Dear Fellow American,

Joe Biden must be immediately impeached and removed from office.

Sign your name on the enclosed **IMPEACH JOE BIDEN PETITION** and return it to me within the next 48 hours.

You and I both know Joe Biden is unfit to be our Commander-In-Chief.

He's surrendered our southern border to the drug cartels, human traffickers, and gangs.

He's abandoned American citizens in Afghanistan.

And he's turned his back on law enforcement.

But that's just the beginning of a much bigger problem.

Please let me explain...

So far this year over 1.1 million illegal immigrants from various countries have been caught crossing our southern border.

Not counting the countless "got aways" that evaded Border Patrol or our Sheriff's Deputies.

We just learned Biden is "temporarily" moving Border Patrol agents from the U.S.-Mexico border to help with the influx of refugees following the Taliban takeover of Afghanistan.

Now Islamic terrorists newly freed from prison by the Taliban could soon be making their way to Mexico and sneaking into our country completely

undetected through our unprotected border.

In leaked audio, obtained by Fox News, Biden's awful Homeland Security Secretary Mayorkas says the border crisis is "unsustainable" and "we're going to lose."

America's Sheriffs won't let us lose our lives, our liberties, or our land.

America's Sheriffs will PROTECT AMERICA NOW.

And that's why America's Sheriffs are united in this effort to **IMPEACH JOE BIDEN**.

Join us by signing and returning your **IMPEACH JOE BIDEN PETITION** within the next 48 hours.

My name is Sheriff Mark Lamb of Pinal County, Arizona.

I'm also the Founder and Chairman of a non-profit group comprised of more than 70 American Sheriffs from all across our great country called PROTECT AMERICA NOW.

You may have seen me or one of my fellow Sheriffs on T.V. whether it's *Fox News*, *NewsMax*, *OAN*, or your local news network where we are sounding the alarm on Joe Biden's latest failures.

We support Trump's Border Wall, we reject Biden's Open Borders agenda, and above all else we want to rid our streets of violent criminals and illegal drugs that are pouring across our borders.

I've had the privilege of giving President Trump a tour of the U.S.-Mexico border and I can tell you from firsthand experience he was a true ally and a patriot.

Unfortunately, the same cannot be said about Joe Biden.

In fact, during the Obama-Biden Administration my Sheriff's department was under constant assault.

We were taken to court, sued just for doing our job, and we worried that our careers in law enforcement were over.

I fear it's only a matter of time before history repeats itself because the same liberal lawyers and career bureaucrats who came after us back then are now back in power.

The only solution is to **IMPEACH JOE BIDEN** and have him removed from office before his latest betrayals come back to bite us in the backside.

That's why we must rise up, fight back, and take immediate action to

defend ourselves and our loved ones today.

Specifically, I'm asking you to take two important actions:

- 1) Sign your name on the enclosed **IMPEACH JOE BIDEN PETITION** to join 70+ American Sheriffs in calling for Joe Biden's immediate impeachment and removal from office.
- 2) Then use the pre-addressed Protect America Now return envelope to send it back along with a special one-time donation of \$46 to help put an end to the 46<sup>th</sup> presidency of America's all-time worst Commander-in-Chief Joe Biden.

Your \$46 donation today will help us produce, distribute, collect, and deliver 107 more **IMPEACH JOE BIDEN PETITIONS** tomorrow.

And it will also help us spread the word:

Joe Biden has BETRAYED every law-abiding American citizen by leaving our borders unguarded, unprotected, and undefended.

Joe Biden is UNFIT to serve as Commander-In-Chief.

And Joe Biden must be IMPEACHED and removed from office.

Our goal is to collect and deliver a minimum of **10 MILLION IMPEACH JOE BIDEN PETITIONS** to Congress so that there is no denying the overwhelming support we have behind us.

Already the liberal news media – outlets like *CNN* and *ABC* – have begun to turn on Biden after his surrender of Afghanistan to the Taliban.

BIDEN'S DISAPPROVAL RATING IS NOW AT 55 AND CLIMBING.

Nancy Pelosi cannot protect Biden forever – and she won't be able to either, given her razor-thin Democrat House majority.

So far, one Democrat Congressman has already broken ranks to openly criticize Biden's failed "leadership" when it comes to our national security.

Now we need your help to turn up the heat on Capitol Hill.

So please, can I count on you to sign and return your **IMPEACH JOE BIDEN PETITIONS** along with your very best one-time donation of \$46 today?

I hope so, because Biden's billionaire backers desperately want to keep his presidency on life-support so that they can get their far-left agenda enacted into law while they still can.

That's why I must ask if you are in a position to give more, say \$100,
