

Who should decide whether or not
thousands of undocumented and
potentially dangerous Illegals are
moved into your neighborhood?

An anti-American, pro-illegal mayor,
state or county politician
trying to "Fundamentally Transform"
your state and our country?

Governor Mike Huckabee

Arkansas, 1996-2007

Thursday Morning

My Dear Friend,

I'm writing on behalf of my good friends at Secure America Now to
ask you a question that I think I already know the answer to:

You -- as a legal resident of that state?

Or

An anti-American, pro-illegal mayor, state or county politician
trying to "Fundamentally Transform" your state and our country?

I think I know what your answer will be, my friend. But I
want YOU to have your say. That's why I sent you this "**NOT HERE**"
Referendum to your Governor.

Thousands of Illegals are making a mad dash for the border --
racing to get inside the confines of a "Sanctuary City" in YOUR STATE
before President Trump has the chance to secure our borders.

My friend, you never know where an anti-American mayor or city
council member is going to try to make a name for himself by declaring
a city RIGHT HERE IN YOUR STATE a "Sanctuary City."

Do you want your community "fundamentally transformed" into a
place that feels like a foreign country than your hometown?

Do you want your hard-earned tax dollars used to provide "free"
services to individuals who came across our border illegally?

Do you really believe that the United States of America should
have entire cities and states where certain individuals are exempt
from the law?

Well, unless you and your neighbors stand up and say **NOT HERE**
-- your neighborhood could be changing quite a bit in the next few

months...

And many of your new "neighbors" might not be able to speak English or may even be members of South American street gangs like MS-13.

"Sanctuary Cities" are popping up all over the country -- IN EVERY STATE! Mayors, City Councils and even a few Governors are defying the will of not only President Trump -- but YOU, ME AND EVERY AMERICAN WHO CAST A VOTE FOR SAFE BORDERS!

These publicity-seeking, anti-American Mayors, Governors and County Officials are putting our national security -- AND YOUR COMMUNITY -- at risk just to make a political statement against Donald Trump...

But I wrote today with some good news, too...

My friends at Secure America Now are not going to just stand by and let them get away with it!

Sanctuary Cities in your state will lure thousands -- even hundreds of thousands -- of Illegals to your area... And these dangerous Illegals aren't coming to your town to become citizens...

They're coming to take your jobs, your tax dollars and public services...

To overwhelm and overcrowd your hospitals, schools and prisons...

And to replace your vote at the ballot box with one that will elect "America-last" politicians for a generation to come.

I wish my critics were right.

I wish this was a wild, "tin foil hat" rumor.

But it's very real, my friend. That's why I'm glad Secure America Now is out there fighting for you, me and every legal American Citizen who feels like nobody is listening to US anymore!

You may have never heard of Secure America Now before, but Secure America Now is leading the fight to protect, preserve and restore the

United States of America that you and I love.

Secure America Now does this by charging into the fight whenever our National Security, Sovereignty, our Judeo-Christian way of life or Constitutional freedoms are threatened.

Secure America Now is the group that ultimately exposed Hillary Clinton's corruption and e-mail "arrangement"...

Secure America Now also stopped Radical Muslims from building a mosque on Ground Zero as a final insult to America and those who lost their lives in the attacks on September 11th...

But this is going to be the biggest -- and most critical -- battle that Secure America Now has ever taken on.

Secure America Now needs your help -- that's why I jumped at the chance to write on their behalf.

It's time for legal, Patriotic American CITIZENS to stand together. To say NO MORE! NOT HERE!!

Will you stand up and be counted by signing and rushing back the "NOT HERE" Referendum I've sent for you?

I hope so -- because now that Sanctuary Cities are starting to pop up in every state, only the loud objections of millions of American Patriots like you can put a stop to this madness.

- * Politicians in Washington don't care whether or not you want these people in your community...
- * They don't care whether or not members of violent gangs or drug cartels roam the streets of your neighborhood...
- * They don't care that most of these "undocumented immigrants" don't have a job, pay no taxes and live on government welfare programs...
- * They don't care that our American culture is disappearing before our very eyes...

They don't care -- because they'll make sure none of them move

into THEIR neighborhoods!

In fact, your Governor might not care yet...

