

STAND WITH TRUMP AGAINST IMPEACHMENT

Sign our Petition!

Demand the Republicans Stand with Trump ...

- Against Nancy Pelosi and the Democrat Socialists
- Against the Hate-Trump Fake News Media
- Against the Corrupt Obama/Clinton Deep State
- Against Impeachment!

DEMAND THE REPUBLICANS STAND WITH TRUMP AND FIGHT BACK AGAINST NANCY PELOSI, THE DEMOCRAT SOCIALISTS, AND THE FAKE NEWS MEDIA

I URGE you to sign it today. Because the time has come to say **enough is enough** to the Democrat lies, corruption and abuse of power that are fueling their impeachment frenzy.

Case in point? **House Intelligence Committee Chairman Adam Schiff.** In his statement opening the initial House Judiciary hearing on the phony "*Trump/Ukraine scandal*," Schiff deliberately changed the text of the actual phone call between President Trump and Ukrainian President Volodymyr Zelensky.

He literally just made up an entirely fictitious account to make the President look as bad as possible ... knowing full well that MSNBC, CNN and the other fake news media would play it over and over again ... as if it were true!

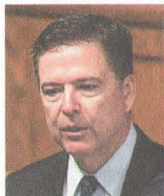

Every Republican on the Committee should have stood up and walked out in protest of that shameful stunt ... and your Petition urges they begin fighting back as fiercely as possible without delay!

Rush is right! "Where are the Republicans?"

"It's not just about getting rid of Trump. It's about getting rid of us, this show, talk radio, Fox News, and the freedom to vote. They are fed up with having opposition. They are fed up with having to win or debate in the arena of ideas. We are a gigantic irritation to them and their objective here by taking out Trump is taking out everybody associated with him, including those who voted for him and put him into office.

"Where are the Republicans? Why don't they see this is ultimately going to sweep them out too?"

– Rush Limbaugh

NANCY PELOSI, THE DEMOCRAT SOCIALISTS,
AND THE FAKE NEWS MEDIA**

"Our last caller said, 'Where are the Republicans?' Exactly damn right! Trump is under siege, he is under assault and under attack every day, and it's crickets from the Republican side of the aisle!"

Dear American Patriot,

The drive to impeach President Trump is ***MORE*** than just a plot to force him from office ... ***it's also a WAR*** on you, me, our Constitution, our values and the America we love.

That's why the Republicans must get off defense and ***FINALLY*** go on the attack ... ***and why I need you and every other patriot I am writing to today to immediately:***

- 1) ***Sign*** the enclosed "***Stand Up and Fight Back!***" ***Petition***;
- 2) ***Complete*** the enclosed "***National Survey on Impeaching President Trump***"; and
- 3) ***Speed them back to me today*** along with ***an emergency anti-impeachment donation*** of \$20, \$25, \$50, \$100 or more to ***The Conservative Caucus (TCC)***.

Our Survey asks these three important questions:

- A) ***Do you oppose*** the Democrats' drive to impeach the President?
- B) ***Are you angry*** with the Republicans' refusal to attack the Democrats, the Deep State and the fake news media, and their

(Over, please)

efforts to overthrow the President?

C) **Will you help us place massive pressure** on Republicans to demand they finally stand up and fight back?

If you answered “**YES**” to all three questions, that’s where **our Petition** comes in.

It is addressed to all 253 Republicans in the House and Senate ... and **it demands** they **go on the attack** against the Democrat socialists, the Obama/Clinton Deep State and the media!

I URGE you to sign it today. Because the time has come to say **enough is enough** to the Democrat lies, corruption and abuse of power that are fueling their impeachment frenzy.

Case in point? **House Intelligence Committee Chairman Adam Schiff**. In his statement opening the initial House Judiciary hearing on the phony “*Trump/Ukraine scandal*,” Schiff deliberately changed the text of the actual phone call between President Trump and Ukrainian President Volodymyr Zelensky.

He literally just made up an entirely fictitious account to make the President look as bad as possible ... knowing full well that **MSNBC, CNN** and the other fake news media would play it over and over again ... as if it were true!

Every Republican on the Committee should have stood up and walked out in protest of that shameful stunt ... and your Petition urges they begin fighting back as fiercely as possible without delay!

