

GOVERNOR
RON DESANTIS

1310078 

Republican ★ Florida

Monday Morning

Dear

Liberty, Freedom, Independence.

Whatever you may choose to call it, the Left wants to take it from you.

- ✓ **Your right to speak your mind.**
- ✓ **Your right to practice your faith.**
- ✓ **Your right to protect and defend your home and family.**
- ✓ **Your right to own and operate a business.**
- ✓ **Your right to educate your child.**

The Left is currently doing everything they can to take these God-given rights away from you, and it isn't an accident.

This is their New America.

On behalf of the Republican National Committee (RNC), I'm asking loyal Republicans across America:

“Are you OK with that?”

I have enclosed the RNC's vital **NEW AMERICA SURVEY** and registered it specifically in your name so the leaders of our Party can hear from you directly, because I believe America is already dangerously on the wrong track, with Joe Biden at the helm.

Your **SURVEY** answers are an essential first step in our effort to slow down the Left-wing Biden Democrats and ultimately take back Congress from their power-grabbing hands in the coming election.

From the moment Donald Trump was elected in 2016, the Trump-hating Democrats adopted the rallying cry “RESIST!” And from that moment forward, Big-Government Democrats teamed up with Far-Left Hollywood elitists, the biased Liberal media, and Big-Tech titans to seize total power in Washington.

And now that they're in control of Washington, they're bent on radically changing America.

As the Governor of Florida, an American Citizen, and a defender of the Constitution:

I WON'T ALLOW IT!

Not if I can count on you to join with me and the Republican Party by speaking out and standing up for our conservative principles.

Make your voice heard today by filling out the **NEW AMERICA SURVEY I've enclosed and specifically registered to you and return it ASAP along with a much-needed donation of \$20, \$30, or \$40.**

(Over, please)

Please tell me and the leaders of the Republican Party where you stand right away.

As Governor of America's third most populous state, the Free State of Florida, I am fighting in the trenches every day for Republican principles like keeping our businesses and our economy open, keeping our kids safely in school, keeping taxes low, stopping Critical Race Theory, and rejecting Biden's unconstitutional mandates.

We need to build a national movement of patriots like you to put the Republican Party on track to regain the U.S. House and U.S. Senate in November and the White House after that.

And that is why I would also ask that along with completing your SURVEY, you make a special financial contribution to the RNC.

You've been a most generous member of the RNC, providing the financial resources needed to carry out its mission. As an elected Republican who has benefitted from this support, I want to personally thank you!

And I also need you to know that your support is urgently needed again today because the radical Big-Government Socialists are pushing the Democrats farther and farther to the extreme Left. With Joe Biden as President, Nancy Pelosi holding the House Speaker's gavel, and Kamala Harris as the TIE-BREAKING VOTE in the Senate, radicals are demanding their agenda be implemented without delay -- or discussion!

And Joe Biden is too weak to resist. In fact, he's gone all-in on meeting their demands. Within his first few weeks in office he...

...Stopped construction of the Wall and began the process of opening our borders...

...Reinstated job-killing environmental regulations, rejoined the unfair pro-China Paris Climate Agreement, and canceled the Keystone XL pipeline, paving the way for the "Green New Deal"...

...Pushed through massive and partisan spending that is paying people to stay home rather than return to work and driving prices sky high...and that was just the start!

We need to rally patriots across America to stand up against the Left-wing mob that now dominates the Democrat Party and pushes Joe Biden and Nancy Pelosi around.

So please tell me, are you on my side?

Are you on the side of the Republican National Committee, which supports limited government, lower taxes, and more individual liberty?

Or are you on the side of Joe Biden, Nancy Pelosi, Big-Tech, and the biased Liberal media?

I need to know that you want us to KEEP fighting back. So please take a few moments right now to let me know where you stand.

In particular, I want to know your opinion on SURVEY QUESTIONS #2 and #3:

- Do you believe Big-Tech has the right to censor conservative thinkers in America?

(Next page, please)

- And, do you believe the biased Liberal media is unfair to conservatives and reports opinions as if they were facts?

It's important to know because the biased Liberal media, who apparently operate at the will of the Democrat Party, would have you believe that voters are fleeing the Republican Party. They want you to think there is a massive popular realignment behind the self-described Socialists, that there is no point in opposing them, and that you should be shamed if you try.

