OFFICIAL AMERICA FIRST PETITION

Newt Gingrich

Speaker, U.S. House of Representatives (1995-1999)

For

Secure America Now

Early Thursday Morning

My Dear Friend and Fellow American,

The Radical Leftists in Washington, the mainstream media and the elites in Hollywood don't REALLY hate Donald Trump...

They hate America...

And they hate American Patriots like you and me who call them out on the lies and corruption they are using to "fundamentally transform" the greatest country in the world.

The America that you and I love is the America that I describe in my newest book, Trump's America: The Truth About Our Nation's Great Comeback -- and I would love to send you a copy if you'd like to have one. I'll explain more how to get a copy on its way later in my letter.

But first, I need to share something with you.

I am encouraged, my friend.

Because something has happened in the last two years that has ignited a spark in Conservatives...

...and that has sent the Radical Left into a prolonged, national temper-tantrum that has morphed into more of a kamikaze attack on everything that our country, culture and way of life is built on.

I'm writing on behalf of one of the groups most responsible for this new wave of Conservatism to ask you to join me in supporting their latest campaign to preserve the liberty,

sovereignty and national security of our nation -- the group that I am talking about is Secure America Now.

If you are willing to accept my invitation to be a part of the important work of Secure America Now, I would like to ask for the honor of your signature on the enclosed "AMERICA FIRST" Petition.

At first glance, this Petition might look very ordinary.

Let's face it -- it's just a piece of paper.

But it's what this document represents that makes it like kryptonite to the Radical Left's plan to erase any and all traces of our national identity, disarm the American people and usher in an all-controlling, socialist governmental structure.

My friend, it's time to fight for our country.

What does that look like?

No, it doesn't mean we take up arms and overthrow the government...

It doesn't mean we get on buses and head to protests in Washington...

But what it does mean is that we must have our say on the direction of our country.

Your representatives in Washington, DC are listening, my friend.

And while your voice -- or mine -- alone may not be loud enough to get Washington's attention, the voice of over half a million American patriots -- joined together under the flag of Secure America Now -- will be deafening.

That's why I agreed to stand with Secure America Now in their "AMERICA FIRST" Petition Drive that is being launched in the next 30 days.

You'll notice that there are actually two petitions included

with my letter today -- one for each of your U.S. Senators.

My friend, I have spent a lot of time in and around Washington.

I have served at the highest levels of government.

And I know what gets action.

This little piece of paper -- with your signature -- combined with those of 499,999 other Americans, will get action. It will cause a major stir in the halls of the U.S. Senate.

And here's the dirty little secret that no one outside of Washington is supposed to know:

NO Senator is going to take action that is going to force him or her to face a half million angry constituents when they go back home!

And these "little pieces of paper" will send a clear message to every Senator who receives them:

Conservative Americans are united, organized and standing arm-in-arm against any legislation that will weaken our National Security, destroy our Judeo-Christian culture, or put the wants and needs of non-citizens above the interests of the LEGAL citizens they took an oath to represent!

My friend, if you would make the decision to stand with me and Secure America Now today, I would consider it a personal favor.

Secure America Now is experiencing a surge in participation from Conservative patriots just like you all over the place.

But YOUR NAME is still missing from our ranks.

By signing the enclosed "AMERICA FIRST" Petition, you will be joining the fight for the America that I affectionately talk about in my book...

The America that I want to pass on to my grandkids...

(3) Please turn over for page 4

The America that our fathers -- and even some of our friends -- gave the ultimate sacrifice to preserve...

The America that the Radical Left wants to destroy with unchecked immigration, the destruction of our Judeo-Christian way of life and the destruction of your constitutional freedoms.

I hope you will sign your "AMERICA FIRST" Petitions to your Senators right now -- before you put my letter down -- and rush it back to my friends at Secure America Now.

And when you have signed your Petition in blue or black ink, would you consider sending a one-time gift of \$22 back along with your signed Petition?

I know \$22 might be an odd amount to ask for, but let me explain...

Your gift of \$22 will not only pay for the outreach that brought this letter to you today, but also provide the financial resources for Secure America Now to reach out to another 46 American Patriots around the country.

Forty-six!

This is another reason why Secure America Now is having more of an impact than just about any other National Security, Pro-Liberty, Pro-Sovereignty group out there: By being good stewards of the funds entrusted to them, they are able to send a letter and Petition just like this one to another patriotic American for just about 48¢.

By using every opportunity to put two of these Petitions into the hands of American Patriots just like you, your gift of just \$22 today can result in 94 more voices -- 94 more signed Petitions -- going to your Senators!!

Now just imagine what your \$35 or \$50 contribution could do!

Your \$35 contribution can help us reach out to 73 more folks -- generating 146 more Petitions...

Your \$50 contribution can help us find 102 other Americans

(4) Please go to page 5

ready to sign 204 Petitions!!

I hope you are encouraged when you see how your gift can be multiplied.

My friend, I'm so impressed by how effectively and tenaciously Secure America Now (SAN) fights for the America that you and I love, I wanted to be a part of it in a very special way.

That's why I told SAN's co-founder, David Goder, that I would offer a complimentary copy of my book, Trump's America, to anyone willing to help with a \$45 or more gift today.

Please be as generous as you can to help SAN continue their critical work -- specifically this "AMERICA FIRST" Petition Drive.

Hundreds of thousands of Petitions need to pour into the U.S. Senate -- especially with the chaos going on right now. And I want YOUR Senators to hear the message that Secure America Now is sending -- loud and clear.

Because that message isn't Secure America Now or Newt Gingrich's message -- it's YOUR MESSAGE -- YOUR VOICE!

As a Conservative who believes in safe borders, our Judeo-Christian way of life and the liberties enumerated in the Constitution, YOUR VOICE HAS BEEN IGNORED FOR TOO LONG!!

I'll leave it in your hands now, my friend.

Please sign your "AMERICA FIRST" Petitions, indicate on the enclosed reply form how much you might be able to help with as a one-time gift, and clearly indicate that you would like to receive a complimentary copy of my book, Trump's America, as a thank you for your gift of \$45 or more.

It will be my absolute pleasure to get one on its way to you!

My friends at Secure America Now need your help to put

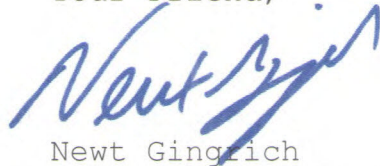

(5) Please turn over for page 6

pressure on YOUR Senators, my friend.

And your country needs you, too.

I'm on board with Secure America Now and their mission to save our country. I hope you are too!

Your Friend,

Newt Gingrich
Speaker, U.S. House of Representatives
1995-1999

P.S. Your reply packet is enclosed.

When you open your packet, your "AMERICA FIRST" reply form will be on the left, and on the opposite page you'll find your "AMERICA FIRST" Petitions.

You do not have to separate your reply form from your Petitions -- that will be taken care of when your reply comes back to Secure America Now.

Please just follow the instructions that have been highlighted for you in yellow.

I meant what I said earlier in my letter -- I am encouraged. The more American Patriots I meet as I travel across the country -- American Patriots like you -- the more assured I am that our country can and will be saved.

Please sign your "AMERICA FIRST" Petitions, and rush them back along with your best gift of \$22, \$45, \$75, \$100, \$250 or even \$500 or \$1,000 or more.

We need as much help as you can afford to send today, my friend.