Your Petition also urges (in the strongest terms) more Republicans to follow the lead of leaders like **Congressman Jim Jordan (R-OH)** and **Devin Nunes (R-CA)** and call out the Deep State Obama/Clinton intelligence operatives who have been spying on the President.

That’s right: **SPYING!** The Democrat socialists want you to think the so-called “*whistleblower*” is a patriot on par with **Paul Revere**. But the truth is he is **a CIA spy** inside the White House trying to find something, **anything**, that can be used as an excuse to destroy the President!

The time has come for all Republicans to stand up and loudly declare that we need to **expose, purge and punish** these subversives who are trying to overturn the 2016 election!

Your Petition also warns each and every Republican that there will be a steep price to pay for any who follow **Mitt Romney’s lead** and join the impeachment mob.

Romney, ***much to the glee of the hate-Trump media***, declared that the President’s phone call with the Ukrainian President was “*troubling in the extreme*.” But Romney’s got it wrong! What’s “*troubling*” here is not the phone call. What’s “*troubling*” is that, once again, the Obama/Clinton Deep State has spied on a duly elected President in order to bring him down!

Bottom line? President Trump has every right to talk to a foreign leader about corruption inside his or her government before we provide billions of dollars in foreign aid. This is true **EVEN** if a candidate for U.S. President is in the middle of that country’s corruption scandal.

In this case the foreign leader was the newly elected Ukrainian President Volodymyr Zelensky, and the candidate for President was former **Vice President Joe Biden**.

There is solid evidence that **Biden’s son, Hunter Biden, was given a sweetheart \$50,000 a**

month, no-show job in a Ukrainian gas company **ONLY** because Joe Biden was Vice President of the United States.

The company was notoriously corrupt and was being investigated by a Ukrainian Prosecutor who almost certainly would have included Hunter Biden in any case against it ...

... until, that is, Vice President Joe Biden told Ukraine that billions in U.S. aid would be withheld UNLESS the Prosecutor was fired.

As Joe Biden himself now brags, *“Guess what? The Prosecutor was fired!”*

There is **NO** proof of any such *“quid pro quo”* in the conversations between President Trump and the Ukrainian President. But, incredibly, President Trump is on the verge of being impeached for **NOT** doing what former Vice President Biden **DID** do!

The Steele Dossier. Spying on the Trump Campaign. Endless Congressional investigations. Stormy Daniels. Michael Cohen. The Mueller Report. The 25th Amendment. Trump’s taxes. Trump’s hotels. Trump’s family.

And now, a sham “Impeachment Inquiry.”

All of the previous schemes were deployed in a never-ending conspiracy to destroy first candidate Trump, and then President Trump. All have, thus far, failed. But, **ONLY** because Patriots like you have helped us maintain pressure on the Republicans to Stand With Trump ...

... which is why we also need the most generous emergency donation you can afford to send back along with your signed Petition.

The Republicans live in abject fear of the fake news media. Worse, many of them are way too cozy with the very Deep State establishment trying to take down the President.

Which is why much more than just a single Petition campaign is going to be needed here.

Your gift of \$15 or more will help us **send wave after wave of Petitions** along with similar waves of angry emails, phone calls, letters and texts to the Congressional GOP.

Your special donation today will help us pound these Republicans with petitions, emails, letters and phone calls demanding they:

- 1) **Go on the attack** against Nancy Pelosi, Adam Schiff, Jerry Nadler and the Democrat socialists trying to impeach and overthrow President Trump. **Challenge them** every time they lie, smear and piously declare they are doing it all out of love for the country!
- 2) **Stand up and fight** the next time a Democrat puts on a sham display in Congress, on TV, in town hall Meetings or anywhere else they try to smear the President and/or his supporters.
- 3) **Demand formal Congressional and Justice Department investigations** to expose, fire and punish Deep State Obama/Clinton intelligence operatives who have been spying on the President in order to entrap him and destroy his Presidency.
- 4) **Demand formal Congressional and Justice Department investigations** into the actions of Joe Biden and his son Hunter, who actually did threaten Ukraine in an attempt to cover up alleged crimes.
- 5) **Publicly disavow turncoat Republicans like Mitt Romney** who betray our principles,

(Over, please)

our President and our country.

- 6) **Call out the Democrats for the socialists they are and warn the American people** what our country will look like if they are ever in a position to impose their pro-tax, anti-borders, pro-abortion-on-demand, anti-religious liberty, pro-gun confiscation, anti-military, pro-big government, anti-free speech, anti-term limit agenda on our nation.

