

Steve Scalise for Congress

Monday Morning

Dear

I need your help to end the First Quarter of 2020 with the resources on hand to continue my efforts to expose the Democrats' petty partisanship in Washington, D.C., and to help rally Republican voters to hold the liberals accountable in November.

The next few weeks are critical to making sure Republicans have strong candidates ready and willing to run aggressive, all-out campaigns to take back control of the U.S. House of Representatives.

So please, immediately return the enclosed End of Quarter Reply with a contribution of \$10, \$15, or even \$20 in the pre-addressed envelope provided.

As the second ranking Republican in the House, I spend a great deal of time and energy working to help promote the TRUTH about our Republican agenda and our great President, Donald J. Trump.

I did everything I could to make sure voters understood that Nancy Pelosi, Adam Schiff, and Jerry Nadler conducted a corrupt, partisan impeachment hoax against President Trump – instead of working on the critical issues facing our nation.

Now, we need to work with our Republican House candidates to ensure that, come November, voters are ready to hold the liberal Democrats accountable at the ballot box. They must not get away with this terrible abuse of Congressional power!

Folks like you, patriotic men and women from Louisiana and all across the country, stood proudly alongside my Republican colleagues and me throughout the Democrats' impeachment temper tantrum. I cannot thank you enough.

But now, as we end the First Quarter of 2020, I need to raise the funds to keep the pressure on vulnerable Democrats – **especially in the districts that President Trump carried in 2016, but now have a Democrat Member of Congress.**

Dear Steve,

Please see reverse side to make your contribution by credit card and for important contributor information.

that's why I'm asking you to send a contribution of \$10, \$15, or even \$20 to Scalise for Congress as soon as you can.

The stakes are high this November and Republicans need to fight hard every day, for every vote, all across this country.

America is headed in the right direction, and I want to keep it that way.

Our economy is booming. Unemployment is low. Wages are rising. Border security is improving. Taxes are low. Our military is strong and well-equipped. Veterans are getting the benefits they've earned and deserve. The federal government is more accountable. And new trade deals are putting America's interests and workers first.

Yet the liberal Democrats in Congress are determined to initiate radical change. The far-Left radicals who control the Democrat Party are pushing for terrible big government socialist policies and proposals that would crush our economy, undermine our security, and destroy our Constitutional freedoms.

They don't cheer for America's victories and successes. The liberals want to create division to foment dissent and bolster their political fortunes. It is truly sickening to watch. And it's got to stop.

But it will only stop when we strip them of power, strip Nancy Pelosi of the Speaker's gavel, and toss partisan hacks like Adam Schiff and Jerry Nadler out of Committee Chairmanships.

That's why we must do everything we can to take back control of the House this November.

as the First Quarter of 2020 comes to an end, I am counting on your support to ensure I have the resources to continue my work to expose, refute, and counter Democrats' ugly lies about our President, our Party, and our agenda...so we can defeat them.

Your contribution of \$10, \$15, or even \$20 today is extremely important to help fund my political efforts.

Please respond as quickly and generously as possible. Thank you.

Sincerely,

Steve Scalise
U.S. Congress, LA-01
House Republican Whip

P.S. the First Quarter of 2020 is coming to an end and I need your help to ensure my campaign is strong and ready to help lead our Republican efforts to take back control of the U.S. House and to promote our strong record of working with President Trump to turn this nation around. Please rush a contribution of \$10, \$15, or even \$20 to Scalise for Congress in the pre-addressed envelope provided to help reinforce my campaign war chest. Thank you again.
