

Should Illegal Aliens Be Able to Vote?

Cast Your Ballot Now! Affix sticker in the appropriate box.

NO!  **STOP**

I oppose illegal aliens voting in American elections. We must stop this unconstitutional power grab by Nancy Pelosi and her allies on the radical Left.

YES!

I favor
illegal
aliens
voting.

I'm a "global elitist" who wants to give the "green light" for illegal aliens to vote in our elections. I'm not concerned by voter fraud or attacks on the Constitution.

Kay C. James
PRESIDENT

House Votes in Favor of Illegal Alien Voting

On Friday, March 8, 2019, the liberal-controlled House of Representatives voted to support voting rights for illegal aliens, blocking conservative attempts to oppose them. The vote marked a stark reversal from just a few months previously, when the House, then under conservative control, voted against illegal immigrant voting.

Dear Friend of the Constitution:

It's even worse than I feared. *Here are three facts you need to know right now:*

1. Speaker Nancy Pelosi and her allies in Congress launched a campaign to give illegal aliens the right to vote!
2. They're trying to cripple state voter ID laws ... restore the ability of felons to vote the minute they are out of prison ... and even give 16-year olds the vote!
3. They're also trying to take away state and local government's authority to run their own elections, and increase government censorship of conservative political speech.

It's all part of the Left's naked grab for more power and more votes.

I want you to know that The Heritage Foundation, the largest and most effective conservative organization in America today, is fighting each of these blatantly unconstitutional attempts to undermine our electoral system.

But the one issue we have to stop RIGHT NOW is the movement to give illegal aliens the right to vote!

And we need your help to do it.

If you don't want your vote cancelled out by an illegal alien's vote, please put the

(over, please)

red “STOP” sticker on the enclosed Ballot: *Should Illegal Aliens Be Able to Vote?*

Your “STOP” sticker means you stand with The Heritage Foundation and the White House as we work to secure the border and STOP illegal aliens from voting. We will use the ballots to strengthen our efforts to educate the public and policy makers on why this work is important to the Nation.

But if you are a politically correct “global citizen,” and you want illegal aliens to vote in U.S. elections, cast your green “YES” ballot so I know not to contact you again.

Regardless of which ballot you cast, it’s vital you vote today because fair and honest elections are the cornerstone of our republic ...

Thanks to the generosity of conservative patriots like you, The Heritage Foundation works hand in hand with the administration to secure America’s borders, appoint more conservative judges and reduce your tax burden.

I’m encouraged by Heritage’s many successes that helped enact a conservative agenda. But all of our victories could be for naught if the radical Left is able to undermine our electoral system for partisan political gain!

I say this because, without voter ID laws, there is nothing to prevent the Left from stuffing ballot boxes with the votes of illegal aliens, felons, and even dead people!

When that happens, your vote and mine won’t matter. Because every conservative vote will be offset by the vote of an illegal alien – exactly what the radical Left wants!

Imagine the future if the Left gets to choose who votes in this country ...

- America will become a Socialist nightmare with tax rates as high as 90%, guaranteed income for those who refuse to work, and government-controlled Medicare-for-All!
- Your gas-powered car or truck will be banned.
- You’ll be pressured not to eat meat “for the good of the environment.”
- You’ll be publicly shamed if you dare to stand up for traditional values or disagree with their politically correct “social justice” agenda.

The Left’s plan to turn their radical vision into law all starts with seizing control of ballot boxes in federal, state and local elections.

That’s why the Left is actively fighting to give the vote to illegal aliens, felons, 16-year olds and, yes, even dead people who should have been removed from voter rolls years ago!

(next page, please)

Although liberals claim that election fraud is rare, The Heritage Foundation's Election Fraud Database has uncovered over a thousand proven instances of voter fraud leading to 1,019 criminal convictions!

Election fraud is a growing problem in America that will be made worse by eliminating voter ID laws, allowing same day registration and "automatic" registration, and encouraging illegal aliens to vote.

But stuffing the ballot box with illegal votes is only the tip of the iceberg ...

The Left also wants to abolish the Electoral College and expand the Supreme Court to 15 members in order to dilute its conservative majority!

Do you believe that preventing, deterring, and prosecuting election fraud is essential to protecting the integrity of our voting process?

Does it bother you that many powerful and prominent progressives want to pack the Supreme Court with liberals and abolish the Electoral College?

If you care about the Constitution, please place the red "STOP" Sticker on your ballot: ***Should Illegal Aliens Be Able to Vote?***

And when you do, go one step further.

Join The Heritage Foundation by sending a gift of **\$25, \$50, \$100, or more** to help us stem the tide of illegal immigration, nominate more judges who will defend the Constitution and reduce the size and power of government over our lives.

The Heritage Foundation has over 500,000 members, with more joining every day.

Heritage members look forward to welcoming you with open arms as our newest supporter and as a rock-solid conservative who shares the same vision for our country that our brilliant Founding Fathers enshrined in the U.S. Constitution.

Heritage relies solely on patriotic Americans like you to support our mission.

Will you send an urgent gift of **\$25, \$50, \$100, or more** today to fight proposals by the Left to steal elections before they turn America into the next Venezuela?

Believe me, every dollar you send will be put to good use in advancing the conservative agenda and stopping the growth of socialism.

