

PRESIDENT
DONALD J. TRUMP

Monday Morning

Dear

The Liberal elites, the Fake News Media and the Marxist Democrats hate America -- and they hate you.

The Left wants you to believe that if you attended your children's local school board meeting and questioned the Leftists in charge why they're teaching your kids the radical ideology of Critical Race Theory, you should be labeled a "domestic terrorist" and reported to the FBI...

...If you support commonsense election integrity measures like requiring voter ID, eliminating same-day and automatic voter registration, enacting enforceable standards for counting absentee ballots and prohibiting ballot harvesting, you're unpatriotic...

...And if you are having trouble paying higher prices for groceries, gas and everything else you must buy because of the raging inflation Biden's reckless Socialist spending spree has unleashed on your pocketbook, you have "high class" problems.

Enough is enough!

We MUST stop Joe Biden and his Far-Left enablers from destroying America and permanently reversing the gains you and I achieved by putting America First.

That's why I'm supporting the Republican National Committee (RNC) and their efforts to elect Trump Republican Majorities to the U.S. House and U.S. Senate in the 2022 elections.

I am 100% committed to leading our Party to victory and helping elect Republicans up and down the ballot in November's elections.

I need Republican grassroots leaders like you -- men and women who have done so much to help our Party and grow our America First movement in the past -- working alongside me.

Please take a moment right now to join me in making a 100% commitment to helping elect Republicans from the courthouse to the corridors of Congress in the critical 2022 midterm elections by signing and returning the enclosed Pledge of Support, along with your most generous contribution of \$20, \$30 or \$40 to the RNC today.

Your gift will be used to get our Party's America First message past the Fake News Media, identify Republican and Republican-leaning voters, train volunteers, protect election integrity and strengthen the largest Get-Out-The-Vote operation in Republican Party history.

The fates of our Republican candidates and our Party in the 2022 elections are both in the hands of patriots like you.

Let me be perfectly clear about what is at stake for our nation if our Party fails to win back control of the U.S. House and U.S. Senate or elect more Republicans at the state and local levels.

Joe Biden, Nancy Pelosi, Chuck Schumer and their Far-Left overlords will continue to ram their Big Government Socialist agenda of *more taxes, more spending, more illegal immigrant border crossings, more inflation and more regulations* down the American people's throats.

The Biden Democrats' Big Tech cronies will use their terrible cancel culture to silence any voice that disagrees with their rush to tear down our society, our history and our America First legacy so they can "fundamentally transform" America into a disastrous Socialist welfare state.

The only way you and I can stop the utter destruction of our borders, our freedoms and our way of life is to help elect Trump Republican Majorities to the U.S. House and U.S. Senate.

If you join me today in making a commitment to support the RNC and our Party, we can achieve sweeping Republican victories and elect conservative candidates committed to putting America First in the 2022 midterm elections.

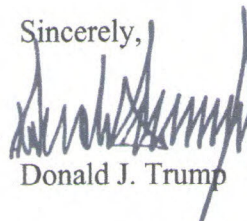

So, will you sit on the sidelines and allow the Democrats to retain control of Congress so they can continue destroying America? Or will you join with me by signing and returning the enclosed Pledge of Support along with a contribution today?

Our candidates cannot succeed -- nor can our Party prevail over the challenges we will face from the Biden Democrats -- without the support of dedicated Republican leaders like you.

Please sign and return the enclosed Pledge of Support to the RNC today, and please include your most generous contribution of \$20, \$30 or \$40 to fully fund the Get-Out-The-Vote operation and campaign programs all our Republican candidates need to win in 2022.

The future of our nation and our America First movement is in your hands. Please let me know I can count on you and your support of the RNC.

Sincerely,

A handwritten signature in black ink, appearing to read 'Donald J. Trump', written over a printed name.

Donald J. Trump

P.S. I'm personally asking you to join me in supporting the RNC's 2022 midterm election efforts. The RNC is the only national GOP organization that has the Get-Out-The-Vote operation and campaign resources to help elect Trump Republican Majorities to the U.S. Congress and GOP candidates at all levels. Please continue to stand shoulder-to-shoulder with me by signing the enclosed Pledge of Support and returning it with your contribution of \$20, \$30 or \$40 to the RNC today. Thank you.
