American Veterans and Patriots To **STOP** the Radical Left from Destroying America Forever The 2020 Election Truth Project

Please sign and return your enclosed
Letter of Thanks and Support
To President Donald Trump

Dear American Patriot,

I am writing to ask if you will take just a few minutes of your valuable time to take these three important action steps for me right now . . .

ACTION STEP #1: Please sign and return the enclosed “**Letter of Thanks and Support**” to President Trump for making the decision to run for President . . . and for continuing to fight and stand strong against the radical Left and their relentless efforts to destroy this great nation.

We plan to deliver your signed letter on your behalf to **President Trump**, along with 1,000,000 of these signed letters from veterans and American citizens we hope to collect over the next 60 days.

More on the importance of this in a moment. But first, please allow me to introduce myself.

My name is Dr. Scott Magill. I am the founder and executive director of VETERANS IN DEFENSE OF LIBERTY (VIDOL).

I served in the Marine Corps from 1965 to 1971, and then in the Army Medical Corps from 1981 to 1988.

I joined with patriotic veterans to start VIDOL because when men and women join the U.S. military, they take an oath to defend the Constitution against all enemies of the United States.

This is an oath we all take very seriously. But when our fighting men and women leave the service, many veterans lose a tangible way to continue to protect and defend our great nation.

We launched VETERANS IN DEFENSE OF LIBERTY in 2010 to fill this void.

There are currently 28 million veterans in the United States. Many belong to groups like the **Veterans of Foreign Wars** or the **American Legion**, or to no group at all.

But **VIDOL** is not just another veterans group that functions as a social club or lobbying arm to defend veterans in federal budget battles. VIDOL is the only veterans organization with this clear mission: To fight the Left’s assault on our constitutional republic that veterans have devoted their blood and lives to defend.

And VIDOL is the only veterans organization I know of openly educating and mobilizing America’s veterans, active-duty military and their families to stand with **President Trump** against the Left.

Now let me get back to why it’s so important for you to sign and return the enclosed “**Letter of Thanks and Support**” for us to deliver to **President Trump**.

Your past activities indicate that you are a strong supporter of **President Trump**, and you want President Trump to succeed. We do as well.

As you have seen, **President Trump** is under siege from the Democrat Party, the radical Left, the news media, the entertainment industry, and our pop culture.

President Trump did not need this job. He’s a multi-billionaire. He could have lived a very comfortable life if he had never entered the political arena. But he saw that our country was heading down the path to destruction – toward socialism, atheism, and lawlessness.

We had a President in **Barack Obama** who launched a war against our police, our military, and America’s founding principles. He tried to erase our border with Mexico so he could dramatically and quickly increase the number of future voters for socialism coming across our southern border by the millions.

Obama did everything in his power to wreck our free enterprise system and turn America socialist.

Donald Trump saw our nation was in trouble – heading quickly toward socialism during the Obama

(Over, please)

years. He saw how weak and ineffective the Republican Party leadership is. So he stepped into the arena to run for President. And then he won! – to the shock of Democrats.

Just imagine how different everything would look right now if **Hillary Clinton** had won. If that had happened, the America you love would now be rapidly going out of existence.

She would be appointing radical leftists to the Supreme Court and other U.S. courts. And she would be continuing Obama's "open borders" policy of creating millions of new Democrat voters from south of the border. America would be on the way to becoming a one-party socialist state, similar to **Venezuela**.

Thank God for Donald Trump! But ever since the 2016 Election, Democrats and the news media have worked to destroy President Trump.

Even before he was sworn in as President, they were calling for his Impeachment and even his imprisonment – even though they can't point to any law he's broken.

President Trump and his family are attacked every day all day 24/7 by the news media. They even attack his 13-year-old son Barron. They even attack his grandchildren. There must be times when President Trump wonders if he should have run for this job of President.

That's why your signed "**Letter of Thanks and Support**" to President Trump is so important – so he can see there are tens of millions of veterans, active duty military and American patriots who stand with President Trump stronger than ever.

I believe this will really lift his spirits.