But your Governor is about to!

Because -- if you'll help us -- your Governor is about to get a wake-up call when as many as 1 MILLION of these "NOT HERE" Referendums come pouring in from American Patriots just like you from all over the state.

Your Governor needs to hear these two critically important words from you:

NOT HERE

And when enough Governors throughout the country hear this message loud and clear from enough of their constituents -- they'll be forced to do all they can to OUTLAW "Sanctuary Cities" in every state!

Anti-American Mayors, Governors and County Officials are counting on imposing their will on you and every other taxpaying American Citizen in your state...

ALL IN EXCHANGE FOR THE HOPE THAT ILLEGALS WILL BE ABLE TO VOTE ONE DAY SOON!

My friend, your silence on this issue will send a message every bit as loud as returning this Referendum.

Remaining silent will be like rolling out the red carpet for millions more Illegals to crash across our border.

My friend, we need to put every Governor on notice -- because too many of them look at the world much differently than we do.

We believe in safe, secure borders...

They believe in NO borders.

We believe in the American Flag...

They believe that America is just a place -- not a sovereign nation: A place where divided factions fly the flag of other countries while enjoying the freedoms and opportunities that brave Americans

died for.

We believe in a country united by one language, one set of values and freedom and liberty for all...

They believe that YOU should learn SPANISH.

We believe in equal opportunities for LEGAL immigrants...

They believe in you working hard your whole life to provide government handouts that will buy them votes to keep their fat-cat, government seats of power forever.

I know -- some Governors understand what's at stake and are doing all they can to hold the line -- hopefully yours!

Please still return your Referendum -- because it won't do any harm to remind them just how many of their constituents feel passionately about this issue and urge them to stay the course!

"Sanctuary Cities" are the bait to lure more Illegals into your state -- that's the bottom line, my friend.

Will you help us stop this epidemic of cultural suicide being practiced by Radical Leftist politicians across our country?

If so, I am going to ask 2 very important favors from you today.

1. Please sign the "**NOT HERE**" Referendum I've sent for you and rush it back as soon as possible. Your Governor needs to know exactly how many people in your state absolutely FORBID this from happening.
2. When you send back your signed "**NOT HERE**" Referendum, please also consider helping to keep the critical work of Secure America Now moving forward by including your one-time \$28 contribution.

Secure America Now does not get a dime from any source other than generous American Patriots just like you. In fact, it is only because of the generosity of another American concerned about our security, sovereignty and liberty that you got this letter today.

My friend, I would consider it a personal favor if you would join this movement to preserve our nation. Because we simply don't have the numbers to win this fight as of today. Our only hope of winning

-- of stopping the invasion of our country from within -- is with the help of proud American Patriots just like you.

Will you please help by rushing back your "**NOT HERE**" Referendum and your \$28 contribution today?

And will you consider helping with a larger contribution if you are able?

We will need a few folks who can to send a major gift of \$100, \$250, \$500 or even \$1,000 or more if this is a fight that you deem worthy of that level of support.

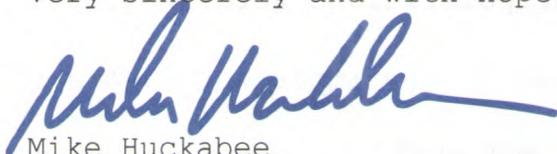

Frankly, I can't think of a better use for your charitable dollars right now -- because this is a battle that's going to be won or lost in the next 2 months.

We must stop this. We cannot lose our country to the twisted concept of "Sanctuary Cities."

We need STRONG BORDERS -- NOT OPEN BORDERS!

The American People have demanded it... And YOUR GOVERNOR needs to stand with us!

Very Sincerely and with Hope for America,

Mike Huckabee

For Secure America Now

P.S. We've got to stop this tide of Illegal Immigration before it's too late.

Will you help?

If so, I am going to ask 2 very important favors from you today, my friend.

1. Please sign the "**NOT HERE**" Referendum I've sent for you and rush it back as soon as possible.
2. When you do, please send along a one-time \$28, \$50, \$100, \$250, \$500 or \$1,000 or more contribution to my friends at Secure America Now.

God Bless you, and God Bless America!
