## Look at the YUGE Progress We're Making As We Stand With Trump Against the Coup!

Dear TCC Supporter,

Enclosed for you is the latest *Stand With Trump Report*, produced by The Conservative Caucus (TCC), organizer of the 2019-2020 project to **Stand With Trump Against the Coup**.

As detailed in your newsletter we're running a massive nationwide advertising campaign to counter the ongoing assault on President Trump from the Militant Left, their corrupt news media allies, the Deep State and others.

That ad campaign includes distributing to voters the list of "289 Promises Kept" by Trump . . . running the World's Longest Ad (to defend Trump's accomplishments) and much more.

None of this progress could have happened without the financial support of you and others in our growing army of Trump Patriots. So I'd like to thank you again for your generosity and patriotism.

As you know the deranged, radical Left will never give up trying to destroy and overthrow President Trump by any means necessary. House Speaker Nancy Pelosi made that clear in late September when she gave a green light to the House of Representatives Impeachment Inquiry against President Trump.

**That's why I hope I can count on you to make a 2019-2020 Stand With Trump donation of \$15, \$25, \$50, \$100 or possibly more to increase our grassroots campaign to defend President Trump.**

As I mentioned in my previous letter to you, one key goal of our **Stand With Trump Against the Coup** project is recruiting a Trump Patriot Army of 10 million supporters.

As you're aware, politics is about numbers – and an army of 10 million patriots will become a powerful pro-Trump force.

The most generous donation you can afford right now will help our

(Over, please)

## Stand With Trump Against the Coup project:

- **Flood Republican leaders in Congress with more Stand With Trump Petitions**, on top of the 393,233 Petitions we have already delivered in 2019;
- **Produce and distribute more pro-Trump videos**, like the ones we did last year to defend Supreme Court Justices Neil Gorsuch and Brett Kavanaugh;
- **Continue to distribute** the Official White House list of 289 (and counting) Promises Kept by President Trump. We've found this is an effective way to counter the Left's lies about Trump with the truth.
- **Produce new booklets, pamphlets, and other material** defending and explaining Trump's conservative record.
- **Fund TCC's special project to Stand With Trump Against Socialism**, a bankrupt system that is becoming extremely popular with younger voters;
- **Build a campaign war chest** that we can draw on each time the liberals and their media lapdogs launch a phony new Trump scandal;
- **Finish building our army of 10 million Trump Patriots**; and much more.

As you already know, President Trump is doing his best to withstand the Left's vicious attacks on him, his family and our country.

But sometimes I feel like he's out there all alone.

Please do your part to help by making your generous **\$15, \$25, \$50, \$100 or larger** 2019-2020 Election Season donation to help stop the Militant Left from destroying President Trump.

Please do your part to Make America Great Again!

Sincerely,

Peter J. Thomas, Chairman  
The Conservative Caucus (TCC)

P.S. URGENT: Please include a Stand With Trump donation of **\$15, \$25, \$50, \$100** or whatever you can afford today to help defend President Trump from the new assaults that seem to come daily (and even hourly) from the unhinged, radical Left and their allies in the fake news media.

Thanks again for your patriotism and for supporting the 2019-2020 project to **Stand With Trump Against the Coup**. I hope you enjoy your newsletter!

# **Polls show black support for President Trump increasing. Is this why the Left is desperately calling Trump a racist?**

Back in May 2018, a YouGov/Economist poll found 16 percent approval for Trump among blacks. Joseph Sheppard, in an article in *The Federalist* headlined “Black Support for Trump Is Rising into the Danger Zone for Democrats,” called the number “striking.”

Fast forward to July 2019: A Rasmussen Poll shows that the day after Trump pointed out that Baltimore is a “rat and rodent infested mess,” Trump’s approval among blacks soared 9 points, from 25 percent to 34 percent.

**According to former Florida Republican Rep. Allen West, who is African-American, there’s an “awakening” in the black community. West says black Americans are starting to reject the economically dependent “slave mentality” of the progressive Left, including the push for reparations.**

Maybe that’s why the Left and their corrupt news media allies are constantly calling Trump a racist! They’re afraid they’re going to lose millions of black votes in 2020, and the race card is the only weapon they have.

Here at The Conservative Caucus (TCC) we have a plan to DEFEND PRESIDENT TRUMP, but we’re going to need your help. We’ve launched a 2019-2020 project to **Stand With Trump Against the Coup**.

Your donation of **\$15, \$25, \$50, \$100 or whatever you can afford** will be quickly put to work to help counter the lies about Trump with the truth about his accomplishments.

That includes distributing the Official White House list of 289 (and counting)

# Polls show rising black support for Trump. Is this why the Left is desperately calling him a racist? (Con't)

Promises Kept by President Trump to millions of Americans . . . pressuring Republicans in Congress to Stand With Trump . . . producing videos, brochures and other material defending Trump's conservative policies . . . and much more.

**Please make the most generous 2019-2020 donation you can afford to help stop the radical Left and the fake news media from destroying President Trump!**

According to former Florida Republican Rep. Alan Sber, who's African-American, there's an "awakening" in the black community. They are starting to reject the economic "experiment" that's been going on since the 1960s, including the push for reparations. Many say why the Left and their corporate media allies are constantly calling Trump a racist. They're afraid they're going to lose what of black votes in 2020 and the rest isn't the only reason they have.

Here at The Conservative Choice (TCC) we have a plan for 2019-2020 project to Stand With the Trump Against the Left. Our donation of \$15, \$25, \$50 or whatever you can afford will be quickly put to work to help counter the Left's efforts to destroy his administration.

That includes dismantling the Official White House (and covering) (over 100)