We will also be keeping a running tally of the number of Americans who have signed this "**Letter of Thanks and Support**" to every Member of Congress and to the news media – with a special emphasis on sending a strong message to weak Republicans in Congress to stop undermining President Trump and to support his tremendous agenda to "**Make America Great**" – now changed to "**Keep America Great**" for 2020.

So we will need your permission to list your name publicly on this letter.

The way you give us your permission to include your name on this OPEN and PUBLIC "**Letter of Thanks and Support**" for President Trump is by marking the PERMISSION box on the enclosed reply form and signing your name.

ACTION STEP #2: Please complete and return the enclosed "**President Trump vs. the Democrats National Survey of 1,000,000 American Citizens.**"

We aim to survey millions of registered voters with this survey. We expect the results to counter the perception being advanced by the dishonest fake news media that **President Trump** is losing support among his voters. Far from it. All indications are that President Trump's supporters are standing strong with President Trump – stronger than ever – as we speed toward the **2020 Elections**.

In the next few weeks, we will deliver a report on the results to . . .

- **President Donald Trump** and his top advisors;
- Every Member of Congress (House and Senate);
- All 50 Governors and 7,382 state lawmakers;
- And the news media.

I expect this "**Letter of Thanks and Support**" campaign and the results of this survey to receive wide media coverage and to be studied carefully by Congress and America's elected leaders.

I also know that President Trump will be very pleased and encouraged to see the names of 1,000,000 veterans, active duty military, their family members, and American patriots on this "**Letter of Thanks and Support.**"

President Trump is fighting almost alone – well, except for the "**Silent Majority**" of Americans. He is under relentless daily attack from Democrats in Congress, the media, and even some Republicans.

That's why this "**Letter of Thanks and Support**" campaign is so important – to counter the relentless assault President Trump is under from the dishonest media and the Left.

Plus, some Republican leaders in Congress are keeping their distance from President Trump because they don't want to be targeted by the Left and the media. So some Republican leaders in Congress are hardly providing any support for President Trump at all.

But the most important reason for this "**Letter of Thanks and Support**" campaign is to identify all of President Trump's supporters (especially in the veteran community along with their families) . . . so we can make sure they vote in the all-important 2020 Election – and cast an informed vote.

ACTION STEP #3: We also urgently need donations to make sure those who support President Trump's agenda for America vote in the all-important 2020 Election.

You know what will happen to our great country if the radical Left takes over the White House along with

(Next page, please)

the U.S. Senate in 2020. The America you love will be over.

America is at a “**tipping point**” right now. We could very easily and very quickly head down the same road as **Venezuela** – which, not long ago, was the most prosperous country in Latin America. But after the socialists took over, Venezuela quickly became the poorest country in Latin America.

People are starving, have no electricity and can’t even buy toilet paper. Venezuela has become a socialist Hell Hole. This can very easily, and very quickly, happen to America.

That’s why VETERANS IN DEFENSE OF LIBERTY is conducting a major national campaign to educate as many of America’s 28 MILLION veterans, 2 MILLION active duty military, and their families as possible about what’s at stake in the 2020 Election – and why replacing America’s capitalist system with socialism would be such a disaster for all Americans.

Socialism has never worked anywhere it’s been tried. Socialism has just led to poverty and misery.

We are focused especially on educating America’s veterans, active duty military on what’s at stake in 2020 and why every American patriot has a moral duty to vote.

Again, the U.S. has 28 million veterans and 2 million active duty military, plus their families.

Most tend to vote conservative – when they vote. But many don’t vote.

I know I don’t need to explain to you what’s at stake in the 2020 Election.

You saw how **Team Obama** used the awesome power of the U.S. government for partisan political purposes the last time they were in power.

Obama used the **IRS** to target and destroy Tea Party groups and leaders with politically motivated IRS audits. Then **Team Obama-Hillary** used the CIA, NSA, and FBI to try to take down Donald Trump when he was running for President in 2016.

Then they came up with the “Trump-Colluded-With-Russia-to-Win-the-Election” Hoax as an excuse to launch a counter-espionage investigation against President Trump.

