

Steve Scalise for Congress

0001427

Monday Morning

I am writing to ask you to renew your support of my conservative leadership during the critical 2020 Election Year.

We are conducting an important campaign to elect a new Republican House Majority to stop Speaker Nancy Pelosi and the leftist Democrats who want higher taxes, open borders, government-run health care, job-crushing regulations, and harsh restrictions on our Constitutional rights and freedoms.

This is a campaign we cannot afford to lose.

As the number two Republican in the U.S. House of Representatives, I am helping lead our national effort to take the fight to the Democrats – and hold them accountable for their ugly, unprecedented partisan impeachment as well as for their terrible, big-government socialist agenda of policies and programs.

I can't do this alone. I am counting on grassroots supporters like you to help fund my voter outreach efforts all across the country.

please sign and return the enclosed Pledge of Support along with a contribution of \$10, \$15, or even \$20 to Steve Scalise for Congress. A pre-addressed envelope is provided for your convenience.

There are 31 Democrat Members of Congress running for reelection in districts that President Trump carried in 2016. These are the targets our Party must focus on to take back control of the House and gain the power to silence the endless attacks on our President from Nancy Pelosi, Adam Schiff, and the rest of the liberal Democrats in Congress.

After the impeachment fiasco, I think we can win quite a few of these seats – and take back control of Congress.

But we are going to have to unite and work together. I am going to keep working tirelessly to expose their disgusting, extreme partisanship – so that voters all across the country can hold them accountable at the ballot box.

We've had enough of the Democrats' partisan games. I believe the American people are ready to break the liberal logjam in Congress by electing a Republican Majority that will work hand-in-hand with President Trump to keep America on track.

That's why I am going to continue to be a leading voice standing up for President Trump and our Republican Party's incredible record of accomplishment, including the historic low unemployment and economic growth.

Please sign and return your Pledge of Support immediately to let me know you are coming forward to stand with me in defense of freedom, our conservative principles, our Republican candidates for Congress, and our Republican President, Donald J. Trump.

The fight for the future of our country is real – and it is underway right now. This is a fight we must win.

Our nation's economic prosperity, security, and freedom are on the line. The Democrats' goal is clear: destroy President Trump, insulate their Congressional candidates with a wall of lies and attacks, and clear the pathway for election of a radical left-wing president in 2020.

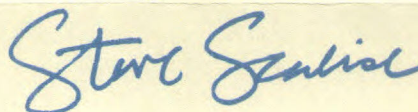

That would be a disaster for our nation. We can't let it happen.

Your financial commitment to support conservative leadership can help me remain a fierce defender of President Trump's agenda and Republican candidates who promise to advance common-sense policies that keep our economy growing, secure our borders, and protect our freedoms.

So please, sign and return the enclosed Pledge of Support along with a contribution of \$10, \$15, or even \$20 to Steve Scalise for Congress in the pre-addressed envelope provided.

Thank you in advance for standing with me as part of my team of grassroots supporters.

Sincerely,

Steve Scalise,
U.S. Congress, LA-01
House Republican Whip

P.S. I need your support as I fight to promote our Republican record, our conservative agenda for the future, and Republican candidates who will work with President Trump to Keep America Great. Please sign and return the enclosed Pledge of Support along with a contribution of \$10, \$15, or even \$20 to help underwrite my 2020 efforts. America needs strong, vocal, conservative leaders more than ever to expose the Democrats' bitter partisan obstructionism – and to help counter the media's non-stop negative coverage of our President, his policies, and our Party. I hope to hear back from you soon. Thank you.