The White House Embraces Heritage's Policy Proposals

Thanks to the generosity of conservatives who share your values, Heritage is the most effective think tank in the world! That's not just my opinion ...

(over, please)

For the past three years, the University of Pennsylvania ranked The Heritage Foundation as the #1 most influential public policy think tank in the world.

We earned this rating because the White House has embraced 64% of the 344 policy proposals we submitted. And Heritage has been able to place over 60 of our policy experts in the Administration.

While it's an honor to lead an organization that even the Left concedes is making an impact, the truth is that Heritage's ability to defeat the Washington Establishment depends on the support of patriotic Americans like you.

Although the White House has embraced Heritage proposals to secure the border, reform our tax code and restore our military, the constant attacks on the presidency have limited his ability to enact his full agenda.

The administration relies on Heritage for both policy ideas and the grassroots support of a conservative agenda to get things done!

So please, accept my invitation to become a member of The Heritage Foundation by making a gift of **\$25, \$50, \$100, or more** today.

My friend, this is a do-or-die moment for the U.S. Constitution and the rule of law.

The radical Left wants to steal elections by deciding whose votes matter most! They want to give illegal aliens the vote and do away with the Electoral College.

If you agree with me that it's wrong for illegal aliens to vote, please put the red "STOP" sticker on the enclosed *Should Illegal Aliens Be Able to Vote? Ballot.*

And please include your most generous gift of **\$25 or more** to become a proud member of the Heritage Foundation today. Thank you for your generous support.

Sincerely,

P.S. Ronald Reagan said it best: "A nation that cannot control its borders is not a nation." Birthright citizenship, chain migration, and sanctuary cities have resulted in record levels of illegal immigration. Now the Left wants to give illegal aliens the vote! I urge you to return your ballot along with your most generous gift of **\$25 or more** to become a member of The Heritage Foundation. Thank you!

- Luther Warrick

“This is the one organization our family can trust to actively, aggressively and continuously promote conservative ideals in Washington on behalf of all Americans. Heritage gravely undertakes daily the sacred duty to protect our precious Constitution and the irreplaceable citizen Bill of Rights from revisionists.”

- Lynette Villa

“Heritage’s conservative ideals mirror my own. Your hard work ethic is admired and appreciated.”

- Vincent Carroll

“It’s important to me to have a conservative think tank to serve [Americans] and have a positive influence on our governing leaders. Thank you!”

- Doris Miller

“Heritage is an independent organization (accepts no money from the government) dedicated to supporting and promoting conservative thinking, policies, ideals. I am a lifetime conservative who is concerned with the disruptive and destructive actions of liberal organizations and individuals in this country. Our voice needs to be heard and understood.”

Heritage Foundation Takes Risks and Wins Big

“By placing its people throughout the administration, The Heritage Foundation has succeeded in furthering its right-wing agenda.”

- NYTimes.com, June 20, 2018

“With unprecedented speed, [the White House] has already implemented nearly two-thirds of the 334 agenda items called for by The Heritage Foundation, a pace faster than former President Reagan who embraced the conservative think tank’s legendary *Mandate for Leadership* blueprint.”

- Washington Examiner, February 27, 2018

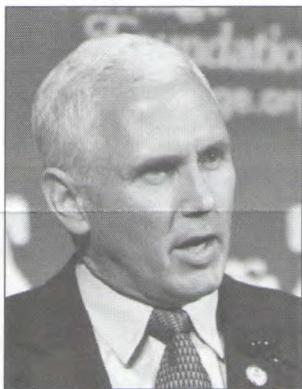

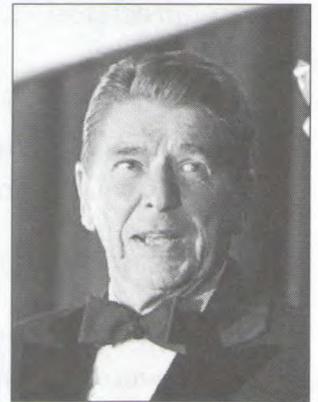

Using Heritage's Mandate for Change as a road map, President Trump enjoyed tremendous legislative success during his first year in office. As Conservative talk-show host Rush Limbaugh noted: "The Heritage Foundation [is] reporting that 64% of Trump's agenda has already passed. Trump is not slowing down."

- **Rush Limbaugh**

"[I]t's not the money or numbers of people or size of the offices that measure Heritage's impact. Your frequent publications, timely research, policy papers, seminars, and conferences account for your enormous influence on Capitol Hill and – believe me, I know – at the White House."

- **Ronald Reagan**

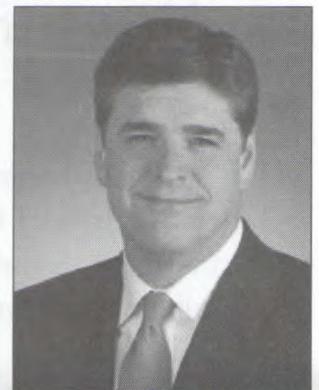

"The Heritage Foundation is a flagship of freedom. Since its founding in 1973, Heritage has been advancing conservative public policy based on the principles of free enterprise, limited government, traditional values, and, from its very founding, focused on a strong national defense. And now for nearly half a century, its undeniable the Heritage Foundation has made a difference for America."

- **Vice President Mike Pence, in a speech to Heritage members**

"Heritage is the intellectual firepower of the conservative movement."

- **Sean Hannity**