They actually used the CIA, NSA, and FBI to conduct TOTAL SURVEILLANCE of the Trump campaign, complete with daily leaks to the media in an effort to destroy the Republican nominee for President.

Then when their strategy to destroy candidate Trump failed and he won the election, **Team Obama**, during the transition, continued to use the CIA, NSA, and FBI to overturn the results of the 2016 Election by triggering the appointment of Special Counsel **Robert Mueller** as part of a scheme to frame President Trump for a non-existent crime and overthrow our duly elected President.

The frightening truth is these people will stop at nothing to destroy **President Trump** because they ultimately want to destroy America as the “land of the free.”

This is the message we at VETERANS IN DEFENSE OF LIBERTY are trying to get out to the American people – especially focused on America’s 28 MILLION veterans, 2 MILLION active duty military, and their families.

If the Left regains control over our government, they will use their power to wipe out their political opposition – just like the socialists did in **Venezuela** . . . and just like **Team Obama** tried to do to **Donald Trump**. Obama actually tried to use the CIA, NSA, and FBI to destroy the Republican nominee for President.

It’s amazing that Donald Trump was able to survive this assault.

Now imagine how the Left will use this power if they win back control of our government.

They will use their power to eliminate all political opposition and destroy the America you love.

They want OPEN BORDERS for America (which really means NO BORDERS for America) so they can create tens of millions of new voters for socialism.

So our focus is to reengage those voters who came out for Trump in 2016 who rarely vote in elections – with a special emphasis on explaining to veterans, active duty military, and their families what’s at stake in 2020 and why they have a duty to vote.

But we need your help to do this.

How We Use Donations

A big part of what we do here at VIDOL is bypass the leftist “fake news” media to deliver the facts and the truth directly to America’s veterans, active duty military, and their families.

We do this with postal mailings similar to this one and emails – also we are adding new viral videos, social media, and events.

We are most focused on educating America’s veterans and active duty military, plus their families, about

(Over, please)

how vital strong border security is to America's survival and why socialism (which many top Democrat leaders are promising to bring to America) would be such a catastrophe for America.

Socialism turned **Venezuela** from a very prosperous country into an impoverished Hell Hole where people are starving. This is what happens in every country that adopts socialism.

But, as you might imagine, these CITIZEN EDUCATION campaigns are costly. For example, to print and mail a CITIZEN EDUCATION letter like this one costs about 60 cents – including postage.

As you can see, this letter is really much more than a letter. It's an entire packet of material – including this "**Open Letter of Thanks and Support**" for President Trump for you to sign, plus a survey.

So, to print and mail this CITIZEN EDUCATION packet to 1,000,000 Americans costs about **\$600,000**.

And then there are our videos, social media, TV and radio campaigns that we hope will reach millions more Americans.

VIDOL needs donations so we can mail more CITIZEN EDUCATION packets to voters (similar to this letter you are reading now) so that those Americans who support President Trump against the radical Left understand what's at stake in 2020 – literally the survival of the America you love.

Most of our members and supporters send gifts in the **\$20 to \$50 range**. But even if all you can send is **\$10**, that will help. Every dollar we can raise matters – and will help VIDOL educate and motivate supporters of President Trump (with a special focus on veterans and active duty military) on what's at stake in 2020.

You know what's at stake. Please contribute what you can. And please do this today, as time is critical.

Thank you for reading my letter.

I very much hope to hear back from you by return mail in the next few days.

Sincerely,

Dr. Scott Magill
 Founder and Executive Director
 VETERANS IN DEFENSE OF LIBERTY (VIDOL)

P.S. If you support President Trump (and our review of your activities tells me you do), please be sure to sign the enclosed "Letter of Thanks and Support" – which we will deliver on your behalf to President Trump. Our goal is for more than 10,000,000 veterans, active duty military and American Patriots (like you) to sign and return this letter along with the enclosed survey.

One purpose of this effort is to show President Trump that his supporters continue to stand strong by his side. The second purpose is to use this list of 10,000,000 signers of this "**Letter of Support**" to . . .

