

Toddler Gay Merchandise @ Target!

Couple this with promoting violent crime by defunding and persecuting police and law enforcement; opening our borders to a deluge of drug and human traffickers, terrorists and saboteurs, and diseased persons; as well as destroying our military readiness and national security, and it's clear that the nation plus you and your loved ones are facing certain doom if strong action is not taken now, today – without fear or favor!

And what was the trigger point for the Left taking total socialist if not communist control over our daily lives and futures. Perhaps you have guessed it? The answer: the Russian collusion hoax, the witch hunt caused by Hillary Clinton, which in the end, along with election fraud, brought President Trump down (and threatens to keep him down), and then gave us the braindead, stupid and criminal Joe Biden as our illegitimate president who threatens our very survival!

As the founder and former chairman, general counsel of Judicial Watch, undoubtedly you remember how I fought the Bonnie and Clyde of American politics at every turn during their earlier corrupt reign. Indeed, I filed over 80 cases against the Clintons personally and their administration, and was the only lawyer in American history to have a court rule that a president had committed a crime, which occurred when they released private information of a woman Slick Willy had sexually harassed in the Oval Office, one Kathleen Willey. Hillary was behind this, an evil wicked witch of the Left, as she above all tried to destroy every woman who her degenerate hubby had abused and harassed, because she saw them as an impediment to herself one day becoming president.

It is no wonder that over 80 persons, most of them material witnesses to the crimes the Clintons had committed, were murdered or died mysteriously during the Clinton White House years. Recently, Jeffrey Epstein's death while in prison awaiting trial for sex trafficking was likely also arranged by Hillary with her Mafia friends, as Bill Clinton used Epstein as his pimp. Even Hillary's former Rose law firm partner and last heterosexual partner Vince Foster, before she became a total "bull-dyke," was killed during her White House days, as he knew too much about the evil witch's capers and crimes involving tax evasion, Whitewater, Travelgate, Filegate, real estate and financial fraud and similar Clinton scandals.

Hillary Clinton, to be totally blunt, is the most criminally minded evil and vile person ever to have set foot in the White House. And, while for the time being Hillary is not president, but instead along with Barack Hussein Obama, Pelosi and Schumer is orchestrating Biden's illegal and destructive acts and treason behind the scenes, she has not given up! It is clear that her intention and plan is to run for president again in 2024, and for this reason she and her co-conspirators need to totally destroy Donald Trump and anyone else who could get into her power hungry way of assuming the totalitarian leftist throne of dictatorship.

Recently, as I predicted, Special Counsel John Durham, a gutless Republican political establishment U.S. Attorney from Connecticut, having been afraid to indict Hillary Clinton over Russiagate and the Russian collusion witch hunt that contributed to President Trump being driven from office, failed to even convict a lowly attorney, Michael Sussman, of the corrupt Democrat law firm Perkins Coie. Sussmann had lied to the FBI about the Steele Dossier, the document used to trigger Russiagate and the Russian collusion witch hunt. AND SUSSMANN CLEARLY WAS SENT BY HILLARY TO DO THIS.

But rather than indicting Hillary, Durham took the easy way out, perhaps himself fearful that this evil witch of the Left would even have him killed if he went against her!

Now, Durham's so called criminal investigation is effectively dead, as dead as he likely would have been if he had sought to hold the real criminal Hillary to account!

So, all that being said, it now falls to your Freedom Watch, as it always does, to legally take Hillary and her accomplices Biden and Obama out and send her and them to where the sun don't shine; federal prison for life.

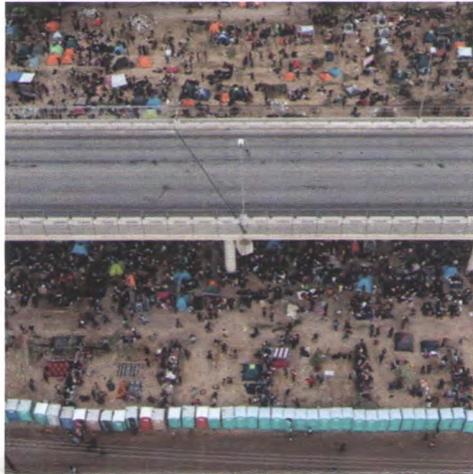

And how will we do this? The same way that we are legally taking Joe Biden, his druggie son Hunter and low life brother James down for bribery from Communist China, Russia and Ukraine before President Zelensky – by indicting Hillary, trying her, convicting her of various felonies and having law enforcement and the military carry out the arrests and sentences.

