

2020 ELECTIONS WILL BE A REFERENDUM ON SOCIALISM VERSUS FREEDOM

The 2020 elections will be the most consequential in American history. They will determine if the United States will remain on the path of liberty, prosperity, security and greatness ... or take a socialist road to ruin and become a weak, borderless, poor country totally dependent on, and controlled by, big government.

TCC is determined to make this point clear to as many Americans as possible **BEFORE** they vote on Election Day in November of 2020. We will, with the help of patriotic supporters like you, use every communication tool we have to inform Americans (most especially in key battleground states that will decide the outcome in 2020) of what they stand to lose should the socialists prevail.

BUT WE WILL NEED EVERY SUPPORTER AND DOLLAR WE CAN MUSTER TO HELP MAKE SURE AN INFORMED AMERICA GOES TO THE POLLS IN 2020. SO PLEASE, SPEED BACK THE MOST GENEROUS DONATION YOU CAN AFFORD TO SEND TCC TODAY!

STAND WITH TRUMP AGAINST THE COUP!

A Special Project of The Conservative Caucus (TCC) to counter and block the Coup to Overthrow President Donald J. Trump

Dear

Over the next 14 months, the very survival of the United States as a free, secure and prosperous nation will be in dire jeopardy.

Which is why we are going to need every supporter and every dollar we can muster ... and why I need you and every other top Stand With Trump supporter to:

- 1) **Check "YES"** on the enclosed **MAIL RECEIPT CONFIRMATION**; and
- 2) **Rush it back to me** today along with a most generous and special donation of **\$15, \$30 or \$45**.

If you can afford to send as much as **\$60, \$75** or even more, that will be a huge boost to our early fall programs and projects.

But please, be sure to send **AT LEAST \$15**.

Just as important is your **MAIL RECEIPT CONFIRMATION**.

We need this back from you for two very important reasons.

First, as I will point out in a moment, the financial needs of our important Stand With Trump, anti-Deep State, pro-term limits conservative agenda, this fall and into 2020, are going to be huge ... perhaps greater than at any other time in TCC's history.

Second, we have reason to believe that some of the important letters

we send to loyal Stand With Trump/TCC supporters like you are being **deliberately destroyed**, **“lost” or tampered with** by hate-Trump employees of the U.S. Post Office.

I hope this isn't true. But there is only one way to find out ... and that's why we need you to return your **MAIL RECEIPT CONFIRMATION**.

That is the **ONLY** way we can be sure you and other key supporters received this important letter ... and make no mistake: With the stakes as high as they are now and will be through the end of the important year ahead, **we cannot afford to have any of our communications suddenly “disappear” between here and your mailbox!**

So please, regardless of what donation amount you choose to send back today, be sure to return your **MAIL RECEIPT CONFIRMATION**.

But please, do ***try to be as generous as you can*** today.

Again, we are going to need every supporter and dollar we can muster in the days and weeks ahead ... and here's why.

It now seems only a matter of time before the deranged socialist Democrats begin impeachment hearings against the President.

The fake news media is all but demanding that the President be impeached, indicted and, ultimately, imprisoned.

Nancy Pelosi has already accused both the President and Attorney General Barr of committing crimes ... and admitted she wants the President **“in prison.”**

So have the hate-Trump Judiciary Committee Chairman **Jerry Nadler** and literally dozens of other Democrat socialists ... including several leading Democrat candidates for President.

None of these charges are real ... but that doesn't matter to the deranged hate-Trumpers.

Anything and everything of which they accuse the President, his Administration, his family, and his 2016 Presidential campaign will be held as credible evidence for impeachment ... ***no matter how weak it actually is.***

Case in point? **Democrat socialist Congressman Al Green (D-TX)** declared that the President had committed an **“impeachable offense”** for tweeting that **radical socialist Congresswomen Alexandria Ocasio-Cortez (D-NY)** and three other leftists (**including al-Qaeda sympathizer Ilhan Abdullahi Omar (D-MN)**) should leave America if they hate it so much.

These deranged Trump-hating leftists are being cheered every step of the way by the fake news media, the Hollywood elite, major corporations like Starbucks, radical socialist billionaires like George Soros and Michael Bloomberg, and college professors everywhere.

