2020 RE-ELECTION PLEDGE OF SUPPORT TO PRESIDENT DONALD J. TRUMP

Sponsored by I Stand With Trump for Re-election A Special Project of The Conservative Caucus (TCC)

Dear Mr. President,

Thank you for keeping your promises, boosting our economy, rebuilding our military and defending our liberties, and for your continued efforts to Make America Great Again!

I, Mr. Al Rogers Jr., now want to assure you that I stand with you today and will continue to stand with you all the way to Election Day in November. No lies or smears by the hate-filled dishonest Democrat socialists and the cheerleaders in the fake news media will persuade me to leave the Trump Army here in 2020.

I also fully understand that the Pelosi/Schiff/Nadler impeachment charade was just the opening act and that there will be more phony anti-Trump "*blockbuster*" breaking news reports, Deep State leaks and surprise "*whistleblowers*" in the weeks and months ahead to derail your re-election chances, and that you are going to need all hands on deck until the last votes are cast in November.

Finally, I realize the Democrat socialists are highly energized, well-funded and well-aided by the powerful propaganda of the fake news media ... and that we are going to have to be just as energized.

With our country on the line, failure is not an option.

I know you are going to fight with everything you have every minute of every day between now and Election Day. Please know that I and millions of other Americans who understand what is at stake will be standing and marching with you every step of the way to victory in November!

Sincerely: _____ **Date:** _____