Stand with Trump Against Impeachment is a special project of The Conservative Caucus (TCC). For 45 years and counting, we've been involved in some of the most important policy battles in recent American history.

It was TCC that helped President Reagan win the Cold War . . . **it was TCC** that helped repeal the Catastrophic Coverage Tax . . . **it was TCC** that helped defeat "Hillarycare" . . . **it was TCC** that helped block President Bush's amnesty plan . . . **and it was TCC** that was a constant thorn in Obama's side.

But today, **we are on our most important mission yet: To Stop the overthrow of a duly elected President of the United States and Prevent a socialist takeover of the United States.**

I pray you will help us succeed . . . because our country is on the line. So please:

- 1) **Sign** the enclosed "*Stand Up and Fight Back!*" *Petition*;
- 2) **Complete** the enclosed "*National Survey on Impeaching President Trump*"; and
- 3) **Speed both back to me today** along with *an emergency anti-impeachment donation* of \$20, \$25, \$50 or \$100 **TODAY**.

If you can afford to send **\$250, \$500 or even more**, that would be a huge boost to our anti-impeachment efforts. But please, **AT LEAST** send back **\$20** along with your **Petition**.

Sincerely,

Peter J. Thomas, Chairman
The Conservative Caucus (TCC)

P.S. **Attack! Attack! Attack!** **THAT** is the message we need to send to the Republicans in Congress. The Democrat socialists and their allies in the Obama/Clinton Deep State and hate-Trump media will tell any lie, make up any scandal, use every trick and smear anyone standing in the way in their deranged drive to oust President Trump from office.

Republicans need to call them out every minute of the day **on TV, on radio, on the internet and on the floor of Congress**. So please, do your part today: Speed back your **Survey, Petition and anti-impeachment donation** of \$20, \$25, \$50, \$100 or more **TODAY!**

P.P.S. The leaders of the Coup don't just hate President Trump. **They hate you, me and all of Trump's supporters!** **They hate** what we stand for and believe. **They hate America!**

Most of all, they hate that we have the power to stand in their way. So please, **use that power today.** **Demand action from the Republicans! Demand they fight back!**

STAND UP AND FIGHT BACK!

PETITION TO THE REPUBLICANS OF THE 116TH CONGRESS OF THE UNITED STATES OF AMERICA

Whereas, the corrupt Obama/Clinton Deep State, the Democrat socialists, the violent radical Left, the fake news media, and the Never Trump Republican collaborators have been out to destroy Donald Trump since the day he announced his candidacy for President in 2015; and

Whereas, the current "*Impeachment Inquiry*" is just the next step in a long scheme to undo the 2016 election and overthrow President Trump that began with the Steele Dossier; and

Whereas, the next step will be formal Articles of Impeachment and, ultimately, the impeachment of President Trump; and

Whereas, the plot to impeach and imprison President Trump cannot and will not succeed as long as every Republican continues to Stand With Trump Against Impeachment and the Coup;

Therefore, I, a voter, taxpayer and citizen of the United States do hereby urge you to:

- 1) **Go on the attack** against Nancy Pelosi, Adam Schiff, Jerry Nadler and the Democrat socialists trying to impeach and overthrow President Trump. Challenge them every time they lie, smear and piously declare they are doing it all out of love for the country!
- 2) **Stand up and fight** the next time a Democrat puts on a sham display during televised Congressional hearings in order to smear the President. (As Adam Schiff did in the opening hearings on the Ukraine "*scandal*.")
- 3) **Demand formal Congressional and Justice Department investigations** to expose, fire and punish Deep State Obama/Clinton intelligence operatives who have been spying on the President in order to entrap him and destroy his Presidency.
- 4) **Demand formal Congressional and Justice Department investigations** into the actions of Joe Biden, his son Hunter and several Democrat Senators who actually did threaten Ukraine in an attempt to cover up alleged crimes and dig up dirt on President Trump.
- 5) **Publicly disavow turncoat Republicans** like Mitt Romney who betray our principles, our President and our country.
- 6) **Call out the Democrats for the socialists they are and warn the American people** what our country will look like if they are ever in a position to impose their pro-tax, anti-borders, pro-abortion-on-demand, anti-religious liberty, pro-gun confiscation, anti-military, pro-big government, anti-free speech, anti-term limit agenda on our nation.
