

STOP THIS LAWLESS IMPEACHMENT OFFENSIVE

ATTN: SPEAKER OF THE HOUSE NANCY PELOSI

“Stop This Lawless Impeachment Offensive” petition

Hard-Left activists have highjacked the Democrat Party. Their PARTISAN IMPEACHMENT DRIVE is a brazen attempt to remove a duly elected President from office. This totally lawless effort -- MUST BE STOPPED!

Letter Excerpts

Just hours after being sworn-in this January, newly elected Congresswoman Rashida Tlaib set the tone of the 116th Congress by promising that House Democrats were “going to impeach the motherf---ker!”

But their delusional dreams came crashing to earth when Robert Mueller issued his report.

No collusion. Absolutely none.

The liberals immediately pivoted to screams of “obstruction of justice,” but those claims fall flat.

The reason for impeachment?

To the Hard-Left now controlling the Democrat Party, apparently reasons don't matter. Democrat Congresswoman Maxine Waters summed up their view best...

“Impeachment is about whatever the Congress says it is. There is no law that dictates impeachment!”

The U.S. Constitution is the supreme law of the land...

...and Article II makes it clear that for a president's actions to be impeachable, they must rise to the level of treason, bribery, or other high crimes and misdemeanors.

The Democrats are desperately grasping at straws.

Urgent Action Requested
Within the Next 48 Hours

Dear Fellow Conservative,

You received this URGENT letter for one troubling reason...

Hard-Left Activists have hijacked the Democrat Party, and will not stop until they've impeached President Trump.

The time for us to counter this madness -- *IS NOW!*

I've enclosed your personalized "**Stop This Lawless Impeachment Offensive**" petition which is already registered in your name.

Today I'm urging you in the strongest terms possible to sign and rush it back within the next 48 hours. Your voice must be heard!

The United States Justice Foundation (USJF) has been the legal arm of the conservative movement for 40 years.

Led by former Reagan Administration General Counsel James Lacy, our team of lawyers is committed to affirming the rule of law and our constitutional system.

But this is a fight that requires your help as well.

So please, take immediate action today and help us flood Nancy Pelosi's office with a sea of these signed "**Stop This Lawless Impeachment Offensive**" petitions.

The vast majority of American people have made it clear they don't want Congress to begin impeachment proceedings. They want this never-ending, partisan, witch-hunt against President Trump to end...

...and boxes and boxes of your signed petitions will be a blunt reminder to Speaker Pelosi of this fact!

Former Democrat Senator Daniel Patrick Moynihan once famously said, "Everyone is entitled to his own opinion, but not

to his own facts."

But to this new generation of Far-Left Democrats, facts no longer hold any meaning.

They have a pathological hatred for President Trump and have never been able to wrap their minds around the fact that Hillary Clinton was rejected by the voters.

Bitter and consumed by wild conspiracy theories, these Leftists are on a march towards removing President Trump from office -- *no matter the reason*.

I will be blunt...

It's my firm belief that the only thing that can stop this impeachment train is the will of the American people. And that's why our voices must be loud and overwhelming.

So please, sign this registered "**Stop This Lawless Impeachment Offensive**" petition and return it within the next 48 hours.

Stopping the Left's momentum won't be easy.

Never forget, they started beating the drums of impeachment well before President Trump even took office!

In late 2017, Democrat Congressman Steve Cohen introduced five baseless articles of impeachment. Three weeks later, Democrat Congressman Al Green introduced two more articles.

One of the impeachment articles was for "Associating the Presidency with White Nationalism, Neo-Nazism, and Hatred." The second article was for "Inciting Hatred and Hostility."

Sadly, 58 Democrat members of the 115th Congress actually voted to impeach the President of the United States on these totally unfounded, and absolutely ridiculous, grounds.

Then last November, a wave of new anti-Trump liberal activists were elected, giving the Democrats firm control of the House of Representatives.

Without missing a beat, Democrat members of the House Judiciary and Oversight committees began an aggressive job search for experienced lawyers.

The job description: to investigate President Trump and his administration.

Just hours after being sworn-in this January, newly elected Congresswoman Rashida Tlaib set the tone of the 116th Congress

by promising that House Democrats were "going to impeach the motherf---ker!"

And they were all very confident.

Robert Mueller was coming to the end of his nearly two-year Special Counsel investigation. His team had spent over \$35 million, issued more than 2,800 subpoenas, executed nearly 500 search warrants, and interviewed nearly 550 witnesses.

The Democrats and their liberal allies in the media were gleeful. They just knew collusion between the Trump campaign and the Russians would finally be exposed!

But their delusional dreams came crashing to earth when Robert Mueller issued his report.

No collusion. Absolutely none.

The liberals immediately pivoted to screams of "obstruction of justice," but those claims fall flat.

During this entire scorched-earth witch-hunt, the White House counsel testified for over 30 hours, more than 1.4 million documents were turned over by the Trump Administration...

...and President Trump never once claimed Executive Privilege.

Bottom line, the Democrats have nothing -- but their determination to impeach President Trump is only growing.

The reason for impeachment?

To the Hard-Left now controlling the Democrat Party, apparently reasons don't matter. Democrat Congresswoman Maxine Waters summed up their view best...

"Impeachment is about whatever the Congress says it is. There is no law that dictates impeachment!"

My friend, liberal agitators in Congress like to say President Trump isn't above the law. But neither is Congress.

The U.S. Constitution is the supreme law of the land...

...and Article II makes it clear that for a president's actions to be impeachable, they must rise to the level of treason, bribery, or other high crimes and misdemeanors.

The Democrats are desperately grasping at straws.

This impeachment drive is nothing but a brazen attempt to remove a duly elected President from office. It's a totally

lawless effort -- and it must be stopped!

By swamping Speaker Nancy Pelosi's office with boxes of these signed "**Stop This Lawless Impeachment Offensive**" petitions...

...we are sending an unmistakable message that the will of the American people cannot be ignored.

The urgency is great, so please respond within 48 hours.

As you may remember, I was a Republican Member of Congress for over a decade, including most of the Clinton years. So I know what it's like to face partisan Democrats.

But what we're seeing in Washington today is different.

The Hard Left has dragged the Democrat Party to a place that is consumed with gaining power by any means necessary. And while media outlets like CNN have always been left-of-center, today all you see is 24/7 liberal propaganda.

This unholy alliance between Democrats and the media has formed a team that will push, shove, and bully anyone who tries to get in their way.

Thankfully, the United States Justice Foundation isn't intimidated.

As the legal arm of the conservative movement, USJF and its team of lawyers are committed to affirming the rule of law.

But it's important to remember that 100 percent of our resources come from conservatives just like you.

So, I ask that you back up your signed "**Stop This Lawless Impeachment Offensive**" petition with a tax-deductible contribution of \$35, \$50, \$100, \$500, \$1,000, \$5,000, or even more.

Events are unfolding quickly, and our attorneys must be ready to take immediate legal action defending President Trump if it becomes necessary.

Thank you for helping USJF fight back!

Sincerely,

J.D. Hayworth
Member of Congress (Ret.)

P.S. Please sign and rush back your "**Stop This Lawless Impeachment Offensive**" petition within 48 hours. And to add strength to our legal team, please back it up with a tax-deductible contribution of \$35 or more. Thank you!
