

# Steve Scalise for Congress

Monday Morning

I urgently need your help to prepare for the 2020 election year. Please return the attached 2020 Early Renewal Form with your Election Year Contribution of \$10, \$15, or even \$20 in the pre-addressed envelope provided.

We are facing THE most important election of our lifetime – the stakes have never been higher as we battle to stop Democrats from gaining the power to initiate socialism in America, dismantle our military, and undermine our Constitution!

Only a strong, overwhelming, across the board Republican victory this November will stop the corrupt Democrats’ endless partisan accusations and investigations of our President so that Congress can address the real crisis facing our nation.

The past few weeks in Washington, D.C., have been hard to stomach. Democrats have put aside the business of the people and spent 100% of their time on a phony, baseless, kangaroo court impeachment proceeding. *It is a disgusting abuse of power and dereliction of duty.*

That’s why helping elect more Republicans to the House of Representatives needs to be a top priority for every concerned American.

so please return your 2020 Early Renewal Form with a contribution of \$10, \$15, or even \$20 as soon as you can.

Over the past months I have spoken to dozens of prospective Republican House candidates and helped recruit Conservative men and women to run in 2020.

I have also held dozens of fundraising events for Republican House candidates and helped lead our Party’s Congressional rebuttal to the Democrats’ ugly, endless smears against our President.

Your past support ensured that I had the resources to help get our Party focused and prepared for 2020. I cannot thank you enough.

Now as the Election Year begins, I don't intend to let up or back down in my efforts to promote our candidates, our Party, and our President.

I hope that you will also remain steadfast in your support of my campaign efforts.

Like every Republican candidate running for office next year, I need a strong, active base of support. I know that I cannot succeed in 2020 without your renewed commitment.

your Election Year Contribution of \$10, \$15, or even \$20 will make sure I hit the ground running this January to take the fight to the Democrats and promote our Party's agenda, our candidates, and our President's record of accomplishment.

I want to make sure the American people understand that Republicans in Congress are ready and willing to work with President Trump to Keep America Great...but we need to elect a new conservative House Majority first.

We need to pick up 18 Democrat-held House seats to take over the Congressional Majority, put an end to the partisan witch hunt investigations, and focus on addressing the pressing problems of illegal immigration, health care costs, crumbling infrastructure, opioid abuse, and so much more.

That's a lot of Democrat seats to gain, but 31 Democrat Members must run for reelection in Districts that were won by President Trump in 2016. These are winnable House seats where we have worked hard to recruit strong candidates.

That's why I'm asking you to rush your Election Year Contribution of \$10, \$15, or even \$20 to Scalise for Congress in the return envelope provided. Thank you in advance for your 2020 Election Year commitment.

Sincerely,

Steve Scalise  
U.S. Congress, LA-01  
House Republican Whip

P.S. I need your renewed support to make sure I can continue to serve as a strong, clear conservative voice defending our President and promoting our Party's candidates during 2020. Please send your Election Year Contribution today. Thank you again.
