

DEMAND TO UNSEAL OBAMA'S RECORDS

From the desk of:

Steve Eichler, Chief Executive Officer
TEA PARTY COMMAND

Dear Friend,

What is he hiding?

Did you know Barack Obama's FIRST Executive Order upon taking the Oath of Office as the 44th President of the United States was to ensure HE controlled all of his Presidential files...

...sealed all his personal records...

...put his school and college records under lock and key...

...and ensured NONE of his personal medical records ever saw the light of day?

Unless President Trump IMMEDIATELY rescinds Obama's order to hide all his records, we may NEVER know the depths Obama sunk to in order to help Hillary and sabotage Trump -- all while keeping his personal records hidden.

That's why I need you to do two things RIGHT NOW:

- 1) Please sign the enclosed **DEMAND TO UNSEAL OBAMA'S RECORDS**. I will add your **DEMAND**, along with those of as many as one million or more patriots, and present them to President Donald Trump and his closest advisors.
- 2) Barack Obama's sneak play to hide all his records will succeed unless I can contact and activate as many as one million or more of our fellow Americans. Along with your completed **DEMAND**, please also include your best gift to *Tea Party Command* of \$25, \$50, \$100, \$250, \$500, \$1,000, or even \$2,000. I must make it clear to President Trump -- and all of America -- that he has the political support necessary to unmask Obama's shameful Presidential legacy.

Barack Obama made no secret of his intense desire to keep his actions hidden.

Even as he ran for the highest office of public trust in the country, Obama consistently refused to let anyone check his records.

(over please)

Famously, he refused to produce a valid birth certificate. Instead he ducked and dodged the question until forced (by Donald Trump no less) to produce the "short form" certificate.

But the mystery of his birth is just one of the Obama secrets.

- Obama had all of his school records sealed. No one can say for certain whether or not Obama ever claimed foreign birth to get scholarships because he made sure those documents are kept under lock and key.
- Obama was the editor of the Harvard Law Review but not a single academic paper he ever wrote came to light. We don't even know what score Obama got on the SAT (Scholastic Aptitude Test) or the LSAT (Law School Admission Test).
- Obama cleaned up his trail so completely we have not to this day seen his medical records or any passport records short of a grainy and out-of-focus picture of his passport photo.

Is it any wonder Barack Obama's first action as President was to ensure NO ONE ever sees his records?

Well, you and I have a way to finally force Barack Obama to come clean with the American people.

Your completed **DEMAND TO UNSEAL OBAMA'S RECORDS** and your best possible gift will make it clear to President Trump that he must rip the lid off Obama's secrets.

You might think your signed **DEMAND** is not necessary.

You might think President Trump would like nothing better than to shove the facts of Obama's record right into the faces of the Deep State and the Fake News media.

But it's been three years.

And Obama's seal is still intact.

In fact, thanks to Obama's order, HE is the only one who can authorize the release of his papers.

Obama's order also ripped away Congress' power to check Obama's claim of "executive privilege."

Barack Obama's criminal and borderline traitorous regime must be brought to light NO MATTER THE COST!

So please, join with me and thousands of other patriots all across the nation by signing and returning to me right away your personal **DEMAND TO UNSEAL OBAMA'S RECORDS** I've enclosed with this letter.

(next page please)

It will only take a quick stroke of the pen by President Trump to expose Barack Obama's tower of lies.

But that stroke of the pen will not come easily.

Nor will it come cheaply.

I estimate it will take at least one million **DEMANDS** from patriots in every corner of the country to convince the President to sign the order exposing Obama's Presidential papers.

Getting the word out to these patriots through every means at my disposal will take massive financial resources...

...funds I just can't spare at the moment.

As you know, *Tea Party Command* is engaged with other critical projects like fending off impeachment and battling the socialist schemes of the looney Left.

I just don't have the vital resources to devote to this project.

That's why I'm asking you, one of *Tea Party Command's* key supporters, to make a good faith investment to get this project off the ground.

I know that this is an ambitious plan. But I know that if we have your support, it can work. The stakes are high. The resources we'll need will be massive. But the future of a free, open and transparent America rests in the balance.

That's why I must ask you to immediately complete and return your **DEMAND TO UNSEAL OBAMA'S RECORDS**.

And with your completed **DEMAND TO UNSEAL OBAMA'S RECORDS**, please include your most generous contribution to *Tea Party Command*.

While I hesitate to name an amount, I must ask you to make your maximum possible contribution that is so important if we are to open Obama's closed Presidential files and finally hold him accountable for his illegal and illicit actions as President.

I need to raise at least \$46,876 within the next month. This is an absolutely unprecedented campaign and I have no idea what obstacles we will have to overcome.

And I must raise at least \$23,405 of that within the next 14 days or I will be forced to abandon this **DEMAND TO UNSEAL OBAMA'S RECORDS** project that is so vital if we are to finally expose Barack Obama and undo his illegal legacy, which is still controlling this country.

(over please)

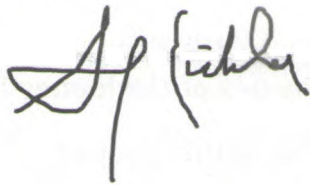

I hope you can help me expand this effort by enclosing your most generous gift to *Tea Party Command*. Please know that whatever you can afford would be a great help to this effort. If you can, please send \$2,000 or \$1,500, or maybe \$1,000 or \$500, or \$250 or \$100, or even \$50 or \$35 or \$25.

Barack Obama has hidden the truth his whole life.

Now, I need you to help me **rip the lid off his deceptions** and drag the truth into the light where it belongs.

Thank you for your support. And God Bless America.

God Bless America,

Tea Party Command

P.S. Barack Obama's first action as President was to sign an Executive Order BLOCKING all access to his files...

...unless HE says it's OK.

Well, it's NOT OK. Barack Obama's lawless regime must be exposed. His illicit -- and borderline treasonous -- use of the power of the Presidency must be exposed for public scrutiny.

However, I fear President Trump may decide to just let this sleeping dog lie.

But you and I must demand the TRUTH. And we are going to get millions of fellow patriots to join with us and sign our **DEMAND TO UNSEAL OBAMA'S RECORDS**. This is the only way to finally force Barack Obama's shady dealings out into the light of day. Please sign and return your personal **DEMAND** today along with a generous gift for our campaign to hold Obama accountable. Many thanks, *Steve*.

DEMAND TO UNSEAL OBAMA'S RECORDS

To: President Donald J. Trump
The White House
1600 Pennsylvania Avenue, N.W.
Washington, DC 20500

Dear Mr. President,

I understand that, on his first day in office back in 2009, your predecessor signed **EXECUTIVE ORDER 13489**, which seals his Presidential records unless the President agrees to release those records.

As you are aware, Barack Obama has a long list of documents and official records which he has scrupulously kept out of the public record.

But now that it is absolutely necessary to examine Barack Obama's conduct as President, this shameless attempt to keep all of his actions as President hidden can no longer stand.

I know it may be difficult to adhere to a standard of openness when your political enemies do not. I know those same enemies in Congress and the media will use this openness against you.

However, I feel it is imperative for the functioning of the rule of law for Barack Obama's Presidential records be opened.

Therefore, I respectfully **DEMAND** that you immediately rescind Barack Obama's Executive Order 13489 and shine a much-belated light on his shameful Presidential record.