That could not be further from the truth.

In the last election more than 74 MILLION Americans chose the conservative path forward, not the Big-Government Socialist agenda put forth by Joe Biden and Kamala Harris -- an agenda that is opening our borders, ending American energy independence, destroying our free-market economy, taking away your private healthcare, and putting our national security in serious jeopardy.

The fact is the Republican Party made significant gains in the U.S. House and we're within a five-vote swing of taking back the Majority. The U.S. Senate is even closer -- split 50-50. And Republicans have control of 30 state legislatures and 26 Governors' offices.

Our Party is as strong and united as ever, and we need to make it clear that we have ZERO interest in the NEW AMERICA that Joe Biden and his comrades are trying to create.

But you won't hear that from the Left-wing media.

The challenge is it is more difficult than ever to get our message out with Big-Tech shutting down social media platforms they disagree with and censoring conservative speech.

The Big-Tech Cartel has become an even bigger threat to free speech than government itself.

We have seen their power to censor individuals who do not follow their Big-Government Liberal agenda. No group of individuals should have this much power over you and me as citizens, certainly not a small group of Silicon Valley billionaires.

So are you willing to continue the fight to keep the Left from creating their New America?

I know that making your voice heard can come at a cost. I get hammered by the Liberal press almost every day.

But the ONLY way we can stop Joe Biden, Kamala Harris, Nancy Pelosi, and their Leftist allies from taking away our liberty is by making our collective voices heard.

Can I count on you to do your part by taking a few moments to fill out your **NEW AMERICA SURVEY**?

I would also ask that along with completing your survey, you make a special contribution to at least match your most recent gift to the Republican National Committee to put them in a financial position to turn this information you provide into concrete action.

It is urgent that you get back to me as soon as possible. So please don't wait, return your completed **NEW AMERICA SURVEY** and a special gift in the next five days.

Every day, Republicans are facing a near-constant barrage of lies and attacks. However, the **FACTS** are indisputable. Over the four years Donald Trump was President:

(Over, please)

Page Four

- The economy hit record highs thanks to Republican tax cuts that lowered taxes for millions of Americans.
- Our military and allies decimated the radical Islamic terrorist organization, ISIS, and the U.S. had never enjoyed greater National Security.
- China, Russia, Iran, and every other country in the world who took advantage of eight years of weakness under Barack Obama once again saw our country as a global power and leader.

And the list goes on and on. THREE conservative justices were confirmed to the U.S. Supreme Court, our country achieved greater energy independence, negotiated new, favorable trade deals with Mexico and Canada, and so much more.

Bottom line: America was WINNING.

But that is not what the radical Democrats want. They do not want our nation to thrive. They want America to APOLOGIZE, RETREAT, AND CHANGE into their NEW AMERICA where Socialism reigns and free markets are scorned, where political correctness replaces free speech.

The Socialist Left does not want to lead Americans – they want to control us.

Join me in fighting back.

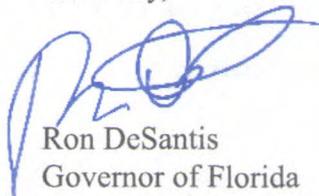

Step One is completing and mailing back your **NEW AMERICA SURVEY**.

Step Two is rushing an urgently needed special contribution of **\$20, \$30, or \$40** to the RNC. Mr. Rogers, it is going to take millions of dollars to enable us to enhance our voter outreach, strengthen our grassroots operations, and better deliver our message to all Americans. We can't afford to delay in getting started.

Step Three is staying committed to the true promise of the American Dream, staying engaged in the fight for it, and never giving up.

This is a pivotal moment in American history. With your help, a red wave is coming in November. And it is going to wipe out the Socialist New America Democrats think they are building right now. But we cannot just wait for that to happen. We must start now -- today -- and work for it, together. I'm counting on you!

Sincerely,

Ron DeSantis
Governor of Florida

P.S. The national Democrat Party has teamed up with the Liberal media and Big-Tech and they are gleefully imposing their New America agenda! Help me stop them. Please fill out your **NEW AMERICA SURVEY** and make an immediate contribution of **\$20, \$30, or \$40** to the Republican National Committee right away! With your help, we will take back the U.S. House and U.S. Senate in November. Thank you and God Bless America!
