

**REPUBLICAN**  
 NATIONAL COMMITTEE

Ronna McDaniel, Chairwoman

Wednesday Morning

Dear

At this very moment, a fierce battle is being waged for America's heart and soul.

Your decision to accept your **2022 Republican National Committee Platinum Membership Card** as an Executive Member from Louisiana could determine the outcome.

Let me explain.

Across the country, Americans are deeply concerned about their future. With inflation raging at a 40-year high that has led to skyrocketing prices of everything from groceries to gas and the government recklessly spending trillions of dollars we don't have, people are anxious and uncertain about the direction Joe Biden and the Democrat-controlled Congress are taking America.

They see the Biden Democrats forcing their Big Government Socialist schemes down their throats -- instead of focusing on the issues they care about most: creating jobs and economic growth, lowering the price of goods, closing our open borders and reforming the immigration system, parental rights in education, funding the police and protecting their personal freedoms.

The RNC is leading the charge to stop the Biden Democrats' radical assault on our prosperity, our security and our freedoms.

With less than three months until Election Day, our Party needs your immediate support to win back control of the U.S. House and U.S. Senate and elect Republicans up and down the ballot committed to stopping Joe Biden and his Far-Left cronies from destroying America.

**But our candidates face an opposition that will not relinquish their hold on power without a furious fight.**

Big Labor Union Bosses, Liberal special interest groups and globalist billionaires plan to spend over a BILLION dollars to help elect Democrats and keep Nancy Pelosi and Chuck Schumer in control of Congress. They will do whatever it takes to defeat Republicans.

RNC Platinum Executive Members like you are critical to helping our Party counter the Biden Democrats' massive war chest. Only with your ongoing support can the RNC provide our candidates with the campaign resources they need to fight back and win.

So please take a moment to confirm for me that your RNC Platinum Executive Member Card

(Next page, please)

arrived in good condition by returning the enclosed Confirmation Receipt in the postage-paid envelope provided along with a contribution of \$20, \$40 or \$60 to help keep our Party on track to sweeping Republican victories this November.

Whatever amount you contribute, it is vital that you respond today. Time is of the essence. We have only 88 days -- less than three months -- until Election Day.

Less than three months to ensure our Republican candidates from the county courthouse to Congress have the necessary resources they need to win...

...Less than three months to fully fund our grassroots Get-Out-The-Vote program and register, identify and turn out Republican voters...

...Less than three months to make certain our Party's efforts to protect election integrity by making it easier to vote and harder to cheat are in place at election precincts and early voting centers across the country.

Currently, we have 85 field offices open and more than 500 staff in 25 states working with volunteers around the clock to make certain we win back the U.S. House and U.S. Senate and elect more Republican governors and state legislators.

**With the future of our great nation and our way of life at stake in the upcoming midterm elections, the RNC must fully fund all our campaign programs *now*.**

While the Biden Democrats can count on their Far-Left allies to continue pouring mountains of cash into their campaign coffers, our Republicans candidates rely on the RNC, whose primary support is from our nationwide network of grassroots leaders.

we cannot succeed, nor can our candidates prevail, without the continuing support of Platinum Executive Card Members like you.

So please accept and carry your 2022 RNC Platinum Executive Member Card proudly with the knowledge you are doing your part to save our country from sliding into Socialism. And when you return your Confirmation Receipt today, I hope you will include a special campaign contribution of \$20, \$40 or \$60 to help elect Republicans at all levels who will provide a much-needed check to the Marxist agenda Joe Biden and his minions are foisting upon our nation.

our Party and our candidates have never needed your support more than now. I look forward to hearing back from you soon.

Sincerely,

Ronna McDaniel

Chairwoman, Republican National Committee

P.S. the 2022 midterm elections present Republicans with a great opportunity to win control of the U.S. House and U.S. Senate, maintain a majority of governorships and save our country from the extremist Biden Democrats and their Leftist special interest allies. Please help do your part today by accepting your RNC Platinum Executive Member Card and returning the enclosed Confirmation Receipt with a special campaign contribution of \$20, \$40 or \$60. Thank you.
