## Who is leading the coup against President Trump?

### SHINE THE LIGHT ON THE SHADOW GOVERNMENT SURVEY

*Quis custodiet ipsos custodes? Who watches the watchers?*

Dear Friend and Patriot,

The biggest threat to your liberty, your freedom and your country is right under your nose.  
But you can't even see it.

It's a shadow government and it's doing all it can to tear down, stop, and choke off any of the serious changes President Trump wants -- and has promised the American people.

Believe it or not, it's being run by someone you thought was finally out of the picture!

I'll tell you more later, but right now I need you to do two things for me immediately:

1. Please complete, date and sign the enclosed, vitally important **SHINE THE LIGHT ON THE SHADOW GOVERNMENT SURVEY** and rush it back to me in the envelope I've enclosed with this letter to you and...
2. Please send your best possible gift, right away, to help *Tea Party Guard* shine the light of truth on the shadowy forces currently attacking our freedom and democracy.

The tentacles of this shadow government reach deep into the Federal bureaucracy, extend far out into the clandestine world of intelligence services and are backed up by a web of interlocking lobbying groups and foundations.

**All with one goal: to overturn the will of the people and re-establish control for the Washington Insiders.**

Folks, the election of Donald Trump was an earth-shaking development for the Inside the Beltway crowd.

They never thought the American people would ever wise up, rise up and throw off their shackles.

But it happened.

And for a moment they were stunned.

But they are stunned no more. **Instead they are fighting mad -- and they are fighting back!**

That's why the enclosed **SHINE THE LIGHT ON THE SHADOW GOVERNMENT SURVEY** is so critical at this time.

Please, before you do anything else, fill out this important national **SURVEY** and rush it back to me by return post.

*(over please)*

It is vital that you do that now.

You've already seen the opening rounds fired in the bitter war to stop Donald Trump from keeping his promises to drain the swamp.

It started with the "leak" of a phone call by President Trump's choice for National Security Advisor, Michael Flynn.

Immediately, the intelligence services, the media and Obama's old network jumped on the revelation.

And Flynn was forced out.

This was just the first hit. But it's instructive.

Just how did anyone know Flynn was talking with his counterparts in Russia?

Easy -- Obama and his pals knew because they were spying on Flynn and many others on Trump's top team!

And since Barack Obama allowed all of the spying he ordered on Trump and his team to be spread throughout the bureaucracy just before he left office, you can bet there will be "fake news" revelation after "fake news" revelation coming out over the next few months.

This is exactly the sort of thing the American people rejected at the ballot box in 2016.

But this is how the shadow government operates . . . beyond the law and beyond accountability.

The only way to turn back this assault on everything you and I fought for is to complete the enclosed **SHINE THE LIGHT ON THE SHADOW GOVERNMENT SURVEY** and send it back to me today.

This shadow government isn't so shadowy after all.

In fact, this conspiracy against President Trump has been set up and is being run by former President Barack Obama himself!

Obama has already set in place a cabal of leftist outfits led by Organizing for Action (OFA).

OFA is basically Obama's old campaign cronies who seamlessly moved from his Administration to plush new digs.

These battle-hardened leftist agitators hit the ground running after Trump's inauguration with a fat bank account and more than 250 offices across the country.

In fact, Federal tax records show "nonpartisan" OFA marshals 32,525 volunteers nationwide.

And since it has special tax status from the IRS, no one knows where it gets it millions in cash!

So far, OFA has raised more than \$40 million in contributions and grants since 2013.

OFA already has access to Obama's 2012 campaign database, which it can use to get out the vote for Democrat candidates and to organize "resistance" to President Trump at every turn.

Obama is commanding his legions from a newly-purchased lair less than two miles from the White House.

Already, Obama has ordered the construction of thick brick walls around his new compound and has installed several of his most powerful and influential agents safely behind them.

He has even created his very own Obama Foundation to launder as much dirty campaign cash as the old Clinton Foundation did.

Never before in American history has one man created a virtual "shadow government" dedicated to nothing less than the destruction of the duly elected Congress and President.

This cannot stand. Obama and his power-hungry minions must be stopped.

And your **SHINE THE LIGHT ON THE SHADOW GOVERNMENT SURVEY** is the first step in my plan to turn the tables on Obama and his band of power-mad cronies.

I want to collect your completed **SHINE THE LIGHT ON THE SHADOW GOVERNMENT SURVEY** and many thousands more from patriots all across our nation. These surveys will be the leading edge of our campaign to shine the light of truth on Barack Obama's shadow government betrayal.

Your **SURVEY** will help me and *Tea Party Guard's* national grassroots army go after Obama and his whole network of spies, bureaucratic saboteurs and media mouthpieces everywhere.

Wherever they pop up, we'll be there taking them on.

Wherever they cross the line, we'll be there to hold them accountable.

But, first and most importantly, I must have your completed **SHINE THE LIGHT ON THE SHADOW GOVERNMENT SURVEY** returned to me immediately.

Then I must add an additional 500,000 voices to yours. Only if we can collect a huge number of **SURVEYS** along with yours...

...can we be sure *Tea Party Guard* has the grassroots firepower to take on Obama's formidable political machine.

Please, take a moment right now to sign and return your **SHINE THE LIGHT ON THE SHADOW GOVERNMENT SURVEY** to me today.

And with your completed **SURVEY**, I must ask you to include your best possible contribution to help *Tea Party Guard* build up support for this nationwide project, and collect thousands and thousands more **SURVEYS** from all across America.

You and I don't have a big corporate checkbook. We don't have a lavishly-funded Super PAC or a Big Labor money machine we can turn on.

*(over please)*

No, you and I and the rest of the middle-class Americans, whose right to determine our own future is under attack, only have our resolve and our ability to fight using the tools the Founders gave us.

But it is going to take money.

We will need to raise at least \$42,600 within the next month. This is an unprecedented national campaign and we face vicious and ruthless enemies who will stop at nothing to shut us up and make us back down.

And I must raise at least \$20,200 of that within the next 14 days or I will be forced to abandon this **SURVEY** project that is so vital if we are to stand up for President Trump and the millions of Americans who voted for real change.

So, please sit down right now and send your most generous contribution to help me and *Tea Party Guard* save our America.

Please know that whatever you can afford would be a great help to this effort. If you can, please send \$2,000 or \$1,500, or maybe \$1,000 or \$500, or \$250 or \$100, or even \$50 or \$35 or \$25. But please, whatever you can send, know that it will be well used in this critical plan to expose Obama's plot to use the shadow government to sabotage President Trump.

Please, send your completed and signed **SHINE THE LIGHT ON THE SHADOW GOVERNMENT SURVEY** and your contribution right away. Every day of delay is one more day Obama and his shadow government have to conspire to kill freedom and undermine our revolution. There is no time to lose.

Thank you for your support. And God Bless America.

Sincerley,

*Tea Party Guard*

P.S. It has never been done before in U.S. history. The outgoing President organized a cabal of political hacks, angry bureaucrats and rogue spies and is trying to launch a virtual coup against the duly elected President of the United States.

But that's exactly what Barack Obama is up to. And it's up to you and I to put him in his place. Please, I beg you, complete and return your **SHINE THE LIGHT ON THE SHADOW GOVERNMENT SURVEY** immediately. There is no time to lose. Your input, and your financial contribution, are vitally important. Thank you. Dee.