HUNTER BIDEN CRIMINAL!

The evil troika in particular of Hillary Clinton, Joe Biden and Barack Obama, who have conspired to implement a total stranglehold on our nation, and subject us to a leftist, socialist, communist and radical dictatorship, must be legally eliminated now before it is too late!

That is why we need your urgent and strong financial support. The calculated and bold actions which your Freedom Watch, and my staff and I take, is not for free, but very costly. Just the trials of the Bidens, Fauci and federal judges who have violated their oath of office by locking up January 6, 2022, peaceful protesters, as well as now proceeding to indict and try Hillary Clinton and her accomplices, does and will cost hundreds of thousands of dollars.

Border Alien Flood

And our class action lawsuits against the Biden “In-Justice” Department and its FBI becoming a Gestapo to terrorize the nation, trying to intimidate citizens to not rise up or even criticize the total takeover by the Left, also cost big money. So too does our class action in Dallas, Texas against the Communist Chinese, to compensate against the huge damage they caused to us that resulted in the deaths of millions and unprecedented economic destruction. By way of the release of their bio-weapon known as Covid-19, which is here to stay for many years, restitution must be litigated!

We at Freedom Watch have also sued the Mexican government over it allowing its police to shoot across the southern border and seriously wound a Texas Ranger who was in the process of arresting a drug trafficker. The Muslim terrorist state-controlled Organization of Petroleum Exporters, commonly known as OPEC, has been sued for price fixing and causing, along with Biden’s politics and criminal acts and negligence, the price of gasoline to skyrocket.

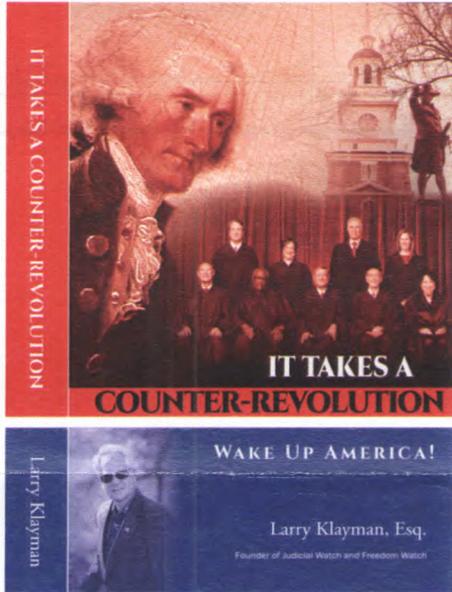

\$8.00/Gal Gas Prices

Your Freedom Watch does not just obtain government documents and then crow about so called successes. We, on behalf of you and our loved ones, take hard decisive actions. We combat head-on the establishment in the legal profession, in the justice system, in the media, among the so-called “elites.”

We do the difficult legal work that requires years of experience, and nerves of steel. No litigator can pursue true justice in a world full of corrupt courts, hostile forces and reeling in chaos, if he is operating in a spirit of fear, or obsessed with what the sold-out and Communist-complicit “elites” are saying and thinking about him. You know that your Freedom Watch is free of any such weakness and timidity — and will always run to the sound of the cannons to fight for you in defending our liberty!

Help Freedom Watch Fight the Pervasive Leftist Chaos!

As I write in my new book, "It Takes a Counter-Revolution: Wake Up America!," which we will send to you free of charge with a tax-deductible contribution of \$75.00 or more, now is not the time for sunshine soldiers and summer patriots, in the words of Thomas Paine. Now is the time for courageous persons such as you to stick our collective necks out and take calculated risks, before all is lost to the likes of Hillary Clinton, Joe Biden and the leftist minions which have infested our body politic like pests, like a plague. These evil and dirty purveyors of deceit, corruption and socialist if not communist ideology and practices have brought our great nation to its knees and time is very short to save it! We simply cannot survive another two years before the next presidential election.

