuary Cities" vowed to continue their defiance of federal law by shielding illegal immigrant criminals living there...

Mayor Rahm Emanuel sneered, "*Chicago will always be a Sanctuary City.*"

Mayor Bill de Blasio of New York went a step further and said he would **destroy a database of undocumented immigrants** with city identification cards before handing it over to the Trump administration.

This is a flagrant violation of federal law and of the

oath these mayors take to uphold the Constitution.

It's a danger to me and you.

And it's got to stop.

My name is Rick Santorum.

And I'm writing to you today in my capacity as Chairman of Patriot Voices.

Patriot Voices is a grassroots army of conservatives over 150,000-strong fighting to undo the havoc wrought by the left's lawless agenda.

And we need your completed **END SANCTUARY CITIES NOW** Petition to give Attorney General William Barr the backing to deliver on President Trump's promise to extinguish this threat.

With conservatives expanding our majority in the U.S. Senate...

THERE ARE NO MORE EXCUSES!

If that means withholding billions of dollars of taxpayer money (*New York City alone gets \$7.7 billion per year and Chicago gets \$1.3 billion of our tax dollars*) if they don't cooperate...

...so be it.

If that means bringing criminal charges against elected officials like Bill de Blasio...

...so be it.

Remember, these dangerous "Sanctuary City" policies are directly responsible for the murder of a 32-year-old young woman named Kathryn Steinle by an undocumented immigrant in San Francisco.

The shooter even admitted that he went to San

Francisco because he knew the laws would shield him.

And shield him they did --- you see, Kathryn Steinle is dead today because her shooter was released from jail despite federal officials requesting he be held so they could take custody of this violent killer.

This isn't an isolated case.

Over the last few years, over 17,000 requests from federal law enforcement were ignored by authorities in Sanctuary Cities.

The truth is, you and your loved ones are not safe so long as the liberal politicians who run our major cities give aid and comfort to these violent criminals.

Because liberal mayors like Rahm Emanuel and Bill de Blasio aren't just defying the law...

- they are shielding dangerous criminals...
- they are making it easier for Islamic terrorists to operate inside our borders...
- and they are putting lives at risk...

So it's vitally important that you rush me your signed **END SANCTUARY CITIES NOW** petition within 72 hours.

As I said, your petition is directed to the one member of President Trump's cabinet who is best situated to lead this fight: Attorney General William Barr.

You may already know that AG Barr is facing blistering attacks right now.

He needs our help. So when you send your completed **END SANCTUARY CITIES NOW** petition, will you also consider sending along a one-time gift of at least \$35 to help Patriot Voices print and circulate 1 million petitions?

To put it bluntly, this fight cannot be won if you stay

on the sidelines.

This threat to you and your family will remain...

But if you take immediate action, we will win.

So if you've been blessed to give more than \$35 --- say \$50, \$75, \$125, \$500 or more --- it will mean more petitions and more support for William Barr at a time and on an issue when he needs it most.

I know I've taken up a good amount of your time so I'll close with this.

I take our national security seriously and believe that "Sanctuary Cities" are one of the biggest threats that we face.

So please don't hesitate. Rush me your completed **END SANCTUARY CITIES NOW** petition to help win this fight before any more lives are lost.

Sincerely,

A handwritten signature in blue ink that reads "Rick Santorum". The signature is written in a cursive, flowing style.

Rick Santorum

P.S. By signing your **END SANCTUARY CITIES NOW** petition, you will show your unwavering support to Attorney General William Barr to end this dangerous practice. And when you send your **END SANCTUARY CITIES NOW** petition, please send your one-time gift of \$35, \$50, \$75, \$125, \$500 or more.

Thank you!