- 1) Help us identify and mobilize voters and VIDOL supporters (with a special focus on conservative-leaning veterans and active duty military) to understand what's at stake in the 2020 Election and to turn out to vote in record numbers . . . because we know with 100% certainty that the Left is energized and will also be voting in record numbers in 2020;
- 2) Shore up the courage of timid Republicans in Congress to stand strong with President Trump and to stop cowering in the corner every time the media and the Left attack President Trump.

We are also in urgent need of donations to get the word out about this "Letter of Thanks and Support" for President Trump project so we can reach our goal of 10,000,000 signatures.

To do this, we must conduct a national advertising campaign — including using the internet, phones, mail, and creating viral internet messages (including videos) that reach tens of millions of Americans, including our veterans and active duty military and their families.

Plus, to mail just one of these letters to one voter costs about 60 cents. As you can see, this is not just a letter. It's an entire packet of material aimed at informing and motivating millions of President Trump's voters and supporters (including our veterans and our active duty military) to commit to vote in 2020. As you know, we are in a life-and-death struggle for America's very survival as the "Land of the Free."

You can see that the Left is out to destroy the America you love. They want OPEN BORDERS so they can create millions of new voters for their anti-God socialist agenda . . . and so they can turn America into a corrupt one-party Hell Hole like Venezuela.

So please include your best gift when you return your signed "Letter of Thanks" for delivery to President Trump, along with your survey. Thank you for acting right now on this matter of urgent importance to saving the America you love for your children and grandchildren.

INSTRUCTIONS: Please sign your name below. Then please use the enclosed reply envelope to mail this document back to VETERANS IN DEFENSE OF LIBERTY for delivery to **President Trump**. We also plan to report to Congress and the news media on the number of voters who sign this "**Letter of Thanks and Support**." 10 MILLION signers of this letter should also shore up the courage of weak Republicans in Congress to strongly support President Trump and his agenda to "Make America Great" and to "**Keep America Great**."

My Letter of Thanks and Support

Voter Representing:

To President Donald Trump

From 10,000,000 American Citizens

Dear President Trump,

I thank you for delivering on your campaign promises. Specifically, you have . . .

- Delivered the largest tax cut for the American people since **President Reagan**.
- Destroyed ISIS – which controlled an area in the Middle East the size of Indiana when Obama left office ... and now controls NO TERRITORY in the Middle East.
- Reduced the number of illegal border crossings into America by more than 35 percent.
- Deported thousands of members of the ultra-violent MS-13 gang.
- Erased thousands of Obama-era anti-business regulations that were crippling our economy.
- Created more than \$8 TRILLION of new wealth for Americans by getting America's economy growing again – more than doubling the economic growth rate from the Obama years.
- Appointed two great Supreme Court Justices in **Neil Gorsuch** and **Brett Kavanaugh**, plus more than 150 equally tremendous judges to America's lower federal courts.
- Eliminated the ObamaCare "Individual Mandate" – which required Americans to pay astronomical insurance premiums for effectively no health insurance.
- Eliminated most of the other ObamaCare mandates – including the mandate that we must purchase health insurance that includes abortion and sex-change operations.
- Turned America into a net energy exporter by approving the Keystone XL and Dakota pipelines and opening up federal lands for oil and energy exploration.
- Reversed Barack Obama's war against America's police, so that we now see violent crime declining instead of rising in America. Cop killings are down by half!

And there's so much more you've achieved.

President Trump, you did not need this job. You could have lived a very comfortable life never running for President. But you saw that America was on a path to being destroyed forever. So you put your personal interests at risk to run for President so you could save this great nation for our children and grandchildren. For all this and more, you have my deepest thanks and appreciation.

Please know that I stand with you and will continue to fight alongside you as you persevere against the daily relentless assault you are under from the dishonest media, the Democrat Party and the Left.

Sincerely,

President Trump vs. the Democrats and the Media

A National Survey of 10,000,000 American Citizens

INSTRUCTIONS: Please mark the answers that come closest to your point of view. Leave questions blank that you prefer not to answer. Feel free to write your own answer if you do not find your point of view reflected in the answer options. We will deliver a report on the results of this survey to . . .