One hate-Trump socialist billionaire (and now Presidential candidate), **Tom Steyer** from California, is working to recruit **millions of leftists** to sign a Petition demanding the House impeach President Trump as soon as possible . . . ***and he already has more than eight million signatures!***

Well, as you know, **we're building a “10 Million Patriots For Trump Army”** to counter

this Coup against the President . . . **and you are one of our TOP Trump soldiers.**

My friend, no President in the history of the United States has taken more hateful and relentless fire from more directions than President Trump ... and yet ... **he is still standing.**

That is a tribute to his courage and his strength ... **but it is also a tribute to patriots like YOU who have stood with him against the Coup from day one.**

But, facts are facts ... and the fact is the frenzy to destroy the Trump Administration by any means necessary is about to shift into high gear this Fall.

That's why I am so concerned that our mail to key Stand With Trump, anti-Deep State, pro-term limits supporters like you may be being deliberately **destroyed** by hate-Trump employees of the U.S. Post Office.

We are going to need a steady communication flow we can count on between us and steadfast supporters like you ... and we are going to need every dime you and other patriots can send to TCC for our crucial programs and projects over the next 14 months.

Important, game-changing programs and projects such as:

- 1) **Our important series of videos** highlighting the radical, dangerous, socialist agenda of the pro-impeachment Democrats, the fake news media, the violent and dangerous leftist mobs, and the corrupt Obama/Clinton Deep State bureaucrats.
- 2) **Our ongoing campaign to maintain pressure on congressional Republicans** (with petitions, emails, letters and phone calls from across the nation) to **Stand With Trump** against the ongoing Coup.
- 3) **Our coming anti-impeachment, anti-Left and anti-socialism digital display ads** that we will mass distribute **via email and social media tools like Facebook, Instagram and Twitter.**
- 4) **Our powerful postal and digital direct marketing campaign**, with which we are reaching millions of Americans (including voters in key 2020 battleground states) with Action Alerts mobilizing them behind Term Limits, border security, fewer government regulations, a strong national defense and other top conservative priorities of President Trump.

We developed this comprehensive strategy because we know it works. For 45 years now, TCC has been involved in some of the most important policy battles.

It was TCC that helped President Reagan win the Cold War ... **it was TCC** that helped repeal the Catastrophic Coverage Tax ... **it was TCC** that helped defeat "Hillarycare" ... **it was TCC** that helped block President Bush's amnesty plan . . . **and it was TCC** that was a constant thorn in Obama's side.

Today, we are Standing With Trump against the rising socialist tide and for draining the

(Over, please)

corrupt Deep State swamp in Washington that is drowning our Republic.

This includes **prosecuting** any and all federal officials who tried to rig the 2016 elections and/or overthrow President Trump. **It also includes congressional term limits.** It is well past time that we put an end to the practice of professional politicians who become rich at the expense of taxpayers like you and me!

But none of this will be possible without the support of loyal, steadfast and generous patriots like you ... and you can't help if we can't always reach you.

So again, *please:*

- 1) **Check "YES"** on the enclosed **MAIL RECEIPT CONFIRMATION**; and
- 2) **Rush it back to me** today along with a most generous and special donation of **\$15, \$30 or \$45.**

As I said in the beginning, if you can afford to send as much as **\$60, \$75** or even more, that will be a huge boost to our early fall programs and projects.

But please, , be sure to send **AT LEAST \$15** along with your **MAIL RECEIPT CONFIRMATION.**

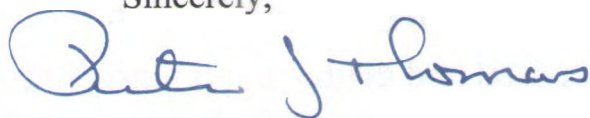

America is standing at a crucial crossroads between socialism and ruin in one direction, and liberty and prosperity in the other.

Which direction we choose will determine what kind of America and world our children and grandchildren will live in for the rest of their lives and beyond.

Help us help the President ensure America makes the right choice.

Thank you. And God bless.

Sincerely,

Peter J. Thomas
Chairman

P.S. **Our financial needs through the Fall and into the crucial and potentially history-altering year of 2020 are going to be huge and we are going to need all hands on deck.** That means we cannot have our mail to you somehow being "*lost*" by anti-Trump employees of the Post Office.

Please, confirm that this letter arrived and arrived in good condition: **Check "YES"** on the enclosed **MAIL RECEIPT CONFIRMATION.** Then speed it back to me today along with **your most generous and much-needed gift** of **\$15, \$30, \$45** or more to The Conservative Caucus (TCC) and our crucial Stand With Trump, anti-Coup, pro-term limits, anti-Deep State conservative agenda.
