Ron Johnson (R-WI)

Josh Mandel (R-OH)

Mike Lee (R-UT)

Rand Paul (R-KY)

Dear Fellow Conservative,

As you are one of the top conservatives in the country, I have enclosed your **2022 Senate Battleground Map**. Your **2022 Senate Battleground Map** will provide a roadmap for conservative victory this year.

**As you will see—and I cannot stress this enough—2022 will be a bare-knuckled political fight against the liberals who are desperate to defeat us.**

*With President Joe Biden proving to be a complete and total disaster*, the Democrats will be fighting desperately to avoid an embarrassing landslide defeat in the mid-term elections. And, with a 50/50 balance of power (with historically unpopular Vice President Kamala Harris casting the tie-breaking vote), national Democrats are already pouring HISTORIC amounts of money into every Senate race in the country.

That means we MUST do everything we can to elect strong conservatives with PROVEN track records to the U.S. Senate. **I'm pleased to present our first endorsements for the crucial 2022 election year.**

## 2022 ENDORSEMENTS

Thus far for the 2022 election cycle, Senate Conservatives Fund (SCF) has endorsed SEVEN rock-solid conservative candidates for United States Senate. They are tremendous candidates and proven leaders. I'm excited for the role that SCF will play in helping to elect these outstanding conservative leaders. Our SEVEN endorsements for 2022 include:

### SENATOR RAND PAUL (R-KY)

**No leader in Washington has done more to stand up to Anthony Fauci, the liberal's lord of lockdowns, than Senator Rand Paul.** He has shown tremendous courage in speaking out against Anthony Fauci's unscientific positions.

Senator Paul did something the radical Left simply won't accept without a fight. He **challenged, exposed, and ultimately discredited** Anthony Fauci. Senator Paul's punishment will be tens of millions raised against him through ActBlue. We've seen it happen before. The Left will use their money machine to make a somewhat safe seat highly competitive.

Rand Paul has done our nation a great service in challenging Anthony Fauci, and now we conservatives need to support him. Rand Paul's leadership has come at a high personal cost to him and his family. He and his wife, Kelley, have been physically attacked by the liberal mob in the streets of D.C., they received a package with white powder at their home, and they've received death threats because of the senator's criticism of Anthony Fauci.

The Left is going to do all they can to beat Senator Paul, and we cannot let that happen. We need his strong conservative leadership in the Senate. That is why we have given Senator Rand Paul our coveted endorsement for reelection.

*... over, please ...*

## SENATOR MIKE LEE (R-UT)

Sen. Mike Lee (R-UT) is a **strong constitutional conservative**, and pro-establishment forces are working to defeat him because of his opposition to the impeachment of President Donald Trump.

SCF first played a crucial role in helping Senator Mike Lee win his first election for Senate in 2010 when he beat a RINO politician who was hand-picked by the Washington Establishment. SCF again played a pivotal role in helping Senator Lee win BIG in 2016 when the Washington Establishment tried to defeat him.

***Fast forward to 2022, and Mike Lee has continued to prove himself as one of the most stalwart protectors of conservative principles in the United States Senate today.*** While other Senators with an R next to their name seek to cut deals with Democrats, Mike Lee has been a consistent protector of our values and is an asset to the United States Senate.

That's why the Democrats and the Washington Establishment will be out in full force once again to defeat him. We simply cannot allow them to succeed.

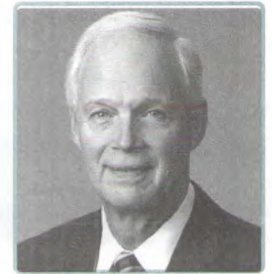

## SENATOR RON JOHNSON (R-WI)

Like Senator Mike Lee, Senator Ron Johnson is a **principled conservative** with an impressive record of standing up for conservative values. Whether fighting against the harmful COVID-19 shutdowns or his full-throttled support of the Trump agenda, Ron Johnson has been one of the top conservative Senators in the country.

And, like Senator Mike Lee, SCF played a HUGE role in helping first elect Senator Ron Johnson. In that race, SCF invested millions to help Senator Johnson in his grassroots campaign to defeat entrenched liberal incumbent Russ Feingold. This support helped propel Ron Johnson across the finish line and on to victory.

