

REPUBLICAN NATIONAL COMMITTEE

310 FIRST STREET, S.E.
WASHINGTON, D.C. 20003

**OFFICE OF VOTER RESEARCH**

Monday Morning

Dear

While Republicans are focused on winning the 2022 midterm elections, we must also begin to concentrate on the most important responsibility you have as a member of our Party . . .

. . . selecting the next Republican candidate for President of the United States.

I am writing to invite you to be one of a handful of Republicans in Louisiana we are asking to help facilitate this historic undertaking by participating in the enclosed **Republican Presidential Preference Poll**.

There is no time to lose. It is extremely important I hear from you in the next 10 days. Here is why this is so urgent.

Joe Biden and the Radical Democrats are determined to keep control of the White House in 2024. Wealthy Liberal special interests are already planning to raise enormous sums of money for the next campaign and Republican candidates will start throwing their proverbial hats in the ring by the end of this year.

So it is essential that we move quickly to ensure we select the absolute strongest candidate for the Presidency our Party can find. That is the purpose of this invitation.

This Poll does not ask you to choose between possible candidates. Its purpose is simply to help us establish a “baseline” gauge, at this moment in time, of the interest, viability and support, within our Party, of the current provisional slate of “most likely” presidential nominees.

Even if you are unfamiliar with the records and qualifications of some of the potential candidates in this Poll, your perceptions will be very helpful in implementing our Party’s strategy to take back the White House in 2024.

If you would like to “Write In” the name of someone who is not on the list, please do so.

This grassroots Republican outreach campaign is being conducted by the Republican National Committee (RNC). Based on the responses the RNC receives from you and other voters from your area, and communities across the country, this nationwide Poll could play a decisive role in determining which Republicans emerge in the evolving presidential contest.

(Over, please)

That is why your direct involvement in this Poll, as a Republican, is so important. And why, in addition to returning your completed Poll, I'm asking you to make a generous contribution of \$20, \$40, \$60 or whatever you can afford to support this effort.

As our Party's official national campaign organization, the RNC plays an important role in providing the campaign programs our Republican presidential candidate needs to be successful.

Once the presidential primaries are complete in 2024, the RNC is the ONLY Party committee permitted by federal law that can provide substantial, direct financial support to our presidential nominee. That preparation must begin immediately.

Regardless of who our eventual candidate will be, there is truly no more important priority for our Party – or our country – than recapturing the White House in 2024.

President Biden and the Radical Democrats are feverishly working to reverse the gains our country made under President Trump's leadership in the White House and are ramming their Leftist agenda of open borders, higher taxes, reckless spending and cradle-to-grave government dependency down the American people's throats.

Their Far-Left special interest allies are already planning to raise billions of dollars to keep Biden in the White House for another four years so he can finish the "fundamental transformation" of America into a Big Government Socialist state.

That is why the RNC is already focusing on the 2024 presidential contest and why your candid feedback on the enclosed **Republican Presidential Preference Poll** and your continued support of the RNC is so vital.

Please act now. Your special 2022 contribution of \$20, \$40 or \$60 to the RNC will support our vital research, Party-building, voter drives and data collection efforts that are already underway.

It is never too early to lay the foundation for winning back the White House. I look forward to receiving your feedback and working with you to elect Republicans at all levels in 2022, 2024 and beyond.

Sincerely,

Ronna McDaniel
Chairwoman, Republican National Committee

P.S. The process of selecting our next Republican presidential nominee is now underway. The enclosed **Republican Presidential Preference Poll** is your chance to register your opinion at this early, critical stage. Please complete and return your Poll in the next 10 days to the RNC along with a contribution of \$20, \$40 or \$60 to help lay the early groundwork to win back the White House in the 2024 election. Thank you.