I thus humbly call on you, fellow patriot and true American, to join our noble and just cause and to put the criminals who have all but destroyed our country in prison for life, where they belong and can do no further harm.

PLEASE CONTRIBUTE AS MUCH AS YOU CAN TO OUR MUTUAL CAUSE AND SACRED MISSION. DO IT FOR YOURSELVES, YOUR CHILDREN, GRANDCHILDREN AND FUTURE GENERATIONS, AS OUR FOUNDING FATHERS DID IN THE DAYS, MONTHS AND YEARS LEADING UP TO AND AFTER JULY 4, 1776!

AGAIN, WE CANNOT AND WILL NOT ALLOW OUR SACRED NATION TO BE DESTROYED AND WE CANNOT SURVIVE ANOTHER TWO YEARS UNTIL THE PRESIDENTIAL ELECTION IN 2024 WITH BIDEN IN DICTATORIAL CONTROL OF OUR LIVES, ALONG WITH HIS CO-CONSPIRATORS HILLARY CLINTON AND BARACK HUSSEIN OBAMA PULLING HIS LEFTIST STRINGS AS BIDEN'S PUPPET MASTERS!

AND, MOST OF ALL WE MUST LEGALLY TAKE OUT HILLARY CLINTON, WHO HAVING ALL BUT DESTROYED DONALD TRUMP AND IS NOW BEHIND DEMOCRAT EFFORTS TO FALSELY INDICT TRUMP FOR TREASON OVER JANUARY 6, 2022. HILLARY CLINTON, SIMPLY PUT, IS POISED TO RUN FOR PRESIDENT IN 2024!

IT WOULD BE THE FINAL BLOW TO THE REPUBLIC IF HILLARY CLINTON SHOULD EVER BECOME PRESIDENT!

LET'S PUT HILLARY AND HER ACCOMPLICES, INCLUDING BIDEN, IN THE SLAMMER, WHERE THEY CAN NO LONGER ATTEMPT TO HARM THE CREATION AND VISION OF OUR FOUNDING FATHERS KNOWN AS THE UNITED STATES OF AMERICA, THE GREATEST NATION EVER KNOWN TO MANKIND.

Let the Nuremburg style trials begin to lock up Hillary Clinton, the Bidens, Obama, and the other Communist-Leftist Criminals!

Remember, God will only help us if we help ourselves. Like our Founding Fathers, let us invoke Divine Providence, and let's get to work to save the nation for ourselves, our children, grandchildren and future generations of true courageous and fearless Americans.

Please generously contribute to this crucial mission with as large a tax-deductible contribution as you can afford so we can succeed for all of us!

God bless you,
Yours Sincerely in Freedom and Liberty,

Larry Klayman, Esq.
Founder of both Judicial Watch and Freedom Watch
Chairman and General Counsel of Freedom Watch

P.S. The nation and you and your children, grandchildren and future generations are counting on us. We cannot and must not let them down!

Get One of the First Copies of My New Book!

As a special thanks for your gift of \$75 or more today, I'd like to send you one of the first paperback copies of my brand new book, *It Takes A Counter-Revolution. Wake Up America!*

It Takes a Counter Revolution: Wake Up America! is dedicated to our most farsighted of Founding Fathers, Thomas Jefferson. He understood that the new republic would over time enter into another revolutionary state, thanks to the natural evolution of corruption in society.

Jefferson warned that if put in place by the framers of the Constitution, federal judges would become despots, as they would be unelected by and thus not answerable to We the People. This especially rings true today. My book is therefore a clarion call on ways to wage a peaceful revolution and try to avoid Jefferson's prophecy.

Freedom Watch is recognized by the IRS as a non-profit organization. Gifts are tax-deductible if you itemize on your tax returns.