You can bet that the liberal progressive political machine will be pulling out all the stops to defeat Ron Johnson in 2022. That's why we **MUST** unite now to deliver victory.

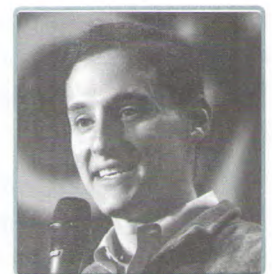

## JOSH MANDEL (R-OH)

Josh Mandel was SCF's **FIRST ENDORSEMENT** of the 2022 cycle. Josh **EARNED** our endorsement because ***he is a true conservative with an impressive record of accomplishment.*** He served eight years in the Marine Corps Reserves, three years as a city councilman, four years as a state legislator, and two terms as the state treasurer in Ohio.

Mandel led the fight for the first property tax rollback in his city's history as a city councilman. In the state legislature, he stood up to the teacher's unions to expand school choices for special needs children. And as state treasurer, he cut spending and made state government more transparent.

**Time and time again, Mandel has fought for our principles and values, even when it meant standing up to leaders in his party like former Governor John Kasich (R-OH).**

Josh Mandel continues to poll ahead in this race, which is good, but it also means that he will be the establishment's top target. That's why SCF is working hard **TODAY** to ensure that this proven conservative is our nominee **TOMORROW**. Our goal is to invest significantly in this race in 2022. Together, we will make that happen!

## CONGRESSMAN MO BROOKS (R-AL)

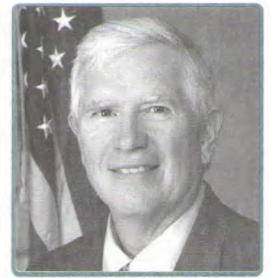

*Mo Brooks has a proven conservative record, he's a member of the House Freedom Caucus, and he's someone Americans can count on to stand up to the establishment in both parties.*

Brooks was our first choice in the 2018 Senate race, but he narrowly missed the primary runoff election after Senator Mitch McConnell (R-KY) and his allies spent millions on false attack ads against him.

But this time, when Senator McConnell launches his attacks, Mo Brooks will have the support of President Donald Trump and millions of freedom-loving Americans across the nation to help him fight back.

President Trump endorsed Mo Brooks and said this about why conservatives should support him: "Few Republicans have as much COURAGE and FIGHT as Alabama Congressman Mo Brooks. Mo is a great Conservative Republican leader who will stand up for America First no matter what obstacles the Fake News Media, RINOs, or Socialist Democrats may place in his path."

We agree! And, like our commitment to Josh Mandel, SCF is committed to investing in this race to ensure a TRUE conservative like Mo Brooks is the Republican candidate on the ballot come November. We NEED his vote in the United States Senate.

## CONGRESSMAN TED BUDD (R-NC)

**Ted is a conservative outsider.** He grew up on a cattle and commercial chicken farm in Davie County, where he still lives today with his wife, Amy Kate, and their three children.

**Ted is also a fighter.** He joined the House Freedom Caucus and **has a record of standing up to the liberals in both parties.** He's part of a growing grassroots campaign to DRAMATICALLY change the makeup of the U.S. Senate, which is filled mainly with liberal Democrats and feckless Republicans.

Along with Josh Mandel in Ohio and Congressman Mo Brooks in Alabama, Ted Budd gives conservatives a chance to replace a retiring RINO with an America First conservative.

Now is the time for conservatives to unite behind STRONG, PRINCIPLED leaders like Ted Budd, who are taking action to build a conservative Senate—something our country desperately needs.

Ted Budd is also one of the FIRST House candidates we ever endorsed as part of our strategy to build a farm team of conservatives who could run for the Senate in future years. ***Now it's happening***, and it's up to US to help him take the next step. SCF's investment in Ted Budd will pay HUGE dividends as it will FORTIFY a majority in the United States Senate.

## ADAM LAXALT (R-NV)

Adam is a hero, a Navy war veteran who served bravely in Iraq. He is also an aggressive, young leader who fought for conservative principles as Nevada's Attorney General from 2015 to 2019. In 2020, Adam was Co-Chair of President Donald Trump's Nevada campaign.

