

# STOP THE COUP AGAINST TRUMP

*A Demand to the Speaker of the House and all Members of Congress*

Whereas, poll after poll confirm that the vast majority of the American people do not want Congress to begin impeachment proceedings; and,

Whereas, the U.S. Constitution is the supreme law of the land, and Article II makes it clear that impeachment is only reserved for treason, bribery, or other high crimes and misdemeanors; and,

Whereas, this highly partisan impeachment drive has become nothing more than a brazen attempt to remove a duly-elected President of the United States from office,

Therefore, as an American citizen, I call on the U.S. House of Representatives to immediately stop this lawless impeachment offensive.

with respect to President Trump."

-- Jerry Nadler  
Chairman, House Judiciary Committee

J. D. Hayworth  
*Member of Congress (ret.)*

Dear Fellow Conservative,

You are being contacted for one disturbing reason...

The Democrats' ongoing impeachment proceedings are a "COUP" and urgent action must be taken to stop it!

By hook or by crook, they will remove President Trump and they've begun impeachment proceedings.

The truth doesn't matter to them.

For three years, the socialist Democrats' political hit men tried and failed to take out President Trump.

Robert Mueller, Jim Comey, Peter Strzok, and Lisa Page, and more, all failed because Russian collusion was a total delusion.

But because the Democrats are filled with such burning hatred for President Trump, they will impeach him and work to remove him from office.

Removing a President from office when he's committed no crime is nothing other than a COUP.

That's something that third-world banana republics do.

**WE DON'T DO COUPS IN AMERICA!!!**

Believe me when I say the fate of our Republic now hangs in the balance and what you and I do today -- *right now* -- will be remembered for generations to come.

Because if the socialist Democrats impeach and remove President Trump for purely spiteful, partisan political reasons, they'll have opened a door that can never be shut.

Politics will be a no-holds-barred blood sport and the stakes will be immensely high.

And America, as you and I know it, will **CEASE TO EXIST.**

But there is still time to save President Trump from being impeached and restore sanity to our Republic. Act now:

- ➔ 1) Sign your **STOP THE COUP AGAINST TRUMP** demand...
- ➔ 2) Rush back a donation of \$25, \$35, \$50, \$100, or more to the United States Justice Foundation (USJF) -- the legal arm of the conservative movement.

The Coup Conspirators against President Trump aren't just in the Democrat Party...

...they also run the liberal fake news behemoth, dominate the violent radical "Antifa" Left, and have formed an alternative "Never Trump" Republican Establishment.

All these forces will bang the war drums of impeachment in concert to whip up outrage at our President.

*Here's the secret of how it will all work...*

House Judiciary Chairman Jerry Nadler -- who has already accused the President of committing crimes -- will make sure that the impeachment hearings are an absolute circus.

Nadler will put witnesses on the stand who will line up a storm and twist themselves into knots to smear President Trump.

The accusations will be absolutely baseless -- but they will stick...

Because the liberal fake news media will breathlessly report every unfounded rumor and gossip. When a hot scoop they've been reporting goes bust, they won't go back and correct the record.

✦ **So the American people will be fed a diet of falsehoods on the television, radio, internet, and newspapers.**

✦ The American people will hear only one side -- a lie -- again and again.

✦ And if you repeat a lie enough times, people begin to believe it's true.

While this is going on, the violent radical "Antifa" Left will march in the streets and cause chaos to frighten normal Americans.

And it's at this point that the traitorous "Never Trump" Republicans will add their voices to the calls to impeach and remove President Trump so that the effort is seemingly "bipartisan."

*Impeaching President Trump will be an absolute train wreck for this country.*

But thankfully there is one way to stop this catastrophe from happening.

It's to mobilize the American people and the force of righteous anger against impeaching President Trump.

I know, as a former congressman, that the politicians on Capitol Hill are keenly aware of what the American people think.

If we flood Capitol Hill with tens and hundreds of thousands of **STOP THE COUP AGAINST TRUMP** demands, it will send a chill down the spine of the anti-Trump Coup Conspirators.

Then the Democrats will quietly wind down Nadler's impeachment proceedings as to avoid angering -- *YOU!*

My name is J.D. Hayworth and I know that the United States Justice Foundation is key to shutting down this disgusting impeachment spectacle.

For 40 years, USJF has been the legal arm of the conservative movement. Led by former Reagan Administration General Counsel James Lacy, our team of lawyers is committed to affirming the rule of law and our constitutional system.

USJF is the pit bull of conservative groups. It takes the fights that other groups fear.

But whenever USJF has entered the arena and won, it's always been because it's had an army of patriots just like you in its corner providing support.

→ So I'm asking you today to join our merry band of warriors for President Trump by both signing your **STOP THE COUP AGAINST TRUMP** demand and rushing back a gift of \$25, \$35, \$50, or \$100.

Gifts of \$250, \$500, \$1,000 or more will allow us to punch back against the anti-Trump Coup Conspirators that much harder.

But whatever amount you give, it's important that you make a donation and don't just send back your **STOP THE COUP AGAINST**

TRUMP demand because your donation activates and makes your signed DEMAND effective.

Your support will allow us to run the public education campaign to shut down the impeachment of President Trump. Specifically, it will allow us to:

- 1) *FLOOD* Capitol Hill with STOP THE COUP AGAINST TRUMP demands that make it perfectly clear that the American people know impeachment is a farce.
- 2) *CRAFT* compelling anti-impeachment legal arguments that expose what the Democrats are doing as a dangerous illegal coup.
- 3) *MOBILIZE* Americans to speak out against impeachment and stand with President Trump

This comprehensive strategy will work... if we have your support today.

Please sign your STOP THE COUP AGAINST TRUMP demand right now and rush it back with an activating donation of \$25, \$35, \$50, \$100, \$250, \$500, \$1,000 or more that gives teeth to your signed DEMAND.

The radical Democrats are out for blood. As socialist Democrat Congresswoman Maxine Waters said, speaking for her rabid partisan cronies:

"Impeachment is about whatever the Congress says it is. There is no law that dictates impeachment!"

They couldn't be more wrong. The anti-Trump Coup Conspirators aren't above the law and the U.S. Constitution.

And it's time we showed them that!

Sincerely,

J.D. Hayworth  
Member of Congress (ret.)

P.S. The Democrats have begun impeachment proceedings and they will end in one of two ways: 1) we conservatives roll over and see President Trump impeached or 2) we band together, stand with President Trump, expose the Coup Conspirators, and crush them. Sign your STOP THE COUP AGAINST TRUMP demand and rush it back with a donation of at least \$25 to put your DEMAND into effect. Thank you!
