NIKKI HALEY
Honorary Chair, STAND FOR AMERICA
U.S. Ambassador to the United Nations (2017-2019)
116th Governor of South Carolina

My fellow American,

I'm *not* writing to you today as a former ambassador and governor...

...but as a concerned citizen, wife, and mother.

First of all, thank you. What a blessing to serve you and serve our country as a member of President Trump's cabinet. Today, I'm writing to officially announce a new endeavor — one where I intend to continue this fight for our country.

It's called STAND FOR AMERICA. And I hope you'll RSVP to be the first to join me.

I'm enormously proud of what we accomplished for our country. And I'm *not* done fighting.

Not by a long shot.

In fact, I believe in my heart of hearts that you and I have a bigger role to play — that our service to our country is not at an end, but is needed now more than ever.

I say this because, quite frankly, the threats to our country are multiplying...

- Creeping socialism at home (deceptively marketed in terms like “Green New Deal” or “Free College” or “Medicare for All”)
- The clear and present danger posed by unsecured borders, Sanctuary Cities, and contempt for our law enforcement
- Hostile regimes in Russia, China, North Korea, Syria, and Iran

That's why I am launching STAND FOR AMERICA. And I would be personally grateful if you would take just a minute or two to answer my letter today and complete the enclosed STAND FOR AMERICA survey to share your thoughts on our priorities

STAND FOR AMERICA

P.O. Box 2454 • Columbia, SC 29202-2454 • www.StandForAmericaNow.com

and on our strategy.

It'll come as no surprise that our focus is on keeping America strong and safe.

That's why I'm asking for your feedback on this survey and, specifically, whether you agree with me when it comes to the "Keeping America Safe" priorities I've laid out below.

Simply answer "YES" or "NO" whether you support...

- *** Standing against socialism (while socialism has failed everywhere it has been tried, it's currently "in fashion" on the left to support 70% tax rates, elimination of private health insurance, "Free College," an end to cars and industries that run on non-renewable energy, and trillions in new debt).
- *** Standing for border security, the rule-of-law, and public safety to protect our families from the threat of global terrorism, human trafficking, massive drug smuggling, and foreign criminal gangs.
- *** Standing against Russian aggression and outlaw actions.
- *** Standing with our #1 ally, the sovereign State of Israel (and keeping our embassy in Jerusalem).
- *** Standing against Sanctuary Cities.
- *** Standing for U.S. energy production to make us less dependent on foreign sources of oil.
- *** Standing against the anti-U.S. regimes in China, North Korea, Syria, and Iran.

What do you think of this vision for securing our nation and strengthening our standing in the world? Each is listed on the enclosed STAND FOR AMERICA survey along with a check box for either "YES" or "NO."

Won't you let me know — in the next 3 days, if possible — whether you agree with these steps to keep America strong and safe?

As honorary chair of STAND FOR AMERICA, it's my job to build a strong coalition of support for this vision.

Just like I did as ambassador and governor.

For instance, I'm especially proud of cutting \$1.3 billion from the U.N.'s

budget, making it perfectly clear that we would no longer foot the bill for the “privilege” of being disrespected on a daily basis — as had previously been the norm at the United Nations.

The world gets it. **The United States of America means business and we follow through on what we say.**

- ✓ Whether it’s with Venezuela and staring down their socialist regime.
- ✓ Whether it’s with the chemical weapons in Syria.
- ✓ Whether it’s with NATO, and demanding that other countries pay their share.
- ✓ Whether it’s with the myriad of new trade agreements.

And I intend to be just as resolute in advocating for an agenda and a vision that will keep America strong and safe.

I sincerely hope you will respond without delay to join me in this critical new mission — in the next 3 days, if possible.

Because all of the progress we made could turn on a dime.

So please don’t let the STAND FOR AMERICA survey and the pre-addressed reply envelope I’ve enclosed for you go to waste. It’s imperative that we show the broad public support that exists for this agenda to keep America strong and safe.

Can I count on you to reply in the next 3 days?

Also, will you help us grow this grassroots movement by making a one-time contribution of \$35 to help me launch STAND FOR AMERICA today?

Your completed survey reply and your \$35 contribution will pack a powerful punch to make sure our voices are heard.

It’s not only Nancy Pelosi, Chuck Schumer, and the liberals in Congress we’re facing... it’s the liberal media... it’s the heavily-entrenched federal bureaucracy conspiring from within the Executive Branch... and it’s the deep-pocketed liberal special-interests.

That’s to say nothing of the host of foreign threats on the radar...

Our adversaries see that we’ve got a divided government and are looking for any opportunity to pounce (they hope we’ll be too distracted by all the noise...

partisan bickering... investigations... shutdowns... and in-fighting to notice).

So, if you can send more than \$35 — say \$50, \$75, \$125, \$500 or even \$1,000 — I would be deeply grateful.

But the most important thing is knowing that you're on board. So please rush me your reply within the next 3 days.

This fight, this moment, demands more than simply a new organization.

It demands a movement.

Today I'm writing to ask you to join such a movement — one made up of concerned citizens and committed conservatives who are willing to stand and fight for our country, our Constitution, our future, and our freedom.

Are you with me?

By standing together today, you and I can keep America strong and safe.

Again, thank you for the opportunity to serve as your ambassador. Thank you for reading my letter. And thank you (in advance) for helping me launch this STAND FOR AMERICA movement today.

My very best,

Nikki R. Haley

P.S. When I was U.S. Ambassador to the United Nations I joked that I needed to wear body armor every day. In the face of this hostility to the United States and our values, it took backbone and a willingness to fight back. It's this same resolve that led me to form STAND FOR AMERICA to continue fighting to keep America strong and safe.

While you couldn't be by my side during those fights, you can be by my side in this one. I appreciate it. And I know President Trump and our conservative allies in the House and Senate will appreciate it as well. Thank you for rushing me your STAND FOR AMERICA survey to join me today.