President Donald Trump has given Adam his "Complete and Total Endorsement." In his statement of support, President Trump commended Adam's outspoken support for law enforcement, border security, and his tireless work for election integrity in 2020.

Adam is running against incumbent Democrat Senator Catherine Cortez Masto, a leftist extremist who supports open borders, amnesty, abortion-on-demand, and the radical Left's agenda.

In announcing his candidacy, Adam made clear he's running for American values and against the woke elites at war with them. He's going after Big Tech, the media, the woke capital elites, the Covid cover-up cabal, and Critical Race Theory.

Adam is a conservative fighter and he's running to serve all Americans—not the Swamp. This is a winnable race against a leftist extremist. We need to send a signal in 2022 that voters are going to put America First!

## PRINCIPLES MATTER

As we work to defeat the vulnerable Democrats, we must do everything we can to replace them with candidates who believe in limited government, a strong defense, and traditional values.

**Electing candidates who are “Republicans in Name Only” (RINOs) won't save our country. These politicians buckle under pressure to cut bad deals that grow government and undermine our values.**

We can't waste money on wishy-washy candidates. That's why SCF maintains strict endorsement standards and will only support candidates who pledge to:

- |                                    |  |
|------------------------------------|--|
| ✓ <b><u>Cut Spending</u></b>       | ✓ <b><u>Enforce Immigration Laws</u></b>     |
| ✓ <b><u>Stop Tax Increases</u></b> | ✓ <b><u>Fight for Election Integrity</u></b> |
| ✓ <b><u>Ban Bailouts</u></b>       | ✓ <b><u>Defend the 2nd Amendment</u></b>     |
| ✓ <b><u>End Earmarks</u></b>       | ✓ <b><u>Protect Life</u></b>                 |
| ✓ <b><u>Repeal Obamacare</u></b>   |  |

In addition to supporting sound principles, candidates must also show they can win by building grassroots support in their states, hiring competent campaign staff, and avoiding unnecessary gaffes. Rest assured that all seven of our endorsed candidates have met these stringent qualifications to truly EARN our endorsement.

Once a candidate has earned our endorsement, it is not merely a token, symbolic show of support. Instead, SCF goes "all in" on behalf of that candidate, including:

- ++ **Direct Donations**: SCF will make the maximum allowable contribution directly to our endorsed candidates' campaign.
- ++ **Independent Expenditures (IE's)**: SCF is one of the leading PACs in the country when it comes to spending money for candidates. Whether it's a hard-hitting radio ad, a geo-targeted Internet campaign, or a profile-raising direct mail effort, SCF comes out in full force on behalf of our candidates.
- ++ **Bundling**: ***This is the most effective way that any PAC can directly help a candidate.*** SCF not only bundles millions of dollars on behalf of our endorsed candidates, but we also pay 100% of the processing costs ensuring that every dollar gets put to use. SCF is one of the only PACs in the country that takes on this added cost, and our winning record proves it's worth every penny.

**This commitment to our endorsed candidates truly sets SCF apart from every other group in the country. And, it's this commitment that makes our endorsements the most feared in the country by our opponents. They know we WIN elections and ELECT conservatives. NOTHING is more terrifying to the liberal Left and Washington establishment. NOTHING.**

In other words, these are the kind of PROVEN leaders we need fighting side-by-side with us for conservative values in Washington, D.C.! And we here at SCF have proven we have THE winning plan to ensure these candidates cross the finish line victoriously. All they need is your support.

## **SUPPORT THESE SEVEN ENDORSED CANDIDATES**

Please know that we are also evaluating candidates in EVERY Senate race in the country and will be actively looking for candidates who will also EARN our coveted endorsement.

For now, however, we have another big opportunity to strengthen the U.S. Senate in 2022 with these SEVEN proven conservative leaders. And we cannot do that without your support.

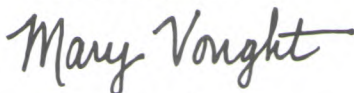

However, because we have so much at stake and we are up against a truly DESPERATE Democrat/Washington Establishment that will do anything to retain power, I would implore you to make an even greater impact with a donation of \$35, \$50, \$75, \$100, \$250, \$500 or more today.

Whatever you do, please do not put this letter away without first rushing back an URGENT 2022 donation of \$35.

For Freedom!