- **President Donald J. Trump** and his top advisors;
- Every Member of Congress (House and Senate);
- All 50 Governors and 7,382 state lawmakers; and
- The news media.

Because this survey and “**Letter of Thanks and Support**” campaign is so enormous, you can expect the results to receive wide media coverage and to be studied by America’s elected leaders in government.

ISSUE SUMMARY: Since even before **Donald Trump** was sworn in as President, Democrat leaders in Congress have done everything in their power to undo the results of the 2016 Election and destroy President Trump. They have repeatedly promised to Impeach him and put him and his family in prison. They have attacked his wife Melania, his 13-year-old son Barron, and even his grandchildren.

QUESTION #1: Do you think this campaign by Democrats to destroy Donald Trump by any means possible, which started before he was even sworn in as President, is doing more good or more harm to America?

- More Harm More Good Not Sure

ISSUE SUMMARY: New border crossings have decreased by 75% in recent months. Hundreds of miles of new border wall will be built by the end of 2020.

QUESTION #2: What is your opinion of President Trump’s focus on securing America’s border, even though he has had no help from Democrats and very little help from Republicans in Congress?

- Strongly Support Support Oppose Strongly Oppose No Opinion

ISSUE SUMMARY: President Trump successfully pushed Congress to pass one of the largest tax cuts in America’s history into law. He cut the top tax rate on business from 35% to 21% -- which has made America a good place to do business again. In addition, more than 90% of American taxpayers have received a tax cut under President Trump. President Trump has also erased almost all the anti-business regulations President Obama piled on our economy. The result is the U.S. economy is now growing 60% faster than under Obama.

QUESTION #3: What is your opinion of **President Trump’s** performance on getting America’s economy moving again after years of stagnation under **Barack Obama**?

- Excellent Good Fair Poor No Opinion

ISSUE SUMMARY: When President Obama left office, **ISIS** controlled an area in the Middle East the size of Indiana. But President Trump changed the rules of engagement and allowed his generals to do their job. The result is ISIS today controls no territory in the Middle East and tens of thousand of ISIS fighters have been killed, including almost the entire ISIS leadership.

QUESTION #4: What is your opinion of President Trump’s performance on quickly destroying **ISIS**?

- Excellent Good Fair Poor No Opinion

ISSUE SUMMARY: During the 2016 campaign, **Donald Trump** promised he would only appoint conservatives to the Supreme Court and our federal courts who will strictly follow the Constitution and the “rule of law” – not impose their own private political views. His first two Supreme Court appointments **Neil Gorsuch** and **Brett Kavanaugh** are proving with their rulings that they share the same judicial philosophy as the late great **Justice Antonin Scalia** and **Justice Clarence Thomas**. President Trump has also appointed more than 150 solid Constitutionlists to America’s lower federal courts.

QUESTION #5: What is your opinion of President Trump’s performance so far on appointing solid conservative Constitutionlists to America’s federal courts, including the U.S. Supreme Court?

- Excellent Good Fair Poor No Opinion

QUESTION #6: What is your opinion of **Donald Trump's** overall performance so far as President?

- Excellent Good Fair Poor No Opinion

ISSUE SUMMARY: Prominent Democrat leaders openly express their disdain for America. For example, President Obama's former **Attorney General Eric Holder** recently said on MSNBC: "**When I hear these things about Make America Great Again, I think to myself, exactly when did you think America was great?**" The Democrat Governor of New York **Andrew Cuomo** mocked the idea that America was ever great, saying in a speech: "**We're not going to make America great again. It was never that great.**"

QUESTION #7: What is your reaction to these anti-America statements by top Democrat leaders?

- Terrible Disheartening I agree with these statements. No Opinion

ISSUE SUMMARY: Most Democrat contenders for the Presidency and leaders in Congress have endorsed the so-called "**Green New Deal**" – which calls for replacing our capitalist economic system with socialism.

QUESTION #8: What is your opinion of this call by leading Democrats to replace America's capitalist economic system with socialism?

- Total Insanity It might be good I'm for it. No Opinion
