

American Veterans and Patriots To STOP the Left from Destroying the Trump Presidency The 2020 Election Truth Project

**Please sign and return your enclosed
Letter of Thanks and Support
To President Donald Trump**

Dear American Patriot,

I hope you like the list I've enclosed for you of *73 Important Accomplishments so far by President Trump*.

This is just a partial list. We could add to this list every week and every day.

The dishonest news media won't tell you any of this. They prefer to make up fake scandals. But President Trump has accomplished more in a short period of time than any President since **Ronald Reagan**.

And he's doing it with no help from a single Democrat in Congress. We at VETERANS IN DEFENSE OF LIBERTY are distributing this list to millions of voters right now – with special focus on getting this list in the hands of 28 MILLION VETERANS as we now speed toward the 2020 Election.

I am writing to ask if you will take just a few minutes of your valuable time to take these three important action steps for me right now . . .

ACTION STEP #1: Please sign and return the enclosed “**Letter of Thanks and Support**” to President Trump for making the decision to run for President . . . and for continuing to fight and stand strong against the radical Left and their relentless efforts to destroy this great nation.

We will deliver your signed letter on your behalf to **President Trump**, along with millions of these signed letters from veterans and American citizens we hope to collect.

More on the importance of this in a moment. But first, please allow me to introduce myself.

My name is Dr. Wm. Scott Magill. I am the cofounder and executive director of VETERANS IN DEFENSE OF LIBERTY (VIDOL).

I served in the Marine Corps from 1965 to 1971, and then in the Army Medical Corps from 1981 to 1988.

I joined with patriotic veterans to start VIDOL because when men and women join the U.S. military, they take an oath to defend the Constitution against all enemies of the United States.

This is an oath we all take very seriously. But when our fighting men and women leave the service, many veterans lose a tangible way to continue to protect and defend our great nation.

We launched VETERANS IN DEFENSE OF LIBERTY in 2010 to fill this void.

There are currently 28 million veterans in the United States. Many belong to groups like the **Veterans of Foreign Wars** or the **American Legion**, or to no group at all.

But **VIDOL** is not just another veterans group that functions as a social club or lobbying arm to defend veterans in federal budget battles. VIDOL is the only veterans organization with this clear mission: To fight the Left's assault on our constitutional republic that veterans have devoted their blood and lives to defend.

And VIDOL is the only veterans organization openly standing with **President Trump** against the Left.

Now let me get back to why it's so important for you to sign and return the enclosed “**Letter of Thanks and Support**” for us to deliver to **President Trump**.

Your past activities indicate that you are a strong supporter of **President Trump** and you want President

Trump to succeed. We do as well.

As you have seen, **President Trump** is under siege from the Democrat Party, the radical Left, the news media, the entertainment industry and our pop culture.

President Trump did not need this job. He's a multi-billionaire. He could have lived a very comfortable life if he had never entered the political arena. But he saw that our country was heading down the path to destruction – toward socialism, atheism and lawlessness.

We had a President, **Barack Obama**, who launched a war against our police, our military and America's founding principles. He tried to erase our border with Mexico so he could dramatically and quickly increase the number of future Democrat voters coming across our southern border.

Obama did everything in his power to wreck our free-enterprise system and turn America socialist.

Donald Trump saw our nation was in trouble. He saw how weak and ineffective the Republican Party leadership is. So he stepped into the arena to run for President. And then he won! – to the shock of Democrats.

Just imagine how different everything would look right now if **Hillary Clinton** had won. If that had happened, the USA would now be rapidly going out of existence.

She would be appointing radical leftists to the Supreme Court and U.S. courts. And she would be continuing Obama's "open borders" policy of creating millions of new Democrat voters from south of the border. America would be on the way to becoming a one-party socialist state, similar to Venezuela.

Thank God for Donald Trump! But ever since the 2016 Election, Democrats and the news media have worked to destroy President Trump.

Even before he was sworn in as President, they were calling for his Impeachment and even his imprisonment – even though they can't point to any law he's broken.

That's right! They openly say they want to put his family in prison – even though they have yet to find a single law he's broken after more than two years of investigating President Trump and his family.

President Trump and his family are attacked every day all day 24/7 by the news media. They even attack his 13-year-old son Barron. They even attack his grandchildren. There must be times when President Trump wonders if he should have run for this job of President.

That's why your signed "**Letter of Thanks and Support**" to President Trump is so important – so he can see there are millions of veterans and American patriots who stand with him stronger than ever.

I believe this will really lift his spirits.

