President

Should Muslim Law replace the U.S. Constitution in America's courtrooms?

Liberal, pro-ACLU Obama Justices Elena Kagan and Sonia Sotomayor say YES: Foreign Law -- including Muslim Law -- CAN supersede the U.S. Constitution.

Please make your voice heard in this pitched battle over Muslim Law by completing and rushing back to me your "Emergency Survey on Muslim Law at the Supreme Court".

Washington Post

Politico

Let me explain why I so urgently need your "Emergency Survey on Muslim Law at the Supreme Court".

A study by the Center for Security Policy reported there have

already been 50 court cases in 23 states where Muslim Law was used to render a verdict.

For example, in New Jersey a Muslim man was acquitted in court of raping his wife because the liberal judge said Muslim Law required wives to submit to their husbands.

By supporting the use of Foreign Law in America, Elena Kagan and Sonia Sotomayor and Joe Biden condone these kinds of rulings in our courts!

What are Kagan and Sotomayor and Biden going to demand be legalized next in America?

Honor killings? Jihadi bombings? Beheading of Christians?

All of these are legal under Muslim Law, too!

Do you want this kind of Muslim Law allowed in America?

Or do you believe the United States should follow the AMERICAN Constitution, the AMERICAN Bill of Rights and the AMERICAN Declaration of Independence?

I believe we need Supreme Court Justice Amy Coney Barrett -- who OPPOSES Foreign Laws and who could be the DECIDING VOTE on any Foreign Law ruling -- to put an end to Muslim Law in America's courtrooms RIGHT NOW ...

... BEFORE leftist Justices Kagan and Sotomayor and their beloved Muslim Law gets a strangle-hold on the U.S. judicial system!

That's why I need your completed "Emergency Survey on Muslim Law at the Supreme Court" right away.

I will deliver your responses to this "Emergency Survey on Muslim Law at the Supreme Court" to Justice Amy Coney Barrett at the Supreme Court.

And together we can let Amy Coney Barrett know that we want America's constitutional system of government defended from Elena Kagan and Sonia Sotomayor and Joe Biden, who want to shred America's Constitution and replace it with Foreign Laws, including Muslim Law!

Elena Kagan herself has arrogantly proclaimed that Foreign and even Muslim law can provide "good ideas".

And Sonia Sotomayor wrote in a book supporting Foreign Laws that she wants to “learn from foreign law and the international community when interpreting our Constitution.”

Excuse me??? The American Constitution wasn't written for the rest of the world, it was written for the United States.

And it sure wasn't meant to be interpreted by judges from Saudi Arabia, Iran and other Muslim countries.

But that's already what's happening in America! 50 cases in 23 states where Muslim Law was used.

And Kagan and Sotomayor support this nonsense!

That's why your “Emergency Survey on Muslim Law at the Supreme Court” is so urgently needed.

Your “Emergency Survey on Muslim Law at the Supreme Court” will show Justice Amy Coney Barrett and a majority of the Supreme Court Justices that the American people want them to BAN Muslim Law in America.

My name is Cliff Kincaid, and I am the President of National Committee to Defend America -- America's premier Radical Muslim watchdog group.

National Committee to Defend America is the perfect organization to fight and win this crucial battle to protect Americans from Muslim Law!

- We held three national conferences in Washington, D.C., at the prestigious National Press Club, exposing the radical Muslim threat to America.
- We have been leading the campaign to stop the Muslim Brotherhood and al Qaeda mouthpiece Al Jazeera television from getting entry into the U.S. media market. In fact, Politico has called me “one of Al Jazeera's most vocal critics”.
- We have been working with freedom fighters here and abroad, including at a 9/11 conference in New York City, to expose and rebuff Muslim attempts to censor critics of radical Islam.

Now National Committee to Defend America is fighting to protect you from radical Muslim Law at the Supreme Court.

But we cannot effectively fight this battle alone.

National Committee to Defend America and I must have your "Emergency Survey on Muslim Law at the Supreme Court" responses to deliver to Amy Coney Barrett at the U.S. Supreme Court.

And we must have your contribution check for \$25, \$50, \$100, \$250, \$500 or even \$1000 or more to fund this vital campaign to protect you and your family and America from Muslim Law at the Supreme Court.

Your contribution of \$25, \$50, \$100, \$250, \$500 or even \$1000 or more is urgently needed to help us FUND this massive campaign to convince Justice Amy Coney Barrett and the Supreme Court to BAN ALL MUSLIM LAW IN AMERICAN COURTROOMS ... no matter what leftist radicals Elena Kagan or Sonia Sotomayor or even Joe Biden have to say!

National Committee to Defend America has already spent tens of thousands of dollars on reports, ads, and fact-finding missions to derail the radical Muslim agenda in America.

Your contribution of \$25, \$50, \$100, \$250, \$500 or even \$1000 or more will help National Committee to Defend America continue with our vital research and education work, as well as our efforts to convince the Supreme Court to ban dangerous Muslim Laws.

It's really pretty simple: Either you let radicals like Elena Kagan and Sonia Sotomayor and Joe Biden change America forever by imposing Muslim Law on us, or you help AMERICA get the upper hand by supporting our vital campaign!

Please send me your completed "Emergency Survey on Muslim Law at the Supreme Court" and your contribution of \$25, \$50, \$100, \$250, \$500 or even \$1000 or more today, to make sure America remains free from Muslim Law.

Thank you and God bless America.

Sincerely,

Cliff Kincaid, President