We will also be distributing a running tally of the number of voters who have signed this "**Letter of Thanks and Support**" to every Member of Congress and to the news media – with a special emphasis on sending a strong message to weak Republicans in Congress to stop undermining President Trump and to support his tremendous agenda to "**Make America Great Again**" and now changed to "**Keep America Great**" (his new campaign theme for 2020).

So we will need your permission to list your name publicly on this letter.

The way you give us your permission to include your name on this OPEN and PUBLIC "**Letter of Thanks and Support**" for President Trump is by marking the PERMISSION box on the enclosed reply form and signing your name.

ACTION STEP #2: Please complete and return the enclosed "**President Trump vs. the Democrats and the Media National Survey of 10,000,000 American Citizens.**"

We aim to survey millions of registered voters with this survey. We expect the results to counter the perception being advanced by the dishonest fake-news media that President Trump is losing support among his voters. Far from it. All indications are that President Trump's supporters are standing strongly with President Trump – stronger than ever – as we speed toward the **2020 Election Year**.

We plan to deliver a report on the results to . . .

- **President Donald Trump** and his top advisors;
- Every Member of Congress (House and Senate);
- All 50 Governors and 7,382 state lawmakers; and
- The news media.

I expect this "**Letter of Thanks and Support**" campaign and the results of this survey to receive wide media coverage and to be studied carefully by Congress and America's elected leaders.

I also know that President Trump will be very pleased and encouraged to see the names of 10,000,000 veterans, their family members and American patriots on this "**Letter of Thanks and Support.**"

President Trump's fighting is almost alone – well, except for the "**Silent Majority**" of Americans. He is under relentless daily attack from Democrats in Congress, the media and even some Republicans.

That's why this "**Letter of Thanks & Support**" campaign is so important – to counter the relentless

(Next page, please)

assault President Trump is under from the dishonest media and Democrats in Congress.

Plus, some Republican leaders in Congress are keeping their distance from President Trump because they don't want to be targeted by the Left and the media. So some Republican leaders in Congress are hardly providing any support for President Trump at all.

But the most important reason for this “**Letter of Thanks and Support**” campaign is to identify millions of President Trump's supporters (especially in the veteran community along with their families) ... so we can make sure they vote in the all-important 2020 Election – and cast an informed vote in 2020.

ACTION STEP #3: We also urgently need donations to make sure those who support President Trump vote in the all-important 2020 Election.

You know what will happen to our great country if the radical Left takes over the White House along with the U.S. Senate in 2020. The America you love will be over.

America is at a “tipping point” right now. We could very easily and very quickly head down the same road as **Venezuela** – which, not long ago, was the most prosperous country in Latin America. But after the socialists took over, Venezuela quickly became the poorest country in Latin America.

People are starving, have no electricity, can't even buy toilet paper. Venezuela has become a socialist hellhole. This can very easily, and very quickly, happen to America.

That's why VETERANS IN DEFENSE OF LIBERTY is conducting a major national campaign to educate America's 28 MILLION veterans and their families about what's at stake in the 2020 Election.

We are focused especially on educating and then (as the 2020 Election approaches) maximizing turnout among America's conservative veterans along with their families.

Again, the U.S. has 28 million veterans plus their families. Most tend to vote conservative – when they vote. But many don't vote.

I know I don't need to explain to you what's at stake in the 2020 Election. You saw how **Team-Obama** used the awesome power of the U.S. government for partisan political purposes the last time they were in power.

Obama used the IRS to target and destroy Tea Party groups and leaders with politically-motivated IRS audits. Then Team Obama-Hillary used the CIA, NSA and FBI to try to take down Donald Trump when he was running for President in 2016.

Then they came up with this “Trump-Colluded-With-Russia-to-Win-the-Election” hoax as an excuse to launch a counter-espionage investigation into President Trump and his team.

They actually used the CIA, NSA and FBI to conduct TOTAL SURVEILLANCE of the Trump campaign, complete with daily leaks to the media in an effort to destroy the Republican nominee for President.

Then when their strategy to destroy candidate Trump failed and he won the election, **Team Obama**, during the transition, continued to use the CIA, NSA and FBI to topple President-elect Trump and trigger the appointment of Special Counsel **Robert Mueller** as part of a scheme to frame President Trump for a non-existent crime and overthrow our duly-elected President.

The frightening truth is these people will stop at nothing to destroy President Trump because they ultimately want to destroy America as the “land of the free.”

This is the message we at VETERANS IN DEFENSE OF LIBERTY are trying to get out to the American people – especially those who voted for Donald Trump in 2016 ... and to America's 28 MILLION veterans and their families.

Many people who voted for Trump in 2016 rarely vote in elections, but were inspired to vote by Donald Trump. I see how energized the Left is right now. I have no doubt the Left will be voting in record numbers in 2020. They are coming. I have no doubt about that. The question is: Will we match their intensity?

If we don't, we will lose America forever in 2020 because the Left is playing for keeps.

If the Left regains control over our government, they will use their power to wipe out their political opposition – just like the socialists did in Venezuela ... and just like Team Obama tried to do to Donald Trump. Obama actually tried to use the CIA, NSA and FBI to destroy the Republican nominee for President.

It's amazing that Donald Trump was able to survive this attack. A miracle, when you think about it.

Now imagine how the Left will use this power if they win back control of our government.

They will use their power to imprison President Trump and his family. And then they will use their power to eliminate all political opposition and destroy the America you love.

They want OPEN BORDERS so they can create millions of new voters for socialism and turn America into a corrupt one-party state, like Venezuela.

So our focus is to engage these Trump voters who often don't vote in elections and to explain to them

(Over, please)

what's at stake in 2020 – to re-engage those voters who came out for Trump in 2016 who rarely vote in elections – with a special emphasis on explaining to our conservative-leaning veterans and their families what's at stake in 2020 and why they have a duty to vote.

But we need your help to do this. VIDOL needs donations so we can mail more VOTER EDUCATION packets to voters (similar to this letter you are reading now) so that those Americans who support President Trump against the radical Left understand what's at stake in 2020 – literally the survival of the America you love.

Please keep in mind that it costs us about 60 cents to mail one of these VOTER INFORMATION packets to one voter, with a special focus on reaching veterans.

This means a gift of **\$50** can help us reach 83 veterans and citizens with one of these mailings – which includes this list of **73 Important Accomplishments so far by President Trump**.

A gift of **\$100** can help us reach 166 citizens with one of these mailings. Or a gift of **\$20** can help us reach 33 citizens with one of these mailings.

Most of our members and supporters send gifts in the **\$20 to \$50 range**. But even if all you can send is **\$10**, that will help. Every dollar we can raise matters – and will help VIDOL educate and motivate supporters of President Trump (with a special focus on conservative veterans) on what's at stake in 2020.

We have also launched an extensive social media campaign to educate and activate conservative-leaning veterans for the all-important 2020 Election.

We are especially trying to reach and activate conservative-leaning veterans in the 14 key battleground states that will decide the outcome of the 2020 Election.

You know what's at stake. Please contribute what you can.

And please do this today, as time is critical. Thank you for reading my letter. I will anxiously look to hear back from you by return mail in the next few days.

Sincerely,

Dr. Wm. Scott Magill
Cofounder and Executive Director
VETERANS IN DEFENSE OF LIBERTY (VIDOL)

P.S. If you support President Trump (and our review of your activities tells me you do), please be sure to sign the enclosed “Letter of Thanks and Support” – which we will deliver on your behalf to President Trump. Our goal is for more than 10,000,000 veterans and citizens to sign and return this letter along with the enclosed survey.

One purpose of this effort is to show President Trump that his supporters continue to stand strong by his side. The second purpose is to use this list of 10,000,000 signers of this “**Letter of Support**” to . . .

- 1) Help us identify and mobilize near 100% of President Trump's voters and supporters (with a special focus on conservative-leaning veterans) to understand what's at stake in the 2020 Election and to turn out to vote in record numbers ... because we know with 100% certainty that the Left is energized and will also be voting in record numbers in 2020;
- 2) Shore up the courage of timid Republicans in Congress to stand strong with President Trump and to stop undermining President Trump.

We are also in urgent need of donations to get the word out about this “Letter of Thanks and Support” for President Trump project so we can reach our goal of 10,000,000 signatures.

To do this, we must conduct a national advertising campaign — including using radio, TV, and creating viral internet messages (including videos) that reach tens of millions of Americans, including our veterans and their families.

Plus, to mail just one of these letters to one voter costs about 60 cents. As you can see, this is not just a letter. It's an entire packet of material which includes this list of **73 Important Accomplishments so far by President Trump**. This packet is aimed at informing and motivating millions of President Trump's voters and supporters (including our veterans) to commit to vote in 2020. We are in a life-and-death struggle for America's very survival as the “Land of the Free.”

You can see that the Left is out to destroy Donald Trump and his family ... because they want to destroy the America you love. They want OPEN BORDERS so they can create millions of new voters for their anti-God socialist agenda ... and so they can turn America into a corrupt one-party hellhole like Venezuela.

So please include your best gift when you return your signed “Letter of Thanks” for delivery to President Trump, along with your survey. Thank you for acting right now on this matter of urgent importance to saving the America you love for your children and grandchildren.
